Half Price Shoe Sale

**Starts Tuesday, May 26th
and Lasts Three Days, Until Thurs., May 28**

This is our third month-end three day half-price sale. The first one was a real sensation, the second was still larger and we are going to put this one over bigger and better than the other two. If you want to buy shoes at half their actual value this week will be your opportunity.

We handle nothing but high grade shoes and we are compelled to take drastic measures when clearing our stock. This is the reason for such astonishing reductions.

We have a real sensation for this sale. We have purchased two hundred pairs of high grade white kid pumps in new styles at a very low figure and we are going

to put these high grade pumps on sale along with broken sizes from our best lines at exactly half price. This coming month is the month for white shoes and if you want a pair of these shoes we would suggest that you be here the first day.

We will have extra help and will do our best to take care of the crowds but if you are unable to get waited upon the first or second day come back as there will be plenty of shoes for the full three days. We are making greater preparations for this sale than for the other two and our customers were simply amazed at the wonderful bargains in the past sales.

**Sale will positively last only three days, Tuesday, Wednesday and Thursday of this week.
No shoes sold at half price before or after, until another month end sale**
