PORTLAND BUILT SHIP REPORTED AS IN DISTRESS

Halifax, N. S., May 1.—Several members of the crew of the schooner Cape D'Or lost their lives last night when the schooner sank off the Nova Scotia coast after being rammed by the steamer Clackamas.

Estimates placed the loss of life at from four to six men.

New York, May 1—The faint S. O. S. from a ship in distress, heard here last night, was reported to Halifax by the Red Star Zeeland, as coming from latitude 44, longitude 64, remained unexplained today.

The Zeeland, after reaching the spot at 9 p. m., and standing by in a dense fog, sent at 11:15 p. m., a further message that she had picked up the word "Clackmas."

It was thought that the ship might be the British steamer Clackmas which sailed from New port News on April 28 for Halifax, a wooden craft of 1724 tons net, loaded with coal. The Clackmas is owned by W. N. MacDonald of Sydney and Ottawa and was purchased a few months ago from the United States shipping board, having been built at Portland, Oregon, in 1918.

The United Fruit steamer San Gil, from Boston to Halifax, was ment of marine and fisheries to proceed to the location mentioned in the S. O. S. but no report was received from her.

Local stations were unable to ascertain the name of the ship or its position and estimated that it must have been sent by a vessel approximately half way between the United States and Europe.

MEDICAL DIRECTOR OF CHILD HEALTH WORK ARRIVES

(Continued from page one)

average, and over 75 per cent, which is the case here, is greater than ever before in the history of the demonstration. "The contrast is really extraordinary," says Dr. Brown.

A total of 454 children in Marion county have been examined by members of the demonstration staff. Of these 139 were under school age, 405 being in the first grade or above. All examinations are entirely on a voluntary basis.

The percentage of children for whom services are accepted is also extremely high for the early stages of the demonstration, the report shows. Exact percentages are as follows:

Pleasant point, 82.4; Rickey, 64.1; Rosedale, 82.3; Sunnyside, 72.7; Hubbard, 54.6; Union, 54.9; Victor Point, 100; Belle Passi, 57.2; Pringle 71.2; West Stayton, 70.

At the time examinations were made, suggestions were made to the parents if necessary for the correction of any possible defects in the child's physical condition. One of the main purposes of the demonstration is to get the cooperation of the parent.

Dr. Warner, who arrived to take up her work here today, is a native of Oregon. She has devoted herself to health work for children for many years. For the past three years she has been director of the division of child hygiene for the Oregon state board of health. As director of medical service for the Marion county child health demonstration she will devote full time to work for child health in this county. She recently returned from a trip to London.

OBSERVANCE OF MAY DAY IS ORDERLY

workers' party when this place was raided, demanded that the raiders show their search warrants for breaking into the desks and their authority for ordering those present out into the street.

Foster said after the meeting that he would make formal complaint with Police Commissioner Enright.

Police today are guarding all public meetings and the homes of all noted men and public officials.

Italy Is Quiet

Rome, May 1.—(By Associated Press.)—May day was reported to be tranquil throughout Italy as a result of mobilization of police and facist militia in all large cities and thorough precautions by the authorities everywhere to prevent possible attempts at violence.

Raids of communist headquarters and arrests of suspects continued throughout the country.

Paris, May 1.—(By Associated Press.)—Paris wore its customary aspect this May day morning except that there were no taxicabs on the streets due to the drivers' 24-hour abstention from labor.

The atmosphere of calm was expected to prevail throughout the day, for the authorities had taken exceptional precautions but there was an even more deterrent in the shape of rain, which had been falling steadily all last night and which was predicted to continue.

Permits were issued by the authorities for four big meetings outside of Paris, but no parades will be tolerated, either inside or outside the city.
