Harry Thaw Likes Broadway

HARRY THAW

Harry K. Thaw, returning for a tour of Broadway haunts, his first since he slew Stanford White, famous architect, twenty years ago, told reporters who interviewed him that he did not want to go back to his Winchester, Va., home. "It's changed, but I like it," he said.

DURBIN TO LEAD CHERRIAN TEAM

Frank Durbin Jr., has been selected to captain the Cherrian drill team to another victory and cup at the Rose Festival and to succeed Carl D. Gabrielson, who declared that his duties in the motor vehicle department made it necessary for him to be out of the city until after the Rose Festival and thus unable to continue with the work of drilling. Announcement was made at a meeting of the Cherrians at the chamber of commerce last night.

King Bing Perry announced that the Oregon Hospitality club would meet here June 17, with S. M. Taylor of the Coos Bay Pirates in charge of arrangements.

WOMAN'S SECRET OF BEAUTY

Beauty lies in the care a woman bestows upon herself and in keeping at bay those dreaded ailments peculiar to her sex, which drag her down and leave telltale traces upon her countenance. Sparkling eyes, the elastic step and a clear complexion never accompany organic troubles. Distressed expressions, a sallow complexion, dark circles under the eyes, lassitude, headaches and mental depression are the telltale symptoms of women's ailments. Women so troubled should not lose a day in taking Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, the most successful remedy known to overcome woman's ills and restore health and beauty.—Adv.

of the Cherrians will pay his own expenses in attendance at the Rose Festival.

Get the Red Crown Mileage Card

Out of its years of experience in the making of gasoline, the Standard Oil Company has developed a gasoline that not only gives quick starting, speed and power, but also a maximum of—**MILEAGE** for your summer touring. The Red Crown Mileage Card—just out today—makes increasing your summer mileage and cutting down gasoline costs as simple as a-b-c.

You saw the other day what record mileages the expert economy-run drivers made in the Yosemite Economy Run! How? These drivers used "Red Crown," the mileage-gasoline, and they know how to drive to get the mileage that's in "Red Crown."

"Red Crown" is simply crowded with mileage—we have put it in there—and, like the economy-run drivers, you can get more and more mileage out of it!

HOW THE RED CROWN MILEAGE CARD ADDS MILES

The Red Crown Mileage Card is thoroughly practical. It tells you just what to do for your car—just how to drive—to get anywhere from 15 to 30 miles extra per tankful from "Red Crown."

Get your tank filled with "Red Crown," ask for your Red Crown Mileage Card and begin getting extra summer mileage today—at the first Red Crown Pump (red, white and blue)—at Standard Oil Service Stations and dealers.

Colorful San Francisco

America's coolest summer city

Different from any city you know—rich in the colorings of Europe and the Far East—modern, joyous—fascinating,—San Francisco bids you welcome. Cool—yes! Bring a warm coat. Those invigorating breezes straight in from the Pacific bring the fragrance of vigor of a thousand sunny ocean miles. More than that. Besides a change of air, you will find much that is unusual to see and enjoy. Mind and body are alike refreshed. It's really two vacations in one.

For every hour—new interests!

Day after day—night after night—new interests will beckon you. Scores of modern hotels, with service at reasonable rates, restaurants internationally famous, Chinatown, Fisherman's Wharf, Golden Gate Park, Mission Dolores, the great Presidio military reservation, the harbor where ships of all nations gather,—theatres, sightseeing trips, distinctive stores and shops, smart cabarets,—all are the more enjoyable in San Francisco's sparkling, salty air, with an average summer temperature of 58 degrees.

These tours will please you

Day trips across the Bay, or down the peninsula, include giant Redwood groves, petrified forest, geysers, Missions, great universities and scenic wonderlands. And San Francisco is the hub and starting point for all National parks and other points of interest in California. Motor over velvet highways, sail down the blue Pacific or take advantage of low summer excursion rates on all railroads.
