## University Concert Tonight

The University of Oregon glee club, men's and women's, and orchestra, will give a concert to-night at the Grand theater, starting at 8:30 o'clock. It will be the first time that the glee club and orchestra will have joined in a concert.

Each glee club is composed of 24 singers, and there are 35 in the orchestra, making a total of 59. Rex Underwood, head of the violin department of the school of music is director of the orchestra and John Stark Evans, assistant dean of music, is director of the glee club.

Many talented musicians and singers will be heard. The glee club will present two soloists, Frank Jue of Portland and Roy Bryson of Eugene. Jue is well known here having been presented in many recitals in recent years. Not long ago he appeared in a special concert at the First Christian church. Mr. Jue has sung at the leading playhouses all along the coast from Seattle to Los Angeles.

Roy Bryson will sing two solos, "Bitterness of Love" (Dunn) and "To the Sun" (Curran). Mr. Bryson has given several concerts in Salem. He is soloist for the Methodist church of Eugene. Ruth Akers, soloist for the Presbyterian church of Eugene, and Richard Adams also have distinguished themselves by their solo work.

Alberta Potter and Lora Teehner, members of the orchestra, also will give solos. Miss Potter will play a violin solo and Miss Teehner a cello solo. Miss Potter has been concert master of the orchestra for several years. Miss Teehner is one of the best cellists in the northwest. They have appeared in many recitals.

Except for the finale, "Land of Hope and Glory" (Elgar) in which the glee club and orchestra will combine, each will render separate selections.

Most of the students will remain in Salem tonight and will go to Portland tomorrow where they are to give a concert at the Heilig theater. Tonight's program follows:

Frances Virginia Melton, pianist, William Wallace Graham, violinist, and Emery W. Hobson, baritone, gave a combined concert in Waller hall last night, under the sponsorship of the American Association of University Women, which from the standpoint of excellence and pleasure awarded the audience, is seldom equaled. The three artists are members of the Willamette music faculty and combined to their natural talent they portray an ease in presentation and understanding that is the result of years of study and work.

The program offered was varied and from the opening number, until the close of Mr. Graham's last encore the audience sat thoroughly interested and enjoying every note and every tone and following the artists through every mood. One could not but notice the complete detachment of the musicians. They seemed utterly oblivious of their audience and only toward the end of the program would they consent to the demands for encores.

Miss Melton gave two MacDowell numbers, "The Eagle," and an "Improvisation," and Beethoven-Bauer's "Gavotte" in her first group. The two Chopin numbers, the Prelude and Polonaise, Opus 53, formed the second. The almost masculine strength and power of Miss Melton's playing combined with her understanding and mastery of her instrument make her a truly remarkable pianist. There is no muddling of the theme but absolute clarity and in most difficult passages the melody is clearly carried through. Specially enjoyable in last night's program was Miss Melton's presentation of Chopin's famous Prelude.

Mr. Graham is known up and down the coast as one of the leading violinists and his work last night abetted that reputation. He gave five numbers including one encore number and probably his last group had the greater popular appeal. Schubert's Ave Maria and Kreisler's "Liebes Freud" are always favorites with music lovers and they achieve their highest beauty only when coming from a master bow as is wielded by Mr. Graham. With consummate ease and the appearance of complete detachment Mr. Graham draws ecstasies in sound from his "singing fiddle."

Professor Hobson is always a great favorite with Salem audiences but is only seldom that Salemites are privileged to hear him in concert. The opportunity in last night's program was enjoyed thoroughly by his appreciative listeners. He opened the program with the aria from Handel's "Messiah," "Why Do the Nations Rage?" He gave a truly Highland interpretation to the "Pipes of Gordon's Men." In the third group Mr. Hobson presented two plaintive Coleridge-Taylor numbers and for his encore the beautiful "Drink to me Only With Thine Eyes."

"My trouble began by small pimples forming on my face, arms and body. Some of the pimples were large and red and a few of them festered and scaled over. The pimples were worse on my face and arms, and sometimes they hurt terribly.

"I read an advertisement for Cuticura Soap and Ointment and sent for a free sample. It helped me so I purchased more, and in about three weeks I was completely healed." (Signed) Miss Anna Wolff, R. 1, Box 25A, Central Point, Ore., July 8, 1924.
