

23 NEW LAWS PERTAIN TO SCHOOL WORK

(Continued from page one)

repairs. In addition to these, in the future, he must charge up the items of transportation, interest on current warrants, and interest upon the fair value of the investment in the high school buildings after depreciation has been taken into consideration. This bill will increase the levy for the county high school tuition fund.

Amending the compulsory education law by permitting the county superintendent to appoint the attendance supervisor, who takes the place of the trustee officer. The attendance supervisor must be the holder of a certificate valid for teaching in the public schools of Oregon, and must submit evidence of the knowledge of the common social problems which relate to school attendance.

Changes Exemptions Providing that in those counties which have adopted the county unit, districts having from five hundred to one thousand children may upon the approval of a majority of the voters of the district, remain with the rural school districts rather than form a town district.

Permitting a district boundary board to levy a tax upon the property in a lapsed district in order that the indebtedness of the district may be discharged. There are many lapsed districts in Oregon that have outstanding warrants, and under the law, no authority has been given to anyone for the making of the levy.

Providing for a state flag to be used on all occasions when the state is officially represented, with the privilege of use by all citizens upon such occasions as may be fitting and appropriate. It shall bear on one side on a navy blue field the state escutcheon in gold, supported by 33 gold stars and bearing above said escutcheon the words "State of Oregon" in gold and below such escutcheon the figures "1859" in gold, and on the other side on a navy blue field a representation of the beaver in gold.

Districts Divided Making it possible for districts of the first class to subdivide the district into school election precincts for the holding of all elections within said district, and may change and alter such precincts at its discretion as often as the occasion may require.

Providing for the physical examination of children attending the elementary public schools of the state of Oregon. The superintendent of public instruction is to provide blanks to be distributed to the teachers of the state. The children are to be examined for defects of vision, hearing, breathing, dentition or other external, obvious physical defects which will prevent or interfere with the normal education of the child.

Another Nurse Praises Tanlac

"As a nurse I have seen many marvelous results from Tanlac. For anaemia, nervousness, stomach trouble and building up the system after operations I consider Tanlac great," Mrs. K. M. Lowe, Walnut Park, Cal.

Nurse Lowe's statement merely backs up what over one hundred thousand grateful Tanlac users have said about this great natural tonic and builder. Our files are packed with such testimony.

If your system is run down, if you can't seem to eat, or sleep, have lost weight or suffer from trying pain, why not let Tanlac start to bring you back to vigorous strength and health. No time, wretchedly wait to get relief. Tanlac starts right in to build you up. It cleans the blood, revitalizes digestive organs, fixes up the liver and makes you feel like a new person.

Youngest Rabbi

Chaim Ezra Cohen, eighteen-year-old student at Chicago University was ordained a rabbi at B'Nai Moshé Synagogue, Chicago. He is believed to be the youngest rabbi in the country, if not in the world.

Providing that a school district make a full and complete itemized statement of its indebtedness, specifying the general nature of said indebtedness, such as bonds, warrants, and so forth, at the time estimates are to be discussed with the levying board.

Providing an appropriation for the children's farm home of the Oregon Woman's Christian Temperance Union by the following sums: \$12,000 for adding in the construction, building, furnishing and equipping of a children's cottage and \$25,000 for the purpose of adding in the construction, building, furnishing and equipping of a school building.

Clerks Are Relieved Relieving the school clerks in districts of the second and third classes from any personal liability upon their official bonds, for any school moneys that may be lost by reason of the failure or insolvency of any bank which becomes a depository through the designation of such a bank by the board of directors of the school district.

Restoring the county institutes. The legislature of 1923 so amended the law that teachers were not required to attend the county institutes. House bill No. 179 restores the county institutes in the various counties of the state for at least one day and not more than two days at the discretion of the county superintendents.

Certificates Validated Providing that anyone who held a valid certificate prior to January 1, 1921, is not required to have the one year of normal school preparation, in addition to graduation from a standard high school. The equivalent of the elementary teachers' training course for the period preceding January 1, 1921, is the holding of a valid certificate to teach.

Providing that in county unit counties, all moneys received from the sale of timber under the federal forest reserve is to be used for, and applied to, the payment of bonded and warrant indebtedness of the school districts incurred prior to January 1, 1925, the remaining sums, thereafter, to be placed in an irreducible fund, only the interest from which is to be used for general school purposes.

Standards Raised Heretofore, the superintendent of public instruction was authorized to accept grades of 80 from other states where the examination was held as are examinations in Oregon. Hereafter, however, grades of 90 only may be accepted.

Providing for the raising of a tax of 10 mills, if necessary, instead of 5 mills for maintenance in those school districts that do not receive at least \$250 from the county school fund.

Academy Day Holiday Repealing the law which permitted the expenses of administering the irreducible school fund to be paid from the irreducible school fund.

Making Armistice Day a legal holiday. Clarifying the procedure for the organization of a union high school district while house bill No. 387 provides for the election of school directors in union high school districts at the time of their organization and also for the election of their successors.

Americanization Required An act creating a department of Americanization conducted in conjunction with the public school system of the state, is under the supervision and control of the superintendent of public instruction.

The state board of education is to name a nonpaid state commission of five persons who shall administer the department of Americanization. The commission will propose a standardized course of study in Americanization schools and have general power to promote and advance the work of Americanization throughout the state in conjunction with the general public school system. The commission will appoint a state director of Americanization to direct the work.

Fashion Reviews the Summer Wardrobe!

Warmer weather proclaims the need of lighter weight clothes—and what Fashion lacks in weight she makes up in color for never has there been a season of such riotous shades. America's dye factories have developed many new fast color dyes which are marketed under the names of "Everfast", etc., boil proof, sun and perspiration—in fact we guarantee them absolutely fast color. Our warm weather wearables are coming now by every express. Come to Miller's now and choose Fashion's best.

Summer Frocks of Silk
\$8.95 to \$25.00

Crepe de Chine, Radium, Pussy Willow and Georgette are the lovely soft and silken fabrics that go into the making of these—and flares, flounces and godets are their chief decorations. The colors, Primrose, Receda, Powder Blue, Orchid, Pink, Maize, Peach and apricot. Others priced to \$69.00.

Frocks of Linen \$3.50 to \$15.00

Crisp and new—always a smart frock, is one made of pure linen. These are simply made with effective trims of contrast linen or row upon row of Pearl buttons give them a smart appearance; all the pastel tints for summer are among them!

Sport Flannel Dresses for Beach Wear
