

SENATORS PLAY PORTLAND NINE HERE TOMORROW

Tomorrow afternoon the Salem Senators will meet the fast Port of Portland team on the Oxford park diamond as part of the Memorial day events. The visitors have a fast club and are coming to Salem with all expectations of taking the Senators into camp. The Port of Portland team has some of the best players around Portland and are giving the Cyclone a hard run for the Greater Portland league championship. The Cyclone are now leading the league with no losses but the Port of Portland nine is just a tie jump behind them with only one defeat.

"Frisco" Edwards, manager of the Senators is expecting one of the toughest games of the season with the visitors. He is as yet doubtful who will start in the box for the locals although it is thought that Wayne Barham, stellar Senator twirler will start. Barham has been hurling steady ball and the visitors will have to be pretty good to connect with the offerings of the Salem hurler. Ashby may start on the mound for the locals with Barham hurling for the Senators Sunday when the Senators meet the Vancouver club in the interstate league series although it is expected to be turned around with Ashby pitching Sunday.

The Vancouver club is now the door mat of the interstate league with no wins to their credit. They are classed as the hard luck team of the league, losing several games by one point margins. They are prouder the Senators a hard battle but the locals are expected to win if they don't get too confident and boot the ball all around the lot. The game tomorrow afternoon will start at 3.

Game Postponed
Rain caused the postponement of the Junior Twilight league series to determine the champions of that league, which was scheduled to be played on the high school grounds last evening, between the Field Mice and the Oregon Journal nine.

The game is scheduled to be played tomorrow morning, the grounds are being used this evening for a class game. The games have all been hard fought and these games are expected to be bitterly fought as the Oregon Journal are determined to gain the Junior Twilight league championship.

Play This Evening
The Casca and the ONS will cross bats in the twilight league series on the Oxford diamond this evening. One of the best games of the series is expected as both of the teams are evenly matched. The guards have a good team although the Casca are given the edge over them due to their consistent playing so far this season. The game will be called at 6:15.

VAUDEVILLE ON BOARDS AT HIGH SCHOOL TONIGHT

The annual high school vaudeville will be held tonight at the Salem high school auditorium. Ten organizations of the school will present stunts as part of the program and the club judged to have the best number will be awarded the silver cup given by the high school student council a year ago. The K. C. club, an organization of girls, won the cup last year. It must be won three times to become the permanent property of an organization.

A special orchestra will play between acts, and a skit from "The Mikado," which is to be presented tonight, will be given after all connecting clubs have given their number.

Names of organizations and the acts they will present are as follows:

Julius Caesar club, "1626-1826"; Friars, "Hayfield Follies"; T. N. T. club, "Moonlight Frolic"; Corona club, "Rocking Horse Tales"; Phoenix club, "As the Story Goes"; Latin club, "Very Tragic Birth"; K. C. club, "Memories"; G. A. A., "Good Old School Days"; Sukpoh Dramatic society, "Uncle Tom's Cabin"; T. A., "Patches".

The managing staff of the vaudeville will be as follows: manager, Leroy Grote, assistants, Kenneth Allen and Vera Webb; stage manager, Stewart Ribbey; head usher, Cecil Edwards; Gynnet Haza is faculty advisor. Two other members of the faculty have been appointed as a board of official censors, to make sure that plenty of clothes will be worn in every act and to eliminate any jokes that might not be perfectly approved. The board consists of Miss Eyre and Miss Fisher.

The vaudeville begins at 8 o'clock. An admission charge of 25 cents is being made.

ARE YOU ONE OF THE 98 PER CENT?

Recently the Lydia E. Pinkham Medicine Co., of Lynn, Mass., sent out over one hundred thousand questionnaires to women who had used Lydia E. Pinkham's Vegetable Compound, asking if they had been helped by its use. From the replies received 98 per cent of women, from all walks of life, answered in the affirmative, telling how they had been relieved from the various ailments for which they had taken it. Isn't this a wonderful recommendation for the efficiency of this old-fashioned root and herb medicine.—Adv.

PRESBYTERIANS PASS FIGHT TO COMMITTEE

Columbus, Ohio, May 29.—(A. P.)—The eventual outcome of the modernist-fundamentalist controversy in the Presbyterian church of the United States of America, rested in the hands of a commission of 15 to study the entire issue when the general assembly of the church adjourned here Wednesday. Members of the commission are to be appointed by the new moderator, Charles R. Erdman, and the body will report back at the next assembly.

The controversy, thought to have been settled hared up again in the closing session of the assembly.

SCOPES TELLS OF BELIEF IN EVOLUTION

Chicago, May 29.—(A. P.)—Principals in the widely advertised Tennessee evolution case, set for trial July 10, have given an additional filip of interest to the coming scientific struggle by outlining their views on evolution and the questions at stake in the litigation.

In addition a new voice was heard when Wilbur Glenn Voliva, professor of Zoology and a champion of the theory that the world is flat, came forward with a statement that "evolution is one of the most dangerous theories ever propounded."

As preparations went forward for the trial with both sides lining up their forces, word came from Hunting, on Tenn., that the board of education of Carroll county had announced its purpose to employ no teachers who believe in evolution. The board also condemned Henry "Anloon's" "The Story of Man," sent to the schools by the circulating department of the state library. John T. Scopes, whom as defendant sprang into wide notice in his first year as a school science instructor, explained his views in a statement at Lexington, Ky., during a visit to the University of Kentucky, his alma mater.

"I believe that man and all animals descended from the lower orders, but I have never seen or read any scientific statement that man descended from a monkey and I do not get bell—that," he said. "No person could teach even the most elementary course in biology without recognition of the evidences of man's evolution."

