

### ACCIDENTS AND SUICIDES MANY IN LOS ANGELES

Los Angeles, Cal., May 21.—(By Associated Press)—A strange mixture of suicide and peculiar accidents crowded police blotters in this section during the past 24 hours, a period which also was remarkable for most unusual, dark overhanging clouds and rain.

Mrs. Julian Cahill, 25 year old wife of William Cahill, electrical engineer, was taken to the receiving hospital early today with what police surgeons said was a self inflicted bullet wound in her breast. She told officers she had shot herself so that her husband might be free to go to another woman. Surgeons say she cannot live.

Chester M. Cate, member of a prominent Massachusetts family, head librarian of the nationally famous Huntington library at San Marino, near here, was found shot dead near his automobile on a lonely road in the suburbs. Officers say all evidence pointed to suicide here today. The machine containing Cate was scheduled to appear in court today on a charge of contributing to the delinquency of a minor.

Edgar Collier, tourist, from Michigan, 68 years old, died of heart failure at the wheel of his automobile on a crowded street here today. The machine containing down grade, disorganized traffic, broke a woman's leg and wrecked itself against the side of a building.

Russell Smart, taking the only time available to move from one home to another, started to do so in the early morning hours. A policeman patrolling a beat with a friend, saw Smart carrying parcels and grips in the dark from a house to a waiting automobile. The officer arrested Smart and left him in charge of his friend while he went to call the patrol wagon. When he returned he found Smart on the ground with a bullet smashed knee. The friend said that Smart had attacked him and that he had fired in self defense. Surgeons said that Smart would be crippled for life.

W. J. Brown of Culver City, a suburb, was served with divorce papers by his wife a few days ago. Neighbors found his body on the floor of his home last night, the room filled with gas from an open jet.

Edward Walker, 23, tried to hoist a 100 pound block of ice into a refrigerator. It fell on his head and he died in the receiving hospital.

Walter Cowles, veteran cow-puncher, slipped as he hustled a 200 pound side of beef from a hook in his meat market. It dropped on his head and he is believed by receiving hospital surgeons to be fatally injured.

Joe Hujak, motion picture director, was hit and injured by an automobile. Another car was rushing him to a Glendale hospital and crashed into a third machine, throwing this already injured Hujak out on the pavement. Hujak now has a skull fracture, concussion of the brain and numerous cuts and bruises. He is in a critical condition.

### WAS NOT FIT TO DO HER WORK

**Dreadful Condition of Mrs. Fullerton's Health Remedied by Lydia E. Pinkham's Vegetable Compound**

Clearfield, Pa.—"I cannot begin to tell you how much Lydia E. Pinkham's Vegetable Compound has helped me in every way. Before taking it I couldn't stand on my feet without pains running all through my whole body from my waist down, just like threads pulling. I was not fit to do any work. My mother got me to try the Vegetable Compound and I have found great benefit, and I not only recommend it for such troubles, but to build up the whole system. I have used it for most everything that goes wrong with me. When I begin to feel nervous and irritable I don't stop long in getting a bottle of the Vegetable Compound if I haven't got one in the house. It gives a fine appetite and makes a new woman of me. You may use this testimonial in my own town or anywhere else, and I will answer any letters I receive."—Mrs. RUSH FULLERTON, 625 S. 2nd Street, Clearfield, Pa.

If you are suffering from nervous troubles, irritability, give the Vegetable Compound a fair trial.

**Contrasting the Old With the New!**

When the caravans went into Egypt, carrying the products of the Red Sea district, "buying from one another" had its origin.

When Mr. J. C. Penney arrived at Kemmerer, Wyoming, in the Spring of 1902, economical, modern-day, national distribution of goods through the channel of chain department stores, had its inception.

The history of the growth and success of the Stores that bear the name of Mr. Penney reads like a book of romance and fiction, but in all details it is a corroborative narrative of Right Dealing, Value and Service.

It marks an era of progressive storekeeping.
