

SALEM WINS FROM NEWBERG SCORE 6 TO 3

The Salem high school baseball nine won a hard fought game from the Newberg high school nine yesterday afternoon on the Oxford park grounds by a score of 6 to 3. The locals were on the offensive at all times, with the visitors in the lead nearly all of the game until the eighth inning when the locals clinched the game. It was the second defeat of the season for the Newberg nine having lost their other game to the locals at Newberg when the red and black nine took them into camp by a 12 to 7 score.

In the third inning the Newberg team took the lead when they scored one run. Drager came in too far on Courtney's liner and allowed Courtney to go to second. Renne beat out a sacrifice and Courtney went to third. Courtney was caught off third, Kelly to Girod to Kelly. Renne went to second on the fly. Heard hit a hard liner to Louie Girod which Girod was barely able to knock down and Renne crossed the plate with the first run of the game.

The locals tried hard to overcome the one run lead but were unable to hit safely until the sixth inning when they tied the score at one all. L. Girod, first man up drew a base on balls. Girod laid a nice sacrifice down the third base line and his brother went to second on his out at first. Drager went out. Board to Renne, L. Girod scoring on the play. Gould hit the ball over the right field fence but it was foul and struck out on the next ball.

The visitors took the lead again in their half of the seventh when they gathered four hits. McKern got a hit to right. Elliot got a hit and McKern went to third. McKern was caught between third and the home plate. Richardson got a hit and Elliot dented the rubber. Courtney flew out to Heenan. Wolgemuth flew to Drager.

The locals were unable to get a score in the seventh but in the eighth they snatched the game out of the fire and put it on ice. L. Girod flew to center. P. Girod got a hit. Gould hit a hard liner between short and second which went for a double. P. Girod going to third. Fabry was given a positional base on ball to get Heenan, who has been in a slump. Fabry filled the bases but Heenan thought there were too many players in the field and called them in when he clouted the pill over the right field fence scoring four runs. The ball sailed miles over the top of the boards. The visitors got on run in the ninth inning, and were going strong, but Ellis fanned Wolgemuth for the last out.

The lineup for the game follows: Salem—L. Girod, ss; P. Girod, 2b; Drager, lf; Gould, cf; Fabry, rf; Heenan, 3b; Kelly, c; Rogers, 1b; Ellis, p. Newberg—Courtney, 3b; Renne, 1b; Wolgemuth, c; Board, ss; Hanville, rf; Switzer, 2b; McKern, lf; Elliot, cf; Richardson, p. Shaw went on the mound for the visitors after Heenan's home run and Richardson went to second for Switzer. Friday the locals will meet the Silverton aggregation and Saturday they will clash with the Corvallis nine.

Oregon's Splendid Highway System Must Be Preserved

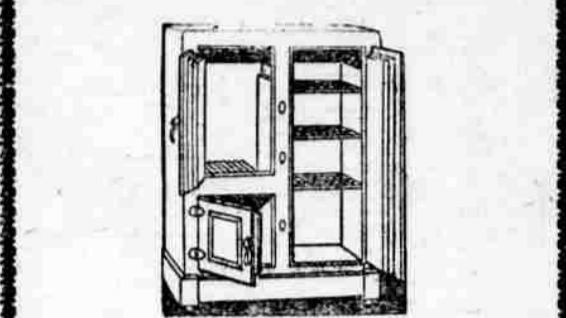

In their desperate appeal to get the people to sign the referendum petitions on the Truck and Bus Bill some of the circulators in the City of Portland and throughout the State are telling the public that the Bill increasing license fees charged for Hire Trucks and Buses is intended to drive Trucks and Buses off the paved highways. Other petition circulators are telling the people that the Bill is only aimed at buses and not at trucks. Neither of these statements is true. There was no intention on the part of the Legislature to drive Trucks and Buses off the roads but the Legislature did intend in passing that law, to require these enormously heavy for Hire Trucks and Buses to contribute more money in license fees to be used in repairing the terrible damage that they are doing to our fine roads all over the State every day.

Don't be misled into signing these petitions by fairy stories told you by circulators of these petitions. There is no desire on the part of anybody to drive Trucks and Buses off the roads, but everybody feels that these ten ton to twenty ton Trucks and Buses that are running on the roads for hire ought to contribute in license taxes more than they do toward repairing the damage they are doing to our paved roads. The total amount of license paid per year by all the Trucks and Buses operating in Oregon will not repair ten percent of the damage they are doing to the roads.

Don't sign these referendum petitions and tell your neighbors not to do so.
