

BOY DETAINED ON DOUBLE CHARGE IS IDENTIFIED

The boy arrested under the name of Parnell last week near the gas station at the four corners on the Cottage Farm road has been identified as Otto Whiteside by Sheriff Oscar Bower. Whiteside is being held on a warrant from the juvenile court. His parents reside on Turner, route 1, west of the boys' training school.

Whiteside is not only charged with passing of a fraudulent check in Salem but also with an alleged attack on a little five-year-old girl.

Officers have discovered also that he passed a worthless check on Frank Moore, bicycle man, several months ago. When officers were attempting to identify the boy through his bicycle, which he left at the corners after his alleged attack on a little girl, they showed it to Moore, who stated that he sold the handles and tires on the wheel to a boy some time ago who gave him a worthless check for them. The lad admitted to the officers he had done this.

FIELD MICE WIN CHAMPIONSHIP

The Field Mice captured the game with the Oregon Journal nine on the high school grounds last evening in the junior twilight league by a score of 13 to 5. This is the second win for the Field Mice who are now champions of the league.

Both nines played excellent ball with snappy freetang on both sides. Heath, of the winners, was a little wild in the early innings but tightened up after allowing three walks. He fanned six of the Journal nine. Norris of the losers walked seven men and struck out eight.

A meeting will be held at the Y. M. C. A. in the near future to discuss plans and get a new league started if the players wish to do so. The lineup for the game last night follows:

Katoury, cf; Barr, ss; Benner, c; Heath, p; Beal, rf; Lutz, 2b; Albin, 3b; Rainy, 1b.

Oregon Journalists—Linn, 1b; Hill, ss; Alley, rf; Brown, lf; Norris, p; East, c; Waters, 2b; Duncan, cf; Duffy, 3b.

Bankers Beat O. N. G. The Bankers nine of the twilight league defeated the O. N. G. on the Oxford park diamond last evening by a 10 to 1 score. The guardians were handicapped by the loss of several of their players and they were easy for the Bankers.

The lone tally for the guards-

JUNCTION CITY WOMAN IS ACCIDENTALLY SHOT

Eugene, Or., June 9.—Mrs. W. Sohlman was accidentally shot at her home at Junction City yesterday by her son, Theodore, who had just returned from a brief hunting trip. According to the story, Theodore thought that the safety catch was on, but the .22 calibre rifle was discharged, the bullet striking high in the right thigh. Though she lost a good deal of blood on her way to the hospital here, it was said this morning that she was recovering nicely.

An error in the press dispatch on the Canas-Luckenbach game of the interstate league played on the Canas diamond Sunday claimed that the Canas nine was the winner. The dispatch should have stated that the Luckenbach team won by a score of 10 to 3.

This win makes the fourth straight victory for the shipbuilders, who have been playing good ball after getting off to a bad start. They are coming to Salem next Sunday to meet the league leading Senators, who have not lost a game. The shipbuilders have not met the Senators yet this season as the first meeting between the two teams was postponed on account of rain.

With the win for the Luckenbach nine it looks as though the
