MRS. KANTNER TO HEAD NEAR EAST DRIVE IN COUNTY

Mrs. W. C. Kantner of Salem has been appointed by J. J. Handaker, director of the Near East relief, as chairman of Marion county bundle day, May 20.

Salem folks have always responded liberally to the Near East relief, states Mrs. Kantner, "and it is very easy to see why they should. Of course suffering appeals to us everywhere, but when we have in our own community the relatives of the ones who are suffering, we naturally take a greater interest than where the suffering ones are total strangers to us."

During the last three years one and a half million people have been relieved to exist; 32,000 Near East relief orphans went with their elders from Turkey to Greece. The efforts of the league of nations, the Greek government, the American and British relief agencies, and most of all, the people themselves have brought a million of this vast horde back to self-support, but a half million are still homeless, and for these we are asking for clothing on bundle day.

Signs will be put this week where clothing may be brought, and everything in the way of wearing apparel, except shoes, is greatly needed.

The campaign recently put on by the National Retail Shoe Dealers brought in enough shoes for the coming year. The results of this campaign were not known until after much of the printing for bundle day was done.

to have a good APPETITE!

Yes! thank you. A GOOD appetite means a cheerful disposition. You may have a good appetite if the blood that goes constantly to your vital organs is pure. S.S.S. purifies the blood—a good appetite follows and you will have a clear complexion and will be strong, cheerful and healthy. Don't go on feeling up one day and down the next—hardly sick but never well—losing "pep," punch and ambition. Hearty eaters are the red-blooded men and women. Enjoy your food! Get back your strength and energy! Reclaim yourself before it is too late! People in a physically rundown condition are an easy prey to disease. S.S.S. is what is needed. Your blood needs purifying. Your blood-cells supply the energy which keeps your body well and fit. S.S.S. aids Nature in supplying new red-blood-cells—the spark that renews your system. Carefully selected, scientifically proportioned and prepared herbs and barks make up S.S.S.—the great blood purifier which gives Nature a helping hand. Get back the lost appetite, the missing vitality, the keen, sparkling eyes, that look of determination. S.S.S. will give you more energy, vitality and vigor and a more up and going appearance. S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.
