SUITCASE BOMB AMATEUR WORK

Spokane, Wash., May 5—An infernal machine received here Monday evening by officers of Electa chapter, order of Eastern Star, was sent from Los Angeles by express on April 30, a message to the Chronicle from the Los Angeles police today said.

Packed in a satchel, it was a contrivance of smokeless powder and small shot which police at first said might have killed fifty persons had it not failed to explode when it was opened through failure of electric batteries it contained to ignite the powder.

While police here entertained the theory that the sender might have intended to blow up the newly rebuilt Masonic temple here, to which the package was directed, it was pointed out that because smokeless powder had been used instead of black powder, not only would the intended bomb have failed of this purpose but that had it ignited, the powder would have burned slowly and not exploded because of its loose condition in the satchel.

Officers of the lodge were at a loss to know why an attempt at violence should have been directed at them.

OFFER BONUS FOR TIPS ON RUM RUNNERS

(Continued from page one)

ergency or relief use, while twenty two more have been similarly mobilized at Atlantic City.

Coast guard heads still maintained secrecy concerning their movebents. But it was reported that the aerial rum pursuers would be used in making photographs of all the rum galleons, in addition to doing scout work in the detection of shore boats attempting to make their way to or from the liquor freighted ships.

The Mojave returned to this port today to convoy the 18 boats added from the local base. Her captain reported there had been no activity on the row last night, that the contrabrand carriers received no visits from shore and that the new blockade, which is the chief feature of the so far bloodless war, was 100 per cent effective to date.

New York, May 6.—Through the censorship accompanying Uncle Sam's blockade of the rum fleet there filtered today news of increases to the greatest dry armada ever in action. Came too, suggestions that the Great Lakes as well as the Atlantic would be the scene of a blockade.

Twenty one boats have gone from New York to watch the liquor fleet, boat for boat, on a fifty mile front an hour's steaming distance from shore. Twenty five craft from New England ports joined those from New York.

Twelve more rum chasers are ready to depart for the scene of action from their Staten Island base.

Reports from Detroit say that a dry fleet of ten craft is expected to be ready by summer for action in the Great Lakes. Later it will be supplemented by another fleet, construction of which has also started.

Rum row's finish is foreseen by R. Q. Merrick federal prohibition director for New York and northern New Jersey. Already the increased activities of the coast guard have cut down liquor importations by 90 per cent, he said.

One prize is already reported. After a five mile chase that involved shooting and bloodshed, a speeding liquor boat was beached at Seabright, N. J. Machine gun bullets from a unit of the dry navy disabled the helmsman of a 45 foot craft with two liberty engines of 250 horsepower each. After beaching the craft, the men abroad escaped. There were 250 cases of liquor aboard and a pool of blood was noted in the cockpit.

Although government authorities would not discuss operations in the air against the rum fleet, seaplanes were reported cooperating with the coast guard blockade. A dozen or more planes went to sea from the narrows early today.

14 LOSE LIVES IN TWO FIRES SIX FIREMEN

(Continued from page one)

to have been burned to death in the fire that followed the explosion.

The body of one man was identified, but the others were burned beyond recognition. Several persons were injured and two children taken to hospitals were believed to have been fatally hurt. Several adjoining buildings were damaged.

Fire Marshal Thomas L. Pfaar expressed the opinion that the blast had been caused by a bomb.

Six Firemen Killed

Atlanta, Ga., May 6.—Six firemen were killed and four injured here early today when the upper floor of a building in which they were fighting fire collapsed, the men being buried beneath bales of cotton that had been stored on the second floor.

The building was a two story brick structure used for storing cotton. The firemen were fighting the blaze from the ground floor when the roof and upper floor fell in, sending them down beneath a weight of cotton bales.

Captain C. O. Bone and Lieutenant R. L. Dennard were among those killed.

Four other firemen, F. F. Wilson, L. M. Smithl E. S. Konkle and C. C. King, were dead when their bodies were taken from the ruins.

NOTICE

Of Intention to Improve Lee Street From Fourteenth Street to Seventeenth Street.

Notice is hereby given that the Common Council of the City of Salem, Oregon, deems it necessary and expedient and hereby declares its purpose and intention to improve Lee Street from the east line of Fourteenth Street to a point which is 414 feet east of the east line of Seventeenth street, at the expense of the abutting and adjacent property, excepting the street and alley intersections, the expense of which will be assumed by the City of Salem, by bringing said portion of said street to the established grade, constructing cement concrete curbs and paving said portion of said street with a six inch cement concrete pavement in accordance with the plans, specifications and estimates therefor, which were adopted by the Common Council April 20, 1925, now on file in the office of the City Recorder and which said plans, specifications and estimates are hereby referred to and made a part of this notice.

The Common Council hereby declares its purpose and intention to make the above described improvement by and through the Street Improvement Department of the City of Salem.

Written remonstrances may be filed with the City Recorder of said City against the above proposed improvement within ten days from date of final publication hereof.

By order of the Common Council April 20, 1925.

M. POULSEN, City Recorder.

Date of first publication hereof is April 25, 1925. 109*

NOTICE

of Intention to Improve Church Street from Lefelle Street to Howard Street

Notice is hereby given that the Common Council of the City of Salem, Oregon, deems it necessary and expedient and hereby declares its purpose and intention to improve South Church street from the south line of Lefelle street to the north line of Howard street, at the expense of the abutting and adjacent property, excepting the street and alley intersections, the expense of which will be assumed by the City of Salem, by bringing said portion of said street to the established grade, constructing Portland cement concrete curbs, and paving said portion of said street with a six inch Portland cement concrete pavement twenty four feet wide in accordance with the plans, specifications and estimates therefor, which were adopted by the Common Council May 4, 1925, now on file in the office of the city recorder and which said plans, specifications and estimates are hereby referred to and made a part of this notice.

The Common Council hereby declares its purpose and intention to make the above described improvement by and through the Street Improvement department of the City of Salem.

Written remonstrances may be filed with the city recorder of said city against the above poposed improvement within ten days from the date of final publication hereof.

By order of the Common Council May 4 1925.
