## BROOKS SCHOOL IMPROVEMENTS ARRANGED FOR

Brooks, Or., April 10.—The community meeting held at the school house Wednesday night for the purpose of getting together on the repairing of the sidewalk leading to the school was very successful. The men voted to take the matter entirely out of the Women's Community club's hands and clean up the job quickly. Enough funds were subscribed at the time to nearly cover the expense of the material and a committee was appointed to solicit the rest. It was estimated that the cost should not exceed $40, if sufficient labor was donated. The only part allowed the women was a picnic dinner for all on the day set for the job.

The sawmill on the J. O. Hayes ranch is now in operation. It is expected that the season's cut will run close to 300,000 feet. All of this is to be used on the place for new dwellings, storehouses and for drain boxes and ditching.

Walter Weinert has intended to cut his asparagus several times but the frost has spoiled the cutting each time. A few mild nights will give him a chance to harvest his older patch; the later planting not being marketable this season.

B. F. Ramp has sold his property on the corner of Main street, generally called the Highway and Second street, to J. C. Beckner. Mr. Beckner intends to move the house back and make some other improvements in the near future.

Mrs. Robert Beer delivered to the Salem Chickeries, Monday, 600 baby chicks from her incubators.

Inquiry was made in the vicinity of Labish Center recently pertaining to available acreage for sugar beets. It was supposed that this was for the talked-of plant for Salem.

Royce Allen finished his onion seeding Wednesday. He will have approximately 16 acres.

W. B. Hurst was in this territory Tuesday looking after the onion-set business of his firm, W. S. Hurst & company. They have contracted for 30 cars of sets for the coming season.

Mrs. Ennis White and Mrs. A. W. Veatch of Salem visited with their mother, Mrs. Blanton, at the home of Mrs. Clyde Harris, Wednesday.

Gerald Howard, son of D. A. Howard, was taken in to Salem for examination owing to a peculiar swelling in his throat. The doctor's investigation revealed a typhoid condition which, however, they claimed was not especially dangerous when treated in time. Also that the form was not necessarily contagious.

Labish Center will give a community program and entertainment this evening at the Labish Center school house, some of the Brooks pleople assisting.

# Power in the Blood!

You will be compelled to admit that the results of S. S. S. are really amazing!

MAN'S GLORY is his strength—yet how few there are who are really as strong as they should be. The blood thins, gets weaker, blood cells wear out—general weakness and a gradual breakdown of the system results.

We know there is one thing that puts power in the blood, and that is more red-blood-cells! S.S.S. builds them by the million! We know that as blood cells increase in number, blood impurities vanish! But have you ever actually taken advantage of this wonderful fact? Thousands just like you have never thought of it. So-called skin eruptions—pimples, boils, blackheads, eczema all pack up and go when the tide of blood cells begins to roll in. Blood cells are the fighting giants of Nature. S.S.S. is one of the greatest blood cell builders, blood cleansers and body builders, known to us mortals. Here is your opportunity! S.S.S. contains only vegetable medicinal ingredients. Because S.S.S. does build red-blood-cells, it routs rheumatism, builds firm flesh, fills out hollow cheeks, beautifies the complexion, builds you up when you are run-down.

Start taking S.S.S. today and get back that power in your blood!

S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.

S.S.S. Makes You Feel Like Yourself Again

**Serious operation avoided**

Resinol healed stubborn sore

Elyria, Ohio, March 1:—"I feel it my duty and pleasure to thank you for the wonderful cure your Resinol salve has wrought for my husband, who suffered from an open sore on the back of his neck for four years. Several doctors said that it was a cancer and advised its removal, but it was so near the base of the brain that we feared an operation. I had found Resinol Ointment so effective for cuts, burns and similar things that I induced my husband to try that. After using only two jars of Resinol, the sore entirely healed—every trace of it has disappeared. Resinol certainly was a God-send to us!" (Signed) Mrs. E. E. Kennedy, 243 E. 8th St.

**TINTING FURNITURE THE KYANIZE WAY — WITH CELOID**

*YOU CAN DO IT YOURSELF*

Of course you've noticed how popular "painted furniture" is becoming. Bedroom sets, sun porch furniture and in fact, things for every room in the house are displayed by the best shops in "painted" beauty.

Why don't you make over some of your old things in this new way? This is a marvelous finish — this Celoid — a really high grade medium-gloss enamel that gives the effect of a costly "hand rubbed" finish.

It may be washed repeatedly without leaving streaks or stains — in fact, it improves with washing.

In addition to tinting furniture use Celoid on any woodwork on walls of metal, wood, plaster or fibreboard, or anywhere about the home.

Eight delicately-toned tints in addition to Pure White. We guarantee absolute satisfaction or "money back for the empty can."
