BETTER USED CARS FROM POWELL
The GOLDEN RULE is the foundation of our business and it applies to our method of merchandising used cars, as well as it does to the sales of a new Packard, Hudson or Essex cars.
We are just as deeply concerned in the welfare of our used car patrons as we are in our new car customers.
Before a car is offered for sale by us it is thoroughly overhauled. Every operation performed rebuilding our used cars is done with the thought in mind, viz: that when the car is sold it must be a credit to the house of POWELL.
We stand squarely behind each and every one of our used cars for ninety (90) days from date of delivery with the same warranty that you get on any new automobile.
You owe it to yourself to see our cars before you decide a purchase. You will find our prices are no higher than you will find elsewhere for the usual AS IS CAR, and our terms are liberal.
Late model Velie sport touring fully equipped with extra tire complete, side wings, front and rear bumpers, two spot lights, fog light, automatic wind-shield swipe, motormeter on barcap and rear view mirror. Top, upholstering and finish are just like new, tire 90% of original value.

## ADMIT RIFFIAN MENACE SERIOUS

Fez, French Morocco, May 21—(By Associated Press)—It was admitted in military circles here today that the menace of the Riffians under Abd-el-Krim, who recently invaded French Morocco from the Spanish zone, is more grave than had previously been stated. Every possible measure to deal with the situation at a minimum cost of life and money is being taken.

The campaign against the Riffians is about to enter upon a new phase

General Hoeusch, Marshal Lyautey's chief of staff, announced that the reinforcements thus far received will suffice to cover the whole front, permitting the troops to pass from a passive to an active defense and enabling the French to throw back the invaders.
