ATTENDANCE AT GRANGE SESSION NEARLY RECORD

Dallas, Or., June 4.—With what is termed the second largest attendance of an Oregon State Grange session, the 52nd annual grange convention, got under full swing Wednesday on the second day of its four-day session, June 2 to 5.

The real fireworks so far as resolutions are concerned is not expected until some time Friday. At that time it is probable that the body will be asked to go on record on a number of important state problems.

The Columbia county delegation Wednesday introduced a resolution which would seek to give each Pomona grange a representative in the legislature, but this was owned on the floor.

The annual lecturer's program was presented Wednesday night by Minnie G. Bond of Eugene, state lecturer. President Levi T. Pennington of Pacific college, Newberg, was the speaker of the evening. Others numbers included a Scotch song by James Smart of Brush College, a vocal solo by Mrs. M. J. Butler of Monmouth and eelections by an Independence orchestra.

The annual memorial service for departed members will be held at 2 p. m. Thursday. This will be followed by the exemplification of the juvenile grange. Degree work will be put on in the evening with the Evening Star Grange team of Multnomah county taking charge.

Nominations have been made for two state offices made vacant by death. To replace H. Hirschberg, state treasurer, B. K. Denney of Washington county, J. G. Kelty of Multnomah county, E. A. Blake of Benton county, Mrs. M. Powell of Polk county, S. H. Van Trump of Marion county and C. L. Shaw of Linn county have been nominated. One vacancy is to be filled on the legislative committee and for this post Roy Stockton of Yamhill county and C. W. Craft of Washington county have been nominated.

Mrs. C. B. Leedy of Tigard, widow of a former state master, was escorted to the master's station and honored at the Wednesday session. J. L. Russell of Evening Star Grange was presented as the fraternal delegate of the Oregon State Federation of Labor and made a rousing address.

TWICE IN THIS WOMAN'S LIFE

Lydia E. Pinkham's Vegetable Compound Helped Her from Sickness to Health

Ellensburg, Washington—"When I was first coming into womanhood I suffered terribly every month. My mother did everything she could think of, so she took me to several doctors and they only helped me a little. Mother was talking to another lady about my condition and she told mother of Lydia E. Pinkham's Vegetable Compound. Mother got me six bottles and at the end of the first month I was much better, so I kept on taking it until I had no more pains. When I got married and had my first child I was in terrible pain so that it was impossible for me to do my housework. I thought of how the Vegetable Compound had been of so much benefit to me when I was a girl, so I went to Perier's Drug Store and got six bottles. It sure did help me and I still take it. I am a well woman today and I can't say too much about Lydia E. Pinkham's Vegetable Compound. I will answer any letter that comes to me to answer about what your medicine has done for me."—Mrs. WILLIAM CARVER, R. F. D. No. 2, Ellensburg, Wash.

By Buttermilk Cream creates beauty almost like magic. The most wonderful thing about it is the fact that it turns the most sallow, most lifeless complexion to radiant beauty and makes one's rough hand or arms snowy white, yet there is not the slightest sign of its use after application. It actually vanishes from sight and the most heated atmosphere will not produce the least shininess or greasiness of the skin.

No matter whether you are troubled with a poor complexion, wrinkles, puffiness around the eyes, freckles, crows feet or lines around the mouth, nails finger nails, or just a simple roughness of the face, hands or arms caused by wind or sun, you will find that any or all of these troubles will quickly disappear with the use of Howard's Buttermilk Cream.—Adv
