The Salem Senators are still leading the Interstate league by virtue of their victory over the fast Hillsboro nine on the Oxford park grounds yesterday afternoon by a score of 4 to 1. The game was filled with crabbing at the umpire on both sides. The Hillsboro nine threatened to protest the game in the fifth inning when one man fouled out to Keene. Barkholder, next man at bat for the visitors was hit by a pitched ball and went to first but Hauser called him back as he failed to get out of the way. Barkholder did lean back but leaned into the ball. After much discussion which threatened to turn into a battle royal the game was continued. Barkholder then proceeded to fly out to Bouton.

The field was still rather soggy from the rains the last two days and several errors were made. Neither side was able to make a count until the fourth frame. Both made all of their runs in that inning. Hutt, first man at bat went out, Maples to Keene. Kreitz got a single. Myers got a hit and sent Kreitz to second. C. Henderson was safe on Maples error and Kreitz went to third. Cole hit a nice sacrifice fly to Steers and Kreitz crossed the platter with the first run of the game. R. Johnson walked but G. Henderson went out, Maples to Keene.

**Score in Fourth.**  
 In their half of the fourth the locals gathered their four runs when eight men went to bat. Barry was issued a pass to first. Edwards crabbled at a couple of high ones which Hauser called strikes but proceeded to get the first hit of the season at home when he placed it between second and first sending Barr to second. Gould went into run for Edwards. Ashby sent a nice bouncer to Myers for a sacrifice and advanced the two runners. Bouton sent a sacrifice fly to left field and Barr dented the rubber to tie the game at one-all. Gould was held at second. Proctor got a Texas leaguer into right field after sending the ball miles over the left field fence for a foul by a few inches, and Gould scored. Coleman was safe on C. Henderson's error. Steers got a two-base hit sending Proctor and Coleman

across the rubber. Keene fanned. Myers struck out three of the Senators but issued nine walks, while Ashby pitched good ball after the early innings. He allowed only six scattered hits, struck out three and walked two. In the third inning the locals were in hot water when the visitors got the bases loaded with no one out.

**Full Out of Hole.**  
 Cole was safe on Maples' error. R. Johnson got a free ride to first and G. Henderson got a hit, filling the bases. McCurdy hit the ball to left field for what looked like a nice hit but Barr made a wonderful shooting catch and Moubled Cole at third, who had crossed the platter and taken a seat on the bench before the ball was caught. E. Barkholder fanned.

The Senators are in for a hard game next Sunday when they cross bats with the Camas nine on the Camas grounds. The locals took a 4 to 2 win over them in the opening game of the season but "Big Bill Kues is working overtime to be in shape to get revenge and the locals will have to play airtight ball to get a decision.

Vancouver evened the score in the fourth and took the lead in the sixth when they scored one run. Luckenbach retaliated in their half of the sixth and scored three runs. **A tire made for the West. in the West!**

**IN A FEW MATTERS** we Westerners gladly hand the palm to our Eastern friends. Building subways and skyscrapers—yes! Football—possibly. Climate—improbably. Pleasure auto driving—no!

We drive more months of the year . . . have greater scenic attractions. The "great open spaces" draw us farther from home. We know roads—and autos—and tires!

Which, in a way, accounts for the success of C-T-C tires. They are built in the West to meet Western conditions.

Eastern engineers came West to build their tires—but they make them for the West as well as in the West!

Today they are ranked as one of the three or four really fine tires in America. They are the largest-selling tires made in a Western-owned factory.
