SILVERTON EVENTS POSTPONED FOR RAIN

Silverton, Apr. 20.—While the farmers may like the spring rain and April showers, it is very evident that the high school events do not. The interclass track meet which was scheduled for Thursday last, and the baseball game which was to have been played at Newberg on Friday were both cancelled because of the heavy rain. The game with Newberg will be played next Friday. It is not yet known whether at Newberg or at Silverton. The track meet will be held today or Tuesday.

Even though Silverton high school chances are not so promising in track as they might be she intends to take part in the county meet at Salem, at the northwest meet at Pacific university, and is trying to arrange a dual meet with Woodburn.
