

MYSTERY VEILS MOTIVE BEHIND DEATH OF WOMAN

Los Angeles, Cal., April 23.—Mystery today still enshrouded the killing of Mrs. Louise Untermaier, middle-aged modiste whose mutilated body was found not far from her home in Culver City yesterday. The arrest of two suspects having failed to develop any satisfactory solution of the case. Detectives who last night grilled Stanley Sharpe, 27 year old friend of the slain woman, booked him on suspicion of murder when he could not explain satisfactorily where he had spent Tuesday night. A neighbor of the modiste said she was told by Mrs. Untermaier early Tuesday night that Sharpe was coming to see her at 9 o'clock. Sharpe said he went to a dance in stead and while he failed to satisfy investigators with this alibi, they admitted the evidence against him was far from conclusive.

The other suspect, Luis Valdez, was brought to the city jail on complaint of Hollywood residents that he was molesting women and was held for investigation in connection with the murder when detectives found what appeared to be blood stains on his clothing. Both men were still in custody early today, but their release was regarded as probable.

An autopsy performed last night revealed that the woman had been criminally attacked and then beaten to death, probably with the piece of special plank which was found covered with blood stains, a few yards from her body.

Mrs. Untermaier came here from Boise, Idaho. She was 45 years old.

BIG ELEVATORS AND GRAIN BURN

Chicago, April 23.—More than 2,000,000 bushels of corn and oats belonging to the Grain Marketing corporation, were destroyed in a fire which started shortly before midnight, burning two wooden elevators and threatening an industrial section on the south side before it was subdued early today.

The loss was estimated at \$2,250,000 by E. P. Rosenbaum, president of the Rosenbaum Grain corporation, through which the elevators were leased to the farmers' cooperative organization.

Destruction of the grain, he estimated at \$1,500,000 and of the structures, among the oldest wooden elevators here, at \$750,000. The losses were adequately covered by insurance, he said.

Blazing grain, pouring into the south branch of the Chicago river, clogged the stream and threatened shipping, forcing withdrawal of two fire tugs.

Search was started after the fire for an aged watchman and his wife, believed to have been quartered in one of the buildings.

REVOLT LEADERS ARE TRANSFERRED TO PRISON

Lisbon, April 23.—(By Associated Press)—Thirty-eight officers concerned in the recent short lived revolt against the government have been transferred from the warship Vasco De Gama, where they were being held, to the fortress of El Van Santarem.

Former Premier Cunha Leal has sent a letter to the chamber of deputies declaring upon his word of honor that he had nothing to do with the revolt.

BOXER CLEARED OF DEATH OF OPPONENT

Los Angeles, Cal., April 23.—A coroner's jury late yesterday exonerated Bobby Allen of any part in the death of Harry Simone, Boston boxer, who died here last Saturday night of concussion of the brain after he had fought Allen in a San Bernardino ring the previous Thursday.

District Attorney George H. Johnson of San Bernardino county said he would go over the records in the case to try to determine whether Simone's death might have produced the rupture of an artery in his brain that accompanied the concussion.

Allen, who is at liberty on his own recognizance, will have his preliminary hearing at San Bernardino, April 25.

In 24 Hours Ends NEURITIS

When you've tried everything you can think of and nothing seems to even relieve those piercing, agonizing pains, just go to J. C. Perry Drug store or some other good drugist—and get a bottle of Allenhu Special Formula No. 2. Be sure you get No. 2 which comes in capsule form, for the liquid form is a special preparation for Rheumatism.

Take these little dark green capsules as directed and notice now in about 24 hours they have considerably reduced, if not entirely banished, those persistent, nerve racking pains that have caused you many sleepless nights. A few more doses and the pains have left you forever.

While this particular formula was compounded for the purpose of conquering painful, Gouty conditions and what is known as Rheumatoid Arthritis—a knotty, painful swelling of the joints—it has proven wonderfully successful in all forms of Neuritis and Sciatic Nerve Pains.

You needn't be afraid of its containing dope of any kind—it doesn't. Such things are only makeshifts and can only at the best give temporary relief.

Be sure you've got Neuritis and then get Allenhu Special Formula No. 2. Your pains will be gone before you know it. Mail orders accepted.—Adv.

FRIDAY SMOKER LAST UNLESS FANS DEMAND MORE

Tomorrow night the Salem fight fans will see their last smoker at the armory unless they show at that time they want more fights. Frankie Lewis of Salem will meet the ten-round main event and the bout promises to be the fastest and hardest yet seen at the armory. Both of these boys are sluggers although they have plenty of science and they will certainly

give the fans their money's worth. Lewis and Gardeau met once before and the battle was declared a draw. Lewis is a two-handed fighter and Gardeau will have to step around a little faster than he did in his bout here with Charlie Dawson of Eugene when Dawson took the decision by a hair. Dawson took one of the worst beatings of any of the main eventers with Lewis but Gardeau had had a hard ten-round battle in Portland the night before and was not in the best of shape. He promises to be in good condition and Lewis is working out hard for the battle as he is trying to get the best of this argument.

A six-round bout has also been arranged between Bill Hunt, husky Salem fireman and Speed Murphy of Portland. Murphy will have the disadvantage of being about 10 or twelve pounds the lighter but is fast and will give Hunt a merry time. Hunt showed up good on the last yard and won the fans approval and if he goes as good as then will make the fans pack the house to see him.

Two snappy preliminaries have been scheduled by Matchmaker Harry Plant and they will both be good in the promise of Plant. At this time Plant will find out if the fans desire to have the fights continued and he is willing to do what ever the fans decide.

"Tiny" Herman Scalded
Los Angeles, Cal., April 23.—

While removing the cap from an over-heated automobile radiator here today "Tiny" Jim Herman, Omaha heavyweight boxer, was severely burned about the face and hands by the boiling water that geysered upwards. He was treated at the receiving hospital.

Two snappy preliminaries have been scheduled by Matchmaker Harry Plant and they will both be good in the promise of Plant. At this time Plant will find out if the fans desire to have the fights continued and he is willing to do what ever the fans decide.
