

WOMAN ACCUSED OF POISON PLOT TOO ILL TO PLEAD

Crown Point, Ind., April 17.—(By Associated Press.)—Mrs. Anna Cunningham, 49-year-old Gary, Ind., widow, who has confessed she poisoned three of her children and tried to end her own life so they could join her husband "in heaven," still was too weak today for a preliminary hearing on the charge that she murdered her son, Walter.

County Prosecutor August A. Bromer pointed out today that the report of Purdue university chemists, received last night, corroborated Mrs. Cunningham's confession.

The chemists found a large amount of arsenic in the vital organs of Walter Cunningham, and while admitting that she poisoned Walter, Isabel and Charles Cunningham, she denied that she had given Harry any poison. She also told of giving poison to David, Jr., who is in a Chicago hospital.

REJECTED DRAFT MEN NOT ENTITLED TO BONUS

Washington, April 17.—Men who were drafted for service during the World war but not accepted by the army because of physical disability, are not entitled to the \$50 bonus granted by congress, Comptroller General McCarl ruled today in a case brought by Ard B. Crutchfield of Raleigh, N. C. McCarl declared Crutchfield, who was discharged 24 days after induction, had not served within the meaning of the law.
