## SALEM VICTOR O'ER SILVERTON HIGH SCHOOL

The Salem high school baseball nine defeated the Silvertown team at Silvertown yesterday afternoon by a one-sided score of 13 to 1. The game would have been a shut out for the local pitcher had he not caused trouble. Both sides played poor ball, making several errors. The locals won the first game on the Oxford diamond. This afternoon the locals are crossing bats with the Corvallis nine.

The line-up for the locals yesterday follows:  
L. Ghrod, ss; P. Ghrod, 2d base; Drager, lf; Gould, cf; Fabry, p; Heenan, 3b; Kitchin, rf; Kelly, c; and Rogers, lb.

**Sensors to Play**  
Weather permitting, the Salem Senators will clash with the strong Hillsboro nine on the Oxford park diamond tomorrow night. This will be the fourth game of the inter-state league which the Senators are leading with three wins and no defeats. The Hillsboro nine has a strong aggregation and are hoping to take the locals into camp.

Harham and Edwards will probably form the battery for the Senators although there is a possibility of Ashby starting the game. The game will start at 2:00.

The El Grotto baseball nine upset the dope and defeated the Valley Motor nine on the Oxford diamond yesterday evening by a one-sided score of 8 to 2.

The Grotto team took on life in the fourth inning with the score tied at 2-2. Race for the motor players let down a little and the Grotto nine hammered the pill all over the lot for a total of six runs. Both of the teams made several errors but with a little practice will be the class of the league. In the last frame Race tightened and displayed real ball.

Macy and Simeral of the Grotto nine were the stars of the game, hammering the ball to all corners of the lots.

The Wow team, which was recently organized will meet the Casers on the Fourteenth street diamond tomorrow afternoon. Manager Hawk of the Wow team thinks that he will be able to take the Casers into camp. They are practicing hard for the game, however, the Casers have a strong team and are planning on doing the same to the Woodmen. Manager Kilian is in charge of the Knights of Columbus team.
