"America," by entire audience; flag salute and American creed, led by the scholars and repeated by all; juvenile reading by Clyde Boehn, Bobbie De Grom, Annabell Bennett, Raymond Bibby and Home Dunn; duet, Mrs. G. Dallas, Ore., April 16.—Testimony in the \$20,000 alienation of affections suit brought by Frank White against George M. Werline, Independence hopman, was completed today in Circuit Judge Ramsey court and arguments of counsel begun.

At 53 She "Feels Fine" and Never Has a Headache

"After a serious illness I became very constipated. The Doctor's medicine relieved me only for a short time. I also suffered from awful headaches three or four times a month. One day I noticed your ad and sent for a box of Beecham's Pills and at once, I found that if I took them on going to bed I would feel fine in the morning. I never have a headache now."

I am 53 years old and I do all my own housework. I lay it all to the wonderful help which Beecham's Pills have given me for 29 years.
