

SENATORS PLAY WEST LINN NINE HERE TOMORROW

Tomorrow afternoon the Salem Senators will meet the strong West Linn team in the Interstate league series, on the Oxford Park ground. The locals are heading the league with six wins and no defeats and are a slight favorite to win over the papermakers. The West Linn team has been going good and are coming to Salem with the express purpose of knocking the league leaders off.

West Linn and Hillsboro are tied for second place with four wins and three losses. The Senators won the first meeting between the two teams played on the West Linn diamond by only one point. The Senators rallied in the later innings and took the game.

Bitles or Stone will probably start on the mound for the visitors. Bitles is a former Chemawa Indian school athlete and is well known here by all sport fans. The Senators know Bitles pitching and will more than likely hit his offerings freely. Bitles is a good pitcher with lots of stuff, however, and might surprise the locals.

If the Senators are able to get a win from the papermakers they will be almost a cinch for the league championship. Games are scheduled to meet some of the weaker teams the next two or three weeks. Camas, Hillsboro and the papermakers are considered the strongest in the league although the Luckenbach ship company nine has been going strong the last few games, winning from some of the strongest teams, after getting off to a bad start. Vancouver is the joke of the league having gone through the season so far without a win.

Vancouver is to meet Hillsboro at Hillsboro and they are expected to be easy meat for the home boys. Luckenbach is to meet the strong Camas nine at Camas in the other Interstate league game. Camas would have been a heavy favorite earlier in the season but the shipbuilders have been going strong while the Camas team has been playing loose ball behind the hurling of Bill Kuss, no other team might win. Barham will more than likely start on the mound for the locals. The game will start promptly at 3 p. m.

Speedboat Beats "Century" in Race

In a race down the Hudson River from Albany to New York City, the speedboat "Baby Gar IV," owned and piloted by Gar Wood, wealthy Detroit, Mich., yachtsman, beat the "Twentieth Century Limited," crack New York Central flyer, by 36 minutes.

Friday. Many shots were exchanged with men resisting the robbery, and the gang escaped with one of their number lying crossways in the back of the car. This bank was held up January 30, and \$381,811 taken. Vaughn Rosley, who was shooting today when the robber afterward seen in the back of the car fell from a sidewalk against the machine, was locked in a vault in the January episode.

JEWELS OF BANKRUPT FIRM FOUND BURIED

New York, June 6.—(A. P.)—Diamonds and jewelry estimated to value \$30,000 today were found buried in the sands of Coney Island by investigators searching for missing assets of the bankrupt jewelry firm of Morris Slegler & Son, which failed for more than \$200,000 last month. Morris Slegler, head of the firm, jumped to his death from the roof of a 15-story building in Times Square shortly before the bankrupt condition of the concern became known.

STINNES INTERESTS IN BAD SHAPE, REPORT

London, June 6.—(A. P.)—An Exchange Telegraph Agency dispatch from Amsterdam regarding the financial crisis through which the Stinnes organization in Germany is passing, says the Stinnes interests are not able to meet liabilities abroad, totalling 120,000,000 marks.

The difficulties have been caused, says the Exchange Telegraph company, by various foreign credits of the Stinnes interests being called in. Efforts to obtain new credits in the United States failed, it is stated.

PATROL PLANES ARE TO START FLIGHTS JULY 1

Eugene, Or., June 6.—Airplane forest fire patrol will start from Eugene July 1, with a base at the municipal aviation field, according to official announcement from the government, received today by Nelson F. MacDuff, supervisor of the Cascade national forest. Other patrol bases will be at Vancouver and Spokane, Wn., and Mather field and Rose field, Cal.

Two of the ten planes assigned to the various bases will be at Eugene.

Commencement At Willamette Opens At Church Sunday

BOBBED HAIR GIRL DRIVES BANDIT CAR
Seattle, Wash., June 6.—A gang for whom a girl with bobbed hair drove an automobile stole about \$3000 from the State Bank of Bothell, ten miles north of Seattle.

SOLDIERS WIN OVER GROTTO 7-6

The O. N. G. sneaked under the wire in their baseball game with the Grotto last night and snatched a victory from the fire by a score of 7 to 6, on the Oxford park diamond. It was one of the best played games yet seen in the twilight league series. The lead changed hands several times and it was not until the last out that the score was final.

In the first inning the Grotto nine scored two runs and another in the third. The soldiers put one across in the second and four in the third. This left the score five to three in favor of the soldiers but they were unable to hold that lead for long.

Kelly, hit the ball over the fence for the soldiers. In an attempt to stage a rally, the Grotto nine put in two pinch hitters, Simeral and Jackson, Jackson managing to get a hit, which put one man across the rubber for the losers.

Lasky and Jennings formed the battery for the losers and Lanke and Kreuger toiled for the winners.

Play Next Tuesday
A postponed game of the twilight league series will be played on the high school grounds, next Tuesday evening between the Casey's and the O. N. G. Both teams are about evenly matched and the game ought to be a hum-

To the Editor:—The nation owes \$21,000,000,000. Can you form a mental conception of its vastness? I cannot. Judge Gary says the taxation imposed in order to pay the interest on the debt and to maintain the various governmental departments threatens the destruction of the business interests of the country.

Head off the destruction by amending the Volstead act. The revenue derived from the manufacture and sale of beer and light wine would soon pay the national debt. It is paying Canada's war debt; why not ours?

An insurgent republican in the United States senate would help greatly. W. P. ADAMS,

Jewett Coach
\$1260

F. O. B. Detroit, tax extra

Hydraulic four-wheel brakes (Lockheed type) at slight extra cost

Superb quality—new beauty—flashing action!

Jewett Coach is built on the time-tried principle that public recognition goes straight as an arrow to the quality product. Through the most skillful, studied building, Jewett has produced the finest Coach ever designed—a Coach that is actually without an equal under \$3000.

Already, thousands have bought the Jewett Coach because of its superb quality. They are sane, sensible motor car buyers. They know from experience that \$1260 is little enough to pay for a Coach as good as Jewett Coach.

It's a Conspicuous Beauty

Test the beauty of Jewett Coach alongside any car whose beauty you admire. Ask your wife to judge Jewett Coach beauty—its refreshing, colorful, permanent lacquer finish, its smart double belt moulding that leads your eye to a gracefully rounded back.

These are features that make custom-built cars individual and costly—and give Jewett Coach its harmonious beauty. Then examine the interior—be critical as you please.

Jewett has introduced a new type of upholstery in the Coach. It's an ideal combination of rare beauty and wearing quality that has long been necessary in a Coach—but never a reality until Jewett Coach appeared.

To drive Jewett Coach is to experience

an utterly new and amazing type of motor car action. You have never felt such a power thrill. From 2 miles an hour, without bucking, to 60 in less than a city block—in high gear. Yes—Jewett Coach will outperform any car within \$500 of its price.

Its Performance Lasts!

Such performance is due to engineering horse-sense that builds a motor big enough to do a man-size job with ease—a motor that stays new for years.

A silent chain drives pump and timing shafts. Chain wear is automatically taken up as it occurs. Full, high-pressure oiling guards every bearing against even ordinary wear.

A new, heavy, counterbalanced crankshaft eliminates vibration. From the first sweet trip until your speedometer clicks the fifty-thousandth mile and more—Jewett motor will remain smooth—silent—satisfying.

Reasons enough for Jewett's Coach leadership. It's the greatest Jewett ever built—with riding, steering, driving qualities that will amaze you. You must know these qualities first hand. For with all the goodness we've told you about, there are things about this fine car that cannot be told. They must be experienced. See Jewett Coach. Drive it yourself before you buy!
