LUTHERANS OPEN ANNUAL SESSION PIERCE SPEAKER

Silverton, Or., May 4.—(Special.)—The Lutheran Brotherhood of Oregon convention opened at Silverton, Saturday afternoon, with a meeting of the governing board. At this time general business was attended to and a number of committees made reports. Two matters taken up of particular interest was those of the Brotherhood accepting the trusteeship of the Sevenson Old Forks home, which is about to be established at Eugene, and whether or not the Brotherhood should take over the publishing of the Parish Messenger. It was decided to leave the matter in the hands of the committee of recommendations. This committee is composed of Rev. William Schoeler of Aurora, Rev. R. Bogstad of Bend and Rev. I. M. Stubbs of Glendale. A. O. Nelson, president of the Silverton unit, is advisory member.

Other committees appointed were: Resolutions of thanks—Dr. E. Thorstensen of Eugene and Rev. Mr. Schoeler of Aurora; nomination—A. Graham of Aurora, Rev. R. Bogstad of Bend, D. Edgar of Brush Prairie, Wash., Rev. I. Knutson of Chinook, Wash., L. L. Cleve of Eugene, Rev. S. E. B. Knutson of Portland, Rev. George Koehler of Salem and A. O. Nelson of Silverton.

Dinner was served to eighty people at Trinity church Saturday evening by the Dorcas society. Following the dinner hours a program was given which was open to the public. A very large number of Brotherhood members and visitors attended the program. This consisted of invocation by Rev. J. A. O. Nelson of Tacoma, Wash.; address of welcome by A. O. Nelson; vocal solo by Rev. I. N. Stubbs; with piano accompaniment by Professor Benjamin Edwards of Eugene; piano solo by Miss Ingeborg Goplerud of Silverton; reading by Rev. William Schoeler of Aurora; selection by a male quartet composed of Rev. S. Lindseth, Louise Larsen, Jonas Elyberg and Oscar Overlund, all of Silverton; addresses by unit presidents and representatives of the Brotherhood. Among the units represented Saturday evening were Salem, Eugene, Portland, Bend, Chinook, Brush Prairie, Wash., and Aurora. A representative of the Near East relief was also present and addressed those assembled. G. B. Paraoungin spoke for the Armenians.

Following the program the appointment of the two following committees was made: Reception—Amos Corhouse and Carl Lee; usher—Amos Corhouse, Carl Lee, Jonas Byberg, Victor Madson, Harold Larson, H. N. Kieeb, Silas Torvold, Ole Satera, M. C. Jacus, Selmer Rindland, Arthur Gotenberg and H. E. Jorgenson.

Several hundred people greeted Rev. J. A. O. Stubbs, Minneapolis, Minn., president of the Lutheran Brotherhood of America, at the Eugene Field auditorium Sunday morning when he delivered the Lutheran Brotherhood convention sermon. Rev. Mr. Stubbs took for his subject, "According to Your Faith, So Me It Unto You." He went on to say that genius is not purely a matter of accident or birth. It is hard work and the following of a star. In closing he emphasized the point that was not so much that we need more inventions as we need more religion.

"The greatest undeveloped resource in America today is the soul power of our country," Rev. George Henriksen of Silverton officiated during the morning services. Musical numbers were selections by the combined St. Johns and Trinity choirs and a vocal solo by Tom Kaarhus with accompaniment by Professor Benjamin Edwards of Eugene.

Sunday afternoon 1200 people assembled at the auditorium when Governor Walter M. Pierce gave the principal address. One might say the topic of the afternoon was "Co-operation." Alfred O. Nelson, president of the Silverton Brotherhood and presiding officer during the afternoon session first introduced the subject of co-operation.

Rev. O. Skilberg, president of the Oregon Brotherhood, carried on the topic dealing with it from the standpoint of the relations toward one another and the plans and purposes of the Lutheran Brotherhood. Mrs. Gordon McCall had for her subject, "The Need of Co-operation." Mrs. McCall particularly stressed the point of co-operation in religion and Governor Pierce carried the thought into his talk by encouraging co-operation in the affairs of the church, the country and the home. Mayor George Burr of Silverton gave the address of welcome.

Musical numbers during the afternoon were piano selections by Professor Edwards, a concert by Trinity band and vocal solo by Rev. I. N. Stubbs and Miss Marie Corhouse.

Authority On Eating

She never dined at the Ritz nor dipped tea in Greenwich village. No sir! Not Lotus. But regardless of this fact, she can give the average frequenter of the best restaurant a lesson or two when it comes to eating.

For Lotus knows all about table manners, and why shouldn't she? She eats a bushel of carrots and a bale of hay every lunch hour and washes it down with a barrel of "agua pura". Lotus is the largest and only performing blood-sweating hippopotamus in the world. She will entertain you

when she comes to Salem Thursday, May 7, with the Al G. Barnes Big 4 Ring Circus.

Lotus doesn't mind being fat and proves it by eating more and more every day. And she's impatient sometimes—when she's real hungry. When her owner and trainer, Al G. Barnes, is a trifle slow, she says, "Let go of those carrots, Al G. and make it snappy!"

