SUNRISE PRAYER SERVICE HELD ON EASTER SUNDAY

Woodburn, Or., April 14.—Easter Sunday was appropriately observed by all churches. An early prayer and praise service was held at sunrise in the park, in which pastors and laymen of five churches participated. A program of music was offered at the Methodist Episcopal church and a presentation of a pageant, "The Song of Dawn," was given at the Presbyterian church. At the morning service at the latter church twelve new members were received into communion, three children were baptised and the sacrament of the Lord's supper was administered. Losers' mass was rendered at 10 o'clock by the choir of St. Luke's Catholic church.

April 29 has been announced by the city recorder, G. H. Beebe, as the date set by order of the mayor and council for spring "clean up." All boxes of unburnable rubbish will then be hauled away from the curbs at city expense.

The Graves cannery has just shipped two cars of fruit to Sioux Falls, S. D., and has orders for seven or eight cars more that will be shipped.

Eugene Mosshberger, recently promoted from lieutenant colonel to command colonel of the 162nd infantry, was guest of honor at a gathering of officers of the regiment at the Portland armory last Thursday night when the order of promotion issued by Brigadier General George A. White was read. Mr. Mosshberger has served 25 years in the Oregon national guard and was a major of the 162nd infantry in the world war.

New articles of incorporation for the First Presbyterian church have been filed with the county clerk.

The Woodburn auto park is now open with a capacity of 25 cars per day. The park has been put into fine condition for the accommodation of tourists, several new cabins and an office having been constructed. It is equipped with running water and the electric lighting system has been newly rearranged.

The "Maid and the Golden Slipper," a delightful arrangement of childhood's favorite story "Cinderella," is the operetta to be presented by the grade school pupils Friday night, April 17.

Miss Louise Schreiber of Salem is visiting at the some of her brother and wife, Mr. and Mrs. M. A. Schreiber. Mrs. Schreiber is convalescing from a severe attack of influenza.

Superintendent F. E. Fagan attended the three days' meeting of the Inland Empire association of teachers at Spokane last week. Mr. Fagan's topic was "Vocational Education."

Mr. and Mrs. H. T. Baughman, who for the past seven years were residents of Woodburn, have moved to Camas, Wash., to be near their daughter, Mrs. Fred Wright.

Mrs. F. E. Fagan, a little daughter, Florence, visited in The Dalles with Mrs. Fagan's parents, Mr. and Mrs. Young, this past week.

SICK WOMEN OF MIDDLE AGE

Can Be Carried Comfortably Over The Critical Period by Lydia E. Pinkham's Vegetable Compound —Note Mrs. Headden's Case

Macon, Georgia. — "During the Change of Life I suffered with my whole right side and could not lie on my left side. I was in bed about two months and could not get up only as my son would lift me. After doctoring without relief a man who was rooming with us told my son that Lydia E. Pinkham's Vegetable Compound cured his mother at the Change of Life, so I began taking your medicine. After taking it for two weeks I could get out of my bed by myself. I am now 53 years old and in better health and stronger than ever in my life. I have recommended the Vegetable Compound to many suffering women, young and old, and you may use my name anywhere as long as you please. I will be glad to answer any letters sent to me." — Mrs. F. B. HEADDEN, 5 Holt Avenue Macon, Georgia.

In a recent country-wide canvass of Lydia E. Pinkham's Vegetable Compound, over 200,000 replies were received and 98 out of every 100 reported they had been benefited by its use. For sale by druggists everywhere.

SILVERTON NEWS

Silverton, Or., April 14.—(Special.)—The brooder house and 400 little chickens were burned in a fire at the A. Torgerson poultry Monday morning at 3:30. It is thought that the fire caught in some manner from the lamp. Although the entire fire department turned out and quickly got the fire under control the alarm was turned in too late to save any of the building.

Mr. and Mrs. Walter Rosheim arrived at Silverton, Saturday morning, for a visit with Mr. Rosheim's parents, Mr. and Mrs. J. C. Rosheim. Mr. Rosheim was for the past 18 months employed at the Boston Coffee house at Stockton, Cal. While there he met and married Miss Mae Brader of Stockton. This is their first visit to Silverton since the marriage.

Miss Ella Dolan has been visiting at the home of Mrs. Robert Crain. Mrs. Crain was before her marriage, Miss Clara Hannestad and at one time made her home at Silverton.

Miss Greta Janz of Salem is visiting at the home of her sister, Mrs. Earl Adams, at Silverton.

Mr. and Mrs. Walter C. Larson were hosts at Easter dinner at their home Sunday. Guests were Mr. and Mrs. E. Nelson, Miss Pauline Nelson, Frank Nelson, Alvin Legard, Miss Ethel Larson, Jack Larson, Miss Ether Larson, Merle Larson, Harold Larson, Orval Larson. Following the one o'clock dinner the party drove over to inspect the tulip farm near Brooks.

