Charters are being sent out today by County Superintendent Fullerton from the United States department of agriculture to the various standard boys' and girls' industrial clubs in the county.

The Salem Boys' chorus staged a parade through the streets of Salem at 3 o'clock this afternoon, stopping at various corners to sing. The stunt was done to advertise the concert which is to be held at the First Christian church Tuesday night. They were accompanied by a drum corps. There are approximately 80 boys in the chorus, who have been practicing since early winter under the direction of Dr. H. C. Epley. The boys have recently been divided into two groups, called the reds and the blues, and are competing to see which group will be able to sell the most tickets to Tuesday's concert. An ice cream feed is to be given to the group selling the largest number of tickets. The blues led by O. J. Hull, are now in the lead. The reds are led by Dr. Epley. The contest closes Monday night.

The Willamette university track team won over Linfield college by one third of one point in the most closely contested track meet held on the local field in the memory of track fans. The meet was held Friday afternoon. The count stood 59 2-3 to 60 1-3. The fractional awards were made in the high jump, three men tying for third place. Two were Willamette men and one a Linfield representative. The one Linfield jumper, by going over the bar and taking third place for himself, could have sewed up the whole meet. The sprint for the most part went to Willamette, and the distance runs to Linfield.

Nineteen five men were given employment during the week ending today as a result of efforts of the local employment bureau with headquarters at the YMCA building. A total of 192 men applied for work at the local office, of whom 99 were agricultural and farm workers. Sixty one of these were successfully placed in jobs. Out of 44 who applied for work at common labor, 26 were given places. Four women laborers were placed out of 20 who applied. Among the women 20 were given pieces of a total of 35 who made application for work on farms. Four hotel and restaurant workers brought the total up to 24.

443 PUPILS ARE EXAMINED HERE IN HEALTH DRIVE

A total of 443 Salem public school pupils have been examined by the staff of the Marion county health demonstration since it began work here two weeks ago. It was announced this morning. Examinations will be carried on at McKinley and Parrish junior high schools next week. After next week no more work of the kind will be done among local school children for the time being. During the week closed yesterday 245 pupils were examined in the Lincoln, Park, Grant and Richmond schools. Numbers and grades were as follows: Lincoln, 90 pupils examined in grades 4A, 4B and 6A; Richmond, 59 pupils, grades 4A, 4B, 5A and 5B; Grant 51 pupils, grades 4A, 5B and one ungraded opportunity class; Richmond, 54 pupils, grades 4A and 5A.

O. A. C. STUDENTS VISIT PRISON

Sociology students from Oregon Agricultural college, numbering 160, today visited the state prison in the "name" hospital and other state institutions. It was the largest number of visitors that has ever been conducted through the state prison at one time. After inspecting the (flag) plant at the prison a picnic lunch was spread on the lawn just outside the prison front enclosure and following this the students and teachers were addressed by Governor Pierce. The governor spoke briefly on the care of wards in the several state institutions, the address dealing largely with statistics. Questions were invited and the talk was given mainly to answering these, which covered a wide variety of the subjects. The governor was assisted in answering them by Warden Dalrymple and Parole Officer Starrett.

OPEN AIR CONCERT AT SILVERTON PLANNED

HEAD OF FOREIGN WAR VETS IN CITY

William F. Coffin of Cincinnati, national commander in chief of the Veterans of Foreign Wars, arrived in Salem at 1:30 this afternoon and was met by a number of members of the local organization of the Veterans of Foreign Wars, the ladies auxiliary and several members from Portland, who came to Salem especially for the occasion.

Mr. Coffin will speak at the chamber of commerce rooms tonight, following a banquet given in his honor at the Salem armory. He was taken about the city and shown the various places of interest.

The Portland delegation will entertain Mr. Coffin there tomorrow. He will go to Portland either Sunday morning or late Saturday night.

While in Salem, Mr. Coffin is being entertained at the home of Mr. and Mrs. G. E. Terwilliger. Mrs. Terwilliger is president of the ladies auxiliary.

