Delegates of the Oregon Federation of business and professional women's clubs were guests of honor at the First Methodist church Sunday morning. Rev. Fred C. Taylor, the pastor, delivered the sermon on "A Contagious Christianity," using the parable of the leaven as a basis for his message. "Christianity is a growing religion," he said, "It has the power to propagate itself, to penetrate, to vivify and transform the human heart and life and all human society."

The Elks flag day exercises will be held at the armory on Monday evening, June 15, at 8 o'clock sharp. The Elks will report at the temple at 7:15 o'clock, then march to the armory, led by the Elks band in full uniform. Fred E. Erickson, Merritt Davis, Freyman Boise, flag day committee.

Following an oral opinion given several days ago, Attorney General Van Winkle handed down a written opinion Saturday holding that Frank C. Bramwell, state superintendent of banks, does not have to be reelected by the banking board under the new state banking code of the 1925 legislation.

Capital Ice & Cold Storage Co. phone orders early to 280 to insure prompt residence service. After delivery hours call at plant 550 Trade street. "We never close."

What the attitude of the state is to be relative to owners of land on which the state has made loans from the school fund, and which has since become incumbered with obligations of irrigation districts, is to be determined at a meeting of the state land board some time this week, James Stewart, field representative of the board will be on hand with a list of such lands. The question will arise whether it would be the better policy for the state to charge off the loans or advance more money for payment of the development obligations.

Claiming that he and his wife plan to return peacefully to the marital state, Carl G. Waldespeil has entered a petition in the circuit court asking release from the order of Judge L. H. McMahon that he pay \$150 for his wife's attorney's fees in a suit for divorce recently filed by her. In consideration of a return of a diamond ring belonging to her that he had, he claims that she is now willing to return to him and that he will go to Oakland, Cal., that first week in July after her. The answer was filed by Waldespeil in reply to an order of the court requiring him to show cause why he should not be punished for contempt of court for failure to make the money payment.

What Are Profitable Investments?

Investments which fluctuate in yield from time to time and are a source of worry due to their speculative character are NOT profitable investments.

But those investments, for example our First Mortgage Collateral Trust Bonds and Prime First Mortgages which yield 6% without fluctuation and which are secured by Salem income property and producing Willamette Valley farms, are highly desirable, both in safety and yield.

Safety comes FIRST; yield SECOND.