DUNDEE WOMAN SHOTS SELF WITH REVOLVER

Portland, Or., May 29.—Mrs. Thelma Gray is at St. Vincent's hospital here recovering from wounds in her side sustained in a fight with a 32 calibre revolver at Dundee, Or., Tuesday. Physicians reported today she was in no danger but could not say how long she would be at the hospital.

Reports from Newberg said she was found in a clump of brush near the railroad tracks and that she had fired the shots with suicidal intent, owing to dependency owing to domestic affairs.

Cabbage and Sausages Woman's Diet

"I have declared with the best doctors in the United States. Some said one thing and some another was ailing me and all wanted to cut me open, but May's Wonderful Pills saved me, can now eat cabbage, sausage and anything I want to. Nothing hurts me." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One does not will convince or money refunded. J. C. Perry, D. J. Fry and druggists everywhere.—Adv.

Scratches and Cuts

Thousands of mothers have Resinol Ointment ready for the cuts, scratches, burns, etc., which daily occur in the home where there are children. They know that it is perfectly pure and harmless, that it helps to prevent infection and hastens the healing. Children will call for Resinol when hurt because it does not smart or sting even if applied to a raw, badly irritated surface.

BOARD OF TRADE WARNED TO PUT HOUSE IN ORDER

Chicago, May 29.—(A. P.)—Secretary of Agriculture William S. Jardine, arriving Thursday on a tour of mid-western agricultural states, declared the board of trade of Chicago must put its house in order and expressed interest in "efforts to reorganize the Grain Marketing company."

He said there had been some informal conferences in Washington recently concerning the Grain Marketing corporation, which has been opposed in selling stock to farmers by the Indiana Farm Bureau Federation and the Illinois Agricultural association.

The secretary explained that he was interested in the question whether the Grain Marketing corporation should be reorganized. "I am naturally interested, as secretary of agriculture," he said, "in any effort to reorganize the Grain Marketing corporation and to regain for it the confidence of the farmers. Without the confidence of the farmers, no marketing company can accomplish anything."

Free to Asthma and Hay Fever Sufferers

Free Trial of a Method That Anyone Can Use Without Discomfort or Loss of Time

We have a method for the control of Asthma, and we want you to try it at our expense. No matter whether your case is of long standing or recent development, whether it is present as occasional or chronic Asthma, you should send for a free trial of our method. No matter in what climate you live, no matter what your age or occupation, if you are troubled with asthma or hay fever, our method should relieve you promptly.

We especially want to send it to those apparently hopeless cases, where all forms of inhalers, douches, opium preparations, frisks, "patent smokes," etc., have failed. We want to show everyone at our expense that our method is designed to end all difficult breathing, all wheezing, and all those terrible paroxysms.

This free offer is too important to neglect a single day. Write now and begin the method at once. Send no money. Simply mail coupon below. Do it Today—You even do not pay postage.

FREE TRIAL COUPON

thing. Grain marketing is one of the important problems of American agriculture today. One of the agencies in the field of grain marketing is the Grain Marketing corporation and we are obliged to take it into consideration."

He said the board of trade, where earlier in the season wide price fluctuations had caused him to order an investigation, must "put its house in order," although he intimated he was not to be understood as opposing the board as an institution.

Nusbaum Wins Medals

Oregon Agricultural College, Corvallis, May 29.—Charles J. Nusbaum of Salem has been awarded a gold medal for winning the freshman stock judging contest. Mr. Nusbaum is a freshman in agriculture.

ALVITA RELIEVES ACHING KIDNEYS

"I would like very much to add my letter of testimony to the many you already have as to the wonderful healing qualities of your Alvita Tablets. I am an old farmer from North Dakota, which means I have had my share of hard work with the resultant sore back, aching kidneys and bad stomach."

"I purchased the first box of Alvita Tablets about three weeks ago, just as soon as I heard of them from a friend of mine and I have taken according to the directions. Already, in this short time, I am feeling relieved from my physical ailments. I am eating with more comfort and have much freer action with my bladder and kidneys. I seem to feel 'younger' and have much more energy and life than for a long time. I am writing this endorsement for you to use as you wish in order that others may be benefited by Alvita as I have been."

(Signed) J. S. WERTNER
Alvita Tablets are scientifically prepared from the wonderful alfalfa plant, which through its long root absorbs the vital elements—lime, iron and phosphorus—necessary to health and vigor. Alvita has proved especially beneficial in overworking kidney, bladder and prostate trouble. No matter what you have tried, try this remedy of nature now. A dollar buys a box at Perry's Drug store. LEWIS PREPARES FOR HARD FIGHT

Frankie Lewis of Salem is working hard for his coming battle with Spec Woods of Spokane when they meet in the ring at the armory next Friday evening. Both of these boys are tough and can exchange blows. The last meeting of the two was the best card yet seen at the armory and the rematch is expected to be as good if not better.

Spec Woods realizes that he will

be unable to get the best of the Indian lad by outboxing him. The latter can punch and is also a little bit too clever for the Washington brawler. Woods and Lewis traded blows last time. The Spokane fighter expects to put Lewis away and has been working out industriously to be in the best of shape.

Bill Hunt, Salem fireman, is scheduled to meet "Speed" Murphy in the six-round semi-windup. The fight ought to be good as Murphy gave Hunt a good scare on the last meeting of the two and then as he has been putting in a lot of time. Murphy appears to be about the best that has met Hunt as Hunt knows and the Salem fireman is taking no chances of being out of shape.

Harry Plint, matchmaker in planning on signing Ingersoll and Charlie Dawson for the next card. Ingersoll is all the rage in Astoria and is a mighty clever man. Neither Dawson or Ingersoll are hard hitters but fast and shifty and the fans ought to have a good match. The winner of the Ingersoll-Dawson will be matched with the winner of the Lewis-Woods battle so both cards are expected to be good.
