THIS LAMP 5 FOOT HIGH

The Lamp

Measures five feet in height and is finished in the richest Polychrom effect blue shaded to bronze and black. The base is heavy metal finished to match the post. The shade is of pleated georgette lined with burnt orange sateen and fringed all round with silk.

The purpose of this offering is not to make money—but to acquaint more people in Salem with the Burnett Budget Buying plan. You may take a lamp on a payment of but fifty cents and you may pay the balance as you are paid—fifty cents a week will do.

There are no extras—no interest. And asking for a lamp at Burnett's is as easy as asking for a dish of ice cream at a church social—(indeed, you are more likely to get it!) For the Burnett Credit Policy is based on common everyday honesty and we take the position that everybody is entitled to credit unless they themselves have already shown that they are—NOT!
