

SENATORS TAKE OPENER; CAMAS DEFEATED 4 TO 2

An exceptionally large crowd watched the Salem Senators win the opening game of the interstate league when they took the Camas baseball nine into camp on the Oxford park diamond yesterday afternoon by a score of 4 to 2.

Bouton, first man up for the Senators, clouted the ball against the centerfield fence for three bases. Proctor singled and Bouton scored with the first run for the Senators. Coleman fanned. Steers fanned. Proctor scored when Heenan hit for two bases. Maples fanned. The Camas nine took the lead in their part of the first when Jacobberger took first base on Barham's error after two were out. Tidland got a long hit and Jacobberger scored by fast running.

In the second inning Barr, first man up, fanned. Edwards walked. Barham went out. Kuss to Tidland. Ashby running for Edwards went out at the plate trying to score from second on Bouton's second hit of the game. The Senators scored again in the third inning when Coleman singled. Steers singled and Coleman slid into third by a hair. Coleman scored when Keene went out at first.

The Senators annexed their final tally in the fifth inning when Bill Steers, centerfielder for the locals planted the ball over the rightfield fence, winning a five dollar hat and five dollars in cash.

The Camas nine tried hard in the last inning but were unable to hit in the pinches. Goodwin singled in the ninth inning. Dillon flew out to Bouton in deep short. Quisenberry batted for Kuss and went out. Maples to Keene. Goodwin went to second on this play and scored when Goldman doubled into left. Goldman stole third but Rogoway went out to Bouton to Keene for the final out.

Seven hits were made off of the delivery of Barham who pitched a fine game. The hits were all scattered allowing them only one hit in an inning with the exception of the last when they got two. The Senators gathered ten bingles off of Bill Kuss, who was in also in fine form, although he was not effective as he usually is as the "pitter" which is his mainstay is barred in this league. The locals made three hits in the first inning, one in the second, two in the third and one in the fourth, fifth, sixth and seventh innings.

Camas is credited with two errors and the Senators with four. Bouton making two on hard liners. Next Sunday the Senators will meet the Vancouver club on the home lot. The Vancouver team is managed by Rip King, former receiver for Portland.

OLD NEWSPAPERS ARE ON DISPLAY

Silverton, Or., April 13.—(Special.)—Three newspapers—(one dated Saturday, January 4, 1880, a second one dated August 9, 1862, and a third one July 2, 1863)—are on display at the Coolidge & McClaime bank at Silverton. The oldest of the three is a reproduced copy, the other two are the originals. All three papers are in a remarkably well preserved condition.

The copy from 1800 contains four pages, the two inner of which are bordered in black, in mourning for George Washington with whose death it deals. The name of the paper is the "Western County Gazette," and its publishers were Samuel Freer & Son. "The Rebel," which was being published 62 years later at Chattanooga, Tennessee, was all that its name implies. One of its headings reads that there is "No Union Sentiment in the Rebel Army." The paper contains an explanation of the conscription law, and on its front page is an advertisement reading, "For sale or exchange, one negro woman for a boy." Franc M. Paul was its publisher.

Perhaps the most interesting of the group is that from July 2, 1853. It is printed on the back of a piece of wall paper. This "The Daily Star" was published by J. M. Swards at Vicksburg, Miss. Conspicuous headlines are "Gen. Robt. E. Lee Again," and "The Recent Federal Losses at Vicksburg." It pictures some of the hardships of the Civil war, among which was a notice telling of the eating of mule flesh. The papers belong to Melvin Chandler, a Silverton mail carrier.

CONSTIPATION means INEFFICIENCY

Watch your bowels! Constipation produces disease, misery, inefficiency, premature old age, senility. Have your bowels moved today? If not, you are constipated. They should be kept open to carry off the parts of food the body does not use, and which, if left in the body, become horrible and loathsome poisons which breed sickness and often fatal disease. If your bowels don't move, they need help badly.
