# PEP

Muscles that ripple! Cheeks that glow!  
Get 'em with Pep! The flavor's great!

IT'S great! A new thrill! Pep! A new food made by Kellogg. A new flavor. And what a flavor it is! So good that a taste is an invitation to a bowlful—and then you want it often. It's marvelous. Pep—the peppy bran food, ready-to-eat with milk or cream.

Pep builds health. It livens muscles. It tints your cheeks with healthy color. It puts a swing into your stride. Pep is packed full with those wonderful body-building elements that nature puts in foods.

Feed Pep to the youngsters. They're wild about its flavor. And it's great for them. Keeps them free from constipation. For Pep is rich in bran—therefore, mildly laxative for all. Watch all the family grow healthier with Pep. Your grocer sells it.