A great deal of illness has been reported in and about Silverton during the past week. A few cases are reported as being tonsilitis, while others or lighter attacks of the influenza. Among those reported as ill are F. Mohr, Rev. Joseph Sherbring, Joseph Thompson, Mrs. Russell Scott, L. E. Volgamore, Mrs. M. J. Madsen, Miss Cora Safern, Miss Borghild Underdahl, Mrs. Oliver Holman, Miss Clara Holman and Mrs. George Olsen.

Miss Agnes Hatteberg has been selected as valedictorian for the June graduating class of the Silverton high school.

Among the out-of-town Easter day visitors at Silverton may be mentioned the following: Lowell Hoblitt, a sophomore at the University of Oregon and a son of Mr. and Mrs. J. Hoblitt, editors of the Silverton Appeal. Accompanying Mr. Hoblittle home from Eugene was Edward Linklater whose home is at Hilsboro but who is a senior at the university. The two young men are fraternity brothers, both belonging to the Phi Kappa Psi. Mr. and Mrs. Martin Tinglestad of Jefferson and Mr. and Mrs. Edwin Tinglestad of Oregon City spent the day at the parents of the two Mr. Tinglestads, Mr. and Mrs. B. Tinglestad of Silverton. Martin Tinglestad is a farmer at Jefferson while his brother, Edwin, is principal of the Oregon City high school. Reuben Jensen, the son of Mrs. Anna K. Jensen, came up Friday evening from Corvallis, where he is attending college. Mr. Jensen returned Sunday afternoon, motoring back as far as Jefferson with Mr. and Mrs. Martin Tinglestad. Mr. and Mrs. Harold Craig of Portland were guests at the home of Mr. and Mrs. Marion Palmer, Sunday. Mrs. Craig is the daughter of Mr. and Mrs. Palmer. Mr. and Mrs. Carl Moser of Portland were guests of Mr. and Mrs. E. E. Taylor of Silverton. Mrs. Moser is a daughter of Mr. and Mrs. Taylor. Mr. Moser was formerly proprietor of the Moser grocery, now the Fiveness grocery, but is now state adjutant of the American Legion. Mr. and Mrs. Arthur H. Madsen spent the day at the home of the former's parents, Mr. and Mrs. M. J. Madsen. Miss Pearl Johnson, who is now employed as stenographer at the Willys-Overland garage at Portland, spent Easter with her parents at Silverton.

Miss Kathleen Booth and Miss Margaret Simms spent the week-end at Eugene.

The Masonic lodge and the Eastern Star were special guests at the Easter services at the Methodist church Sunday morning.

W. N. Arbuthnoth, manager of the J. C. Penny company store, left Sunday for Portland, where for eight days he will be in attendance at the regional buying convention of the managers of the Penney company stores.

H. C. Seymore, state club leader, reports that the members of Evans Valley sewing club of Silverton have completed their work and are entitled to receive one of the official club charters. Members of the club are Bernice Langsev, Lorene Bunrue, Evalyn Brenden, Helen Brenden, Jennie Brenden, Clarice Taw, Earl Taw, Eunice Solle, Eva Solle and Ernest Zolle. Miss Pauline Leslie, who is teacher of that district, is also local club leader.

The Epworth leagues of the Methodist Episcopal church held an early morning service on the hill back of the D. W. Linn home, on the Victor Point road Easter morning. After services breakfast was served in the open.

Beecham's Pills

Rub on Sore Throat

Musterole relieves sore throat quickly. Made with oil of mustard, it is a clean, white ointment that will not burn or blister like the old-fashioned mustard plaster.

Just spread it on with your fingers. Gently but surely it penetrates to the sore spot and draws out the pain.

To Mothers: Musterole is also made in milder form for babies and small children. Ask for Children's Musterole.

35 & 65c in jars & tubes; hospital size, $3.

INDIANS TO PLAY SALEM HI NINE

Chemawa, Or., April 14.—Tomorrow afternoon the Chemawa Indian baseball nine will meet the Salem high school team on the Indians' grounds. The teams were originally scheduled to play last Saturday but owing to the rain the game was postponed.

This will be the first game of the season for the high school while the redskins have had two games. The locals will have a little better team than the one that defeated the red and black nine twice last year and they are in hopes of taking three straight.

LeAndre Wilson and Charles George, both veterans of last year are hurling in good style and they are expected to turn them back to the bench with regularity. The Indians have another good prospect in Fleury, a left hander, who has lots of stuff and good control.

