

### QUEEN REVIEW REPRESENTED AT STATE MEET

Fifteen members of Queen Review, local organization of the Women's Benefit Association of Maccahees, went to Portland, Thursday, to take part in the state convention of Maccahees, held at the Lythian temple, 388 Yamhill street. There were some 300 members of the order at the convention, coming from all parts of western Oregon, as far south as Grants Pass.

Those making the trip to Portland were Commander Louise King, Mrs. Frances Chambers, Mrs. Moe Shanik, Mrs. Bessie Boeringer, Mrs. Rosella Crosson, Mrs. Agnes Coenburt, Mrs. Reba Smith, Mrs. Frances Thompson, Mrs. Olive Parry, Mrs. Minnie Baker, Mrs. Avis Martin, Mrs. Caroline Bushnell, Mrs. Emma Smith, Mrs. Viola Swata and Mrs. Helen Stewart.

The convention was in charge of Mrs. Minnie W. Aydelotte, supreme lieutenant commander. Mrs. Aydelotte gave a response following the address of welcome by Mrs. Emma B. Wilkinson of Portland, deputy supreme commander.

The Salem branch of the Maccahees presented Mrs. Aydelotte with a large bouquet of flowers. Mrs. King, local commander, making the speech of presentation.

There are at present 115 active members of the local branch of the order.

A state picnic is to be staged by the Maccahees at the state fair grounds, Salem, on June 29.

### 1000 GRANGERS PARTICIPATE IN DEGREE SESSION

Dallas, Or., June 5.—Grangers from everywhere packed the convention hall at the Dallas armory from top to bottom last night for the record attendance of the 1925 state grange session. It was estimated that approximately 1000 were present.

The attraction was the fifth and sixth degree work and 300 candidates were on hand to take the sixth or state grange degree. This work was put on by the degree team of the state grange, while the fifth or Pomona degree was handled by a Polk county team. The evening closed with a banquet for all present.

The only item of business transacted at the afternoon session was the election of a treasurer, following an election on the first ballot Wednesday night. D. K. Denny of Washington county won the office over E. A. Blake of Benton county, 117 to 108. Mr. Denny takes over a position left vacant by the death of H. Hirschberg, who had held it 25 consecutive years.

During the afternoon session the Evening Star Grange of Portland put on the third and fourth degree work for a class of candidates. The juvenile grange work was exemplified as a special order of business. Fair weather during the afternoon brought out the largest crowd yet in attendance, many driving in from the surrounding country.

Friday forenoon will be given over to pleasure with an auto trip planned to four points of interest in the county, ending with an inspection of the Oregon Normal school.

The business session will not get underway this afternoon, but at that time committee reports will be in order and business will crowd every moment till adjournment. It is thought that the session will continue far into the night Friday as little of the important business has yet been reached.

The visitors are warm in their praise of the treatment accorded them by Dallas, and they have raised no complaint, not even because of the rain.

Thompson Winner. Spokane, Wash., June 5.—Cyclone Thompson, Spokane middleweight wrestler, won one fall from Frank Pilling of Pendleton, Or., here last night. The match was awarded by the referee to Thompson after the one fall, although it was scheduled for three falls.

### STATES GO TO LAW OVER RIVER BANK

Jackson, Miss.—Louisiana and Mississippi have taken to the United States supreme court their dispute over possession of approximately 5000 acres of land lying in the Mississippi river.

The case grew out of the alleged sale by Mississippi of the contested land, which Louisiana claims lies west of the correct boundary between the two states and belongs to her.

The history of the case involves nature's work in changing the river channel. Louisiana's claim, filed by her attorney-general, sets forth that an imperceptible caving in and disappearance of land on the Mississippi side of the river was accompanied by a likewise imperceptible extension of land on the Louisiana side.
