Glee Club Gives Home Concert

The Willamette university girls' glee club gave their home concert in Waller hall last night before an audience which practically filled the hall. The numbers chosen for presentation were admirably suited to the fresh young voices and the entire program showed a nicety of balance. There was no attempt at anything ponderous and heavy, the majority of the numbers being of the semi popular type.

Six ensemble numbers were given by the group, opening with Dana's "It Was a Lover and His Lass" and closing with the singing of Willamette songs with banjo accompaniments. Each number only strengthened the conviction, received during the rendition of the first, that the group of twenty six voices was excellently trained, that all of the voices blended admirably into a whole, and that there were no ragged edges about the performance—a fault so often found in group singing.

Adding greatly to the program were the eight soloists, each of whom was recalled for an encore, sometimes more than one. The soloists were Helen Selig, violinist; Faye Sparks, soprano; Trieta Wenger, contralto; Sadie Jo Read, reader; Gladys McIntyre, soprano; Mildred Grant, pianist; Aldeane Smith, soprano, and Fay Spaulding, soprano. The surprise of the evening was a clever feature inserted during the second half of the program in which two of the singers gave a short skit on "Dutch Love."

Prof. E. W. Hobson is director of the club, Miss Faye Sparks assists him, and Miss Mildred Grant is accompanist.

The singers are, first sopranos, Elizabeth Silver, Helen Mae Lockwood, Gladys McIntyre, Faye Sparks, Fay Spaulding, Aldeane Smith, Lena Gilbert and Beulah Pangburn; second sopranos, Lucia Cecil, Helen Johnson, Gladys Gilbert, Gladys Morton, Virginia Van Horn, Zelda Mulkey, Beryl Masters and Margaret Arnold; first altos, Eloise Heineck, Velena Jenks, Trieta Wenger and Ruth E. Ross; second altos, Marion Wyatt, Frances Hodge, Angeline Ryan, Ruth O. Heineck and Elaine Chapin.

The platform in Waller hall was completely transformed into a spring garden last night, the thatched cottage at the far end was complete even to the roses growing round the door.

AFTER BABY WAS BORN

Mrs. Miles Was Miserable a Long Time—Owes Final Recovery to Lydia E. Pinkham's Vegetable Compound

Dover, Ohio.—"After my last baby was born I was up and around again, but I was sickly all the time and did not know how to get my work done. I had washed a heavy carpet and I think that was the cause of my troubles. I went to several doctors, but their medicines did not do me any good. I asked what the trouble was, for I could hardly walk and always had such pains in my left side and then in my right side. He told me I had inflammation that caused it. I had one of your text-books and was reading it, and I thought I would take Lydia E. Pinkham's Vegetable Compound. After four days of taking it I began to feel better, so I took three bottles without missing a dose. That helped me more than any other medicine I had yet taken and I always have it handy now. It surely did put me on my feet again."—Mrs. JAMES MILES, 419 Cherry Street, Dover, Ohio.

You must believe that a medicine that helps other women will help you. For sale by druggists everywhere.

CONSTIPATION means SUFFERING

Poor little thing! It can't tell when the milk is wrong, or it has a little cold, or any of the hundred things that might happen to one so young! But nature can—and does. The baby becomes constipated, it cries, it frets. That is the warning to look out. Danger and disease are lurking in the body. All the poisons are bottled up in that little frame. Relieve this condition at once or you may have a very sick child.

Dr. Caldwell's SYRUP PEPSIN

The Family Laxative

It's Nature's relief for constipation—Egyptian senna, pepsin and pleasing aromatics in a pleasant tasting liquid combination prescribed by Dr. Caldwell for years in his extensive practice and used throughout the country for over 30 years.

Gentle As Nature—
Pleasingly Sweet

Nor is baby the only one who needs it. As effective for old as for young. Your bowels should act at least twice daily. Do they? If not, assist Nature as millions are doing annually. Buy a bottle of Dr. Caldwell's Syrup Pepsin now and use as directed. More than 10,000,000 bottles sold annually.

It is sold everywhere medicine is sold—and guaranteed. Try it at our risk. Your druggist will return your money if it fails to do as promised.