WIFE HITS BACK AT HUBBY'S PLEA

Mattie A. McElroy comes back after her husband's affidavit in which he asserts he receives only \$100 a month and cannot afford to pay the \$100 attorneys fees she asks and other money in connection with divorce proceedings because of expenses which he is under. She not only comes back, but comes back with a real snappy answer filed in circuit court yesterday in which she declares that the defendant's sole expense is the entertainment he is furnishing one Mrs. Alice Ogborn and that said defendant spends money and automobile entertainment upon the said Mrs. Alice Ogborn lavishly.

355 26

Percy G. Groton, 1309 North Cottage street, reports to the police that he accidentally backed his automobile across the sidewalk against a window of the Peerless bakery on Commercial street, but did not break the window.

Chester Pickens reports a collision with an unidentified car at the state house.

David Englehart, route 6, reports a collision with an unidentified car half a mile south of Four Corners on the penitentiary road.

Cars driven by Mrs. C. P. Harmer of Stayton and Mrs. W. W. Wynn Johnson, 274 North Sumner street, collided at Court and North Cottage.

R. L. McCoughlin of the Keyes apartments and John E. Young of Portland collided at Center and North Capitol streets.

Hal W. Russell, 220 Marion street, and Lester E. Frame collided with their automobiles when a street car obstructed their view. Russell claimed the right of way.

PHYSICAL COURSES LAP STATE MONEY WASTED ON FRILLS

Include instructors in both men's and women's divisions. 83 Courses in All. The college offers 56 separate courses in physical education, 22 for men and 34 for women, yet under a ruling of the state board of higher education the profession at school of physical education for the training of teachers is supposed to be located at the university.

At the university 23 courses are taught in the undergraduate school, eight for men, nine for women and six for both men and women. Four courses are listed in the graduate school.

The number and extent of duplication in the courses is not, however, nearly so startling as the nature of some of them. Personal of the courses offered reveals the following:

Agricultural College. Men—Elementary gymnastics, hygiene, first aid to the injured, elementary swimming, advanced swimming and diving, theory of play, playground and gymnastic games including community recreation, gymnastics, elementary football and theory, basketball, track and baseball, wrestling, boxing, therapeutic exercise and massage, Kinesiology (essentials of anatomy as related to physical education,) methods and equipment of a department, tumbling, advanced apparatus work, physiology of bodily exertion, organization and administration of intercollegiate athletics and physical education, physical diagnosis, school room games and gymnastics for rural school teachers.

Women—Practical gymnastics, corrective gymnastics, social athletics, hygiene, dancing, gymnastic dancing, apparatus work, elementary outdoor sports, elementary

swimming, practical gymnastics (advanced), corrective gymnastics (advanced), intermediate aesthetic and folk dancing, hand apparatus, fencing, archery, advanced outdoor sports, first aid to the injured, advanced swimming, advanced gymnastics, advanced aesthetic and folk dancing, kinesiology, physiology of exercise, playground and gymnastic games, theory of coaching of athletic sports, advanced hygiene and sanitary services, history of physical education, massage, therapeutic gymnastics, physical diagnosis, anatomy, fundamental physical education seminar, principles and theory of physical education, practice teaching, theory of play, organization and administration of physical education and recreation.

Men—Elementary physical education, restricted. Advanced physical education, advanced physical education, fundamental physical education, advanced physical education, three courses in coaching of major sports.

Women—Elementary physical education, advanced physical education, individual gymnastics, personal hygiene, introduction to physical education, physical education, fundamental physical education, physical education (advanced), theory and practice of individual gymnastics, advanced theory

and practice of individual gymnastics, kinesiology, elementary interpretative dancing, advanced interpretative dancing, theory of dancing, physiology of exercise, thesis.

Graduate school—Corrective gymnastics and physiotherapy, research and corrective gymnastics and physiotherapy, physiological problems, research in physiology. All of this at public expense, and most of it duplicated effort. Monday—Other duplications.