Lotus is only one of the 2,000 trained wild animals and 550 educated horses in the Barnes circus.

The feature of the age, "Pocahontas at the Court of Queen Anne", the extravaganza, which includes in the gigantic cast over a hundred pretty girls from sun-kissed California and three tribes of Indians from Arizona, Nevada and New Mexico. Most of the ballet and chorus girls in the cast have appeared in West-Coast motion picture productions.

You will also see the greatest movie star of them all—Joe Martin, himself.

It's the show that's distinctly different every year.

FOUNDERS' DAY SETS RECORD AT CHAMPOEG PARK

Champoeg Park, Or., May 4.—Eighty-two years had rolled over the world and old Champoeg on Saturday since the famous event which made the Oregon country a part of the United States. For 25 years the pioneers and citizens of the state had been celebrating the event on the spot. Saturday nature outdid herself to welcome the pioneers and the sons and daughters of pioneers back to the hallowed ground.

Old timers say that Saturday's celebration was the most successful yet held, indicating that rather than losing interest in making it a permanent possession. The last half of the track meet will be held Wednesday afternoon of next week.

An interesting feature of the meet is that the two track men winning the most individual points are brothers, Dwight Kircher, a senior, and Lloyd Kircher, a freshman.

Mr. and Mrs. H. B. Klopfenstein, who are employed at the Oregon state hospital, were at Silverton during the past week and closed a deal for the M. A. Dickerson place, on which J. Ogden now

owns. The story of the early pioneers and their struggles was briefly recounted by C. B. Moores of Portland. F. V. Holman, president of the Oregon Historical society described the event of May 2, 1843, when the pioneers were celebrating. C. T. A. Walker of Newberg furnished violin solos. J. U. Smith, Hillsboro, son of one of the participants in the original event at Champoeg, gave an interesting talk and at his request the chairman read Sam Simpson's poem, "Beautiful Willamette."

Mrs. Mary Howard, 31 years, gave one of the old time pioneer dances, and Professor J. L. Oliver, Portland, spoke of Joseph Bechtel's contribution to the development of Portland. B. F. Irvine, editor of the Portland Journal, talked of the part played in the development of Oregon by the pioneers. S. T. Walker sang an original song, "Oregon, My Oregon," and J. D. Lee recited an original poem. Among other speakers were Mrs. Edith Tozier Weathered, H. D. Waggon and Dr. Owens-Adair. Singing concluded the program.

Mr. and Mrs. Clarence Moody, who have been making an extensive tour of Arizona and California, have returned to Salem and are at home to their friends at 272 Cottage street. Mr. Moody states that they enjoyed their trip very much, but that there is no place just like Oregon.

The motorist on the Pacific highway north will miss the bright beauty of the tulip blossoms. Owing to the rain and cold weather their season was unusually short and only a few bright spots of color remain to show how beautiful they were.

Miss Elsie Grandstaff and Mr. Thomas Sims were married Sunday afternoon at 2 o'clock at the home of Mr. and Mrs. Grandstaff. The Willey Waiters officiated. The young couple will reside in Portland at the Casa Rosa apartments. The entertainment given at the Hayesville school house by Perry Reigalman was very much enjoyed by those who were fortunate enough to attend, but owing to the disagreeable weather and flu there was not such a large crowd as was expected.

Mrs. Menzies is expected home Friday from Montana, where she was called by the death of her mother. Mrs. Chester Armstrong is still visiting at the home of Mr. and Mrs. Jacob Denny. SILVERTON NEWS

Silverton, Or., May 4.—(Special.)—At the close of the first half of the interclass track meet Thursday evening the seniors were ahead with a score of 25 to that of the freshmen score of 18. Juniors came in third with 18 points and sophomores fourth with 14 points.

A keen interest is being shown in this track meet. Not only are all of the students watching the event with anxiety but a number of townspeople are taking considerable interest in the affair. Three years ago Julius Alm, a well known Silverton merchant, offered a silver trophy cup as a prize to the class winning it three years in succession. For the past two years the 1925 class has won it and stands a fair chance in making it a permanent possession.

The last half of the track meet will be held Wednesday afternoon of next week.

An interesting feature of the meet is that the two track men winning the most individual points are brothers, Dwight Kircher, a senior, and Lloyd Kircher, a freshman.

CONVICT'S DEATH BRINGS PROTEST

Washington, May 4.—Secretary Kellogg has forwarded to Governor Richardson of California a note from the Mexican embassy complaining that in February, 1924, a Mexican named Antonio Hernandez was killed by inmates of the penitentiary at San Quentin, Cal., and that no steps apparently have been taken to punish the guilty.

The note was presented to embassy officials upon instructions from Mexico City and asked that the California authorities investigate the killing and punish not only those who killed Hernandez but those who made the attack possible.

Secretary Kellogg wrote the California governor that he had no doubt the state would make a careful investigation and take such action as the facts warranted. In a reply received April 24 the governor said the papers had been referred to appropriate authorities for investigation and promised to advise the state department what might be disclosed.
