MAN WHO DIED AT EOLA NOT WEALTHY, CLAIM

Dalla, Or., April 24.—The theory that Frank Logan, 86-year-old indigent who died Sunday in Salem following a paralytic stroke in his shack near Eola, was heir to a wealthy middle west estate has been exploded by further investigation by A. L. Keeney, county coroner.

It is now thought that Logan had used a supposedly fraudulent letter from Ohio, stating he was heir to a \$75,000 estate as a means of securing a loan of \$300 from a neighbor, and that he lived in concealment following that incident until his death. This is the assumption now held by Coroner Keeney and County Judge Hawkins and it is probable Logan will be buried as a county charge.

So serious is this condition of "nerves" that for years many of the world's leading scientists have devoted their time and thought to perfect a remedy for such cases. Heretofore no sure relief has resulted.

An eminent physician in San Francisco now comes forward with what has been proved a remarkable discovery. Taking as a basis the science of Homeopathy, endorsed by leading physicians and scientists has evolved a method of treatment for "nerves" that has met with amazing success in thousands of test cases and in scientific clinical experiments.

This treatment is now available in the form of Eona Neuritis Tablets. These tablets not only bring relief in cases of nerve pain, but they tone up the exhausted nerve cells, thereby revitalizing the entire nervous system. They are absolutely harmless and contain no narcotics, bromides or coal tar products. Your druggist will recommend them.

STOP "NERVE" ATTACKS BEFORE HEALTH BREAKS

To many, neuritis is but a series of sharp, agonizing pains. Sometimes these pains are called neuralgia. Often they are known as rheumatism. Vaguely the sufferer knows that such pains are caused by a disordered condition of the nerves. But wise doctors shake their heads gravely over such symptoms. They know that these pains often herald the approach of very serious, and oftentimes fatal, results unless the cause of the trouble is removed and the pains stopped.
