ECZEMA

You will be compelled to admit that the results of S.S.S. are really amazing!

MANY people imagine that eczema or other needs only some external application on the skin in order to get relief.

We know there is one thing that stops eczema and that is more red-blood-cells! S.S.S. builds them by the million!

Lightness, apathy, tiredness of body and brain are cheating you of the happiness that rightly belongs to you—making you a failure.

S.S.S. is one of the greatest blood-cell builders, blood-cleansers and body strengtheners known to us mortals!
