At Last—a Blonde Hair Shampoo!

Keeps Blond Hair from Darkening—Lightens Faded Blonde Hair

When light haired people wash their hair in an ordinary way, a thin film of oil is left on each hair, which collects dirt and dust, causing the hair to darken. That is why blondes should always use a special shampoo. For while light hair is always attractive, its beauty is lost just as soon as it becomes uncertain in color, dirty looking and streaky. Blondex, the new Swedish light hair shampoo, not only keeps blond hair from darkening, but actually brings back the true golden beauty to even the dull and most faded blonde hair. Makes hair fluffy, silky. Highly beneficial to both hair and scalp. It is not a dye. Contains no injurious chemicals. Does not irritate, and is not soiled. Get Blondex today at all good dealers, such as Dr. J. Fry drug store, J. C. Perry, Emil A. Schaefer, Capital Drug store, P. E. Graber—Adv.

Tortured for years by varicose veins Trouble entirely healed by Resinol

Chicago, Ill., Oct. 23.—"I had suffered from varicose veins for 2 1/2 years and had doctored continuously without result as I could not keep off my feet. The pain was so great that I could not sleep and I cried at night until I was completely exhausted. My hair was turning gray and I thought I would lose my mind. Last summer my son had a sore on his chin and Resinol healed it, so I decided to try it myself. In little less than a week I obtained relief and in six months time the trouble was entirely healed. I cannot tell you how thankful I am—I am the happiest woman in the world and I owe it all to Resinol." (Signed) Mrs. Gussie Newman, 2424 Orchard St.