De Poe is looking good on the first sack and he can be depended on to pull a lot of them out of the air as he is tall and rangy. Williams at second is rather erratic at times but will steady as the season starts in full swing. Dandro George, shortstop of the team two years ago, is picking them up with uncanny ability and will strengthen the team considerably. The Indians will miss the services of Buchers at third, who was a good fielder and one of the most dangerous of the Indians to come to bat. In the outfield the Indians will have Brendible and Claphanoo, both veterans, although Claphanoo was not in the lineup last year. Claphanoo is one of the fastest men in the field and gets a lot of flies that are seemingly impossible.

Brooks News

Brooks, Or., April 14.—Mrs. C. V. Ashbaugh called upon the D. A. Howards, Sunday, from a safe distance (account quarantine), and found them all doing very nicely. The disease, being taken to the doctor in time, is successfully checked, unless unexpected complications arise.

Frank Wheeler made a nice shipment of 130 pounds of dressed capons to Portland last week.

Mrs. Malcolm Ramp and Mrs. Howard Ramp attended Easter service at the Methodist church in Salem in the evening.

Mr. and Mrs. Robert E. Hayes motored over from Tillamook to spend the week-end with Carl Aspinwall and family. Miss Hattie, daughter of Carl, returned from her visit with them.

Mr. and Mrs. S. V. Ramp of Independence visited with their relatives and many friends of Brook, Sunday.

U. C. Loron visited with his daughter, Mrs. Willard Ramp, Sunday.

Mrs. Ralph Sturgis' daughter, Gladys, was down from Portland, Sunday to visit her mother and friends.

An enjoyable Saturday evening was spent at the home of Clyde Harris by Mr. and Mrs. Frank Mathes and daughter, Mr. and Mrs. C. V. Ashbaugh and B. Russell. Cards, radio and music, both instrumental and vocal were features of the evening. Refreshments were served.

Mr. and Mrs. G. W. Sturgis of Alsea were sporting their new Ford sedan in Brooks, Sunday.

Miss Ethel Harris gave a dinner party for D. Scharf, Miss Thelma Blanton and Belmont Russell, Sunday evening.

SALLY will be in **SALEM** next **SATURDAY**

Doctored All Winter, Finds Relief

"I doctored all winter and it didn't help a bit, but FOLEY'S HONEY & TAR COMPOUND was just the thing for my cough and cold." writes Mr. Henry Daniel, Berrysburg, Penn. FOLEY'S HONEY & TAR COMPOUND is one of the largest selling cough medicines in the world. Contains no opiates—ingredients are printed on each carton. Good for old and young. Refuse substitutes. Insist upon FOLEY'S.—Adv.

Why the United States Rubber Company's New Flat "Low-Pressure Tread" on Balloon Tires Prevents Early and Uneven Tread Wear

Compare these two tread imprints— They tell the whole story of Balloon Tire performance on the road

THESE tread imprints were made by two Balloon Tires of exactly the same size. Both under the same load. Both inflated at the same air-pressure.

Yet one shows 22% more road contact than the other.

Here you see one of the outstanding advantages of the new flat "Low-Pressure Tread," one of the greatest achievements ever contributed to Balloon Tires. And exclusive with U. S. Royal Balloon Cords.

This is the first tread ever designed to properly conform to the action of a Balloon Tire on the road.

It is designed specifically for the low inflations necessary to give real Balloon Tire cushioning.

This means that for the first time you get the full Balloon comfort without sacrificing mileage.

This 22% greater area of contact distributes the load better—lessens the weight on the individual tread blocks—reduces tread wear and movement, and does away with early, uneven and disfiguring tread wear.

It means that you do not have to over-inflate your tires to prevent this early tread wear.

It establishes a new standard of low-pressure inflation. It gives you better cushioning and longer service. It gives better traction, easier steering, and greater stability.

It gives better non-skid protection because the flexible outer row of tread blocks is now brought into full contact with the road.

Specify U. S. Royal Balloon Cords—"the Balloon Tire principle at its Best."

Trade Mark

Imprint of a round-tread Balloon Tire

Imprint of the new, flat "LOW-PRESSURE TREAD"

What Actual Scientific Measurements Prove about Load Distribution on the New "LOW-PRESSURE TREAD"

Compare the two tread imprints above. Note the figures opposite each row of tread blocks. They represent the average load in pounds carried by each tread block in that row. They show how the new flat "Low-Pressure Tread" lessens the pressure on each tread block.

Here is the first Balloon Tire designed specifically to give maximum wear and service with the ideal low air-pressure.

It is the complete answer to all arguments for higher air-pressure in Balloon Tires in order to prevent quick and uneven tread wear.

"The New Low-Pressure Tread" *exclusive with* U.S. Royal Balloon Cords
