

### WOODMEN TRIM PEP TOSSERS IN RAGGED GAME 11-7

The Woodmen of the World baseball team tightened their hold on third place and came within a game of tying for second place in the Sundown league series when they defeated the Portland Electric Power team on the Oxford diamond last night by a score of 11 to 7. The Woodmen now have a percentage of 50. The Pulp and Paper nine are leading the league with a percentage of 100 and the Eagles are in second position with .666. The PEP nine has not as yet won a game in the series.

The game was featured with costly errors on both sides, and in which the WGW used three hurriers to stop a rally attempted by the Power team. Dee started in the box for the Woodmen, but was relieved in the first frame. He was relieved by Busiek, and later by Walker who finished the game. Merrit, pitcher for the PEP team, was relieved in the latter part of the game by Bolton. Rickman was behind the bat for the Woodmen, Travis did the receiving for the PEP nine.

The Valley Motor team and the American Legion nine will clash for honors in the twilight league series on the Oxford park diamond this evening. The Valley Motor team is in the cellar position with one win and four defeats while the Legion nine is headed for the top with 5 wins and no losses. The Legionnaires are playing good consistent ball and are the favorites to romp off with the victory. The only man the Valley Motor team has is Proctor. Proctor is the whole team and it might be possible that with him in the box the Legion team will be unable to solve his delivery.

The Howell Prairie team defeated the Pulp and Paper nine for the second time 7 to 5. The first meeting between the two teams ended 5 to 4 in favor of the Howell Prairie nine. The papermakers are going strong in the Sundown league series with three wins and no losses. They have played several of the out of town teams but have struck tough going.

#### Merchant Financial Wreck

"I am a financial wreck because of the expense of doctors and medicine for my wife. She has been a chronic sufferer for 10 years. Some pronounced it gall stones, some gastritis and some intestinal inflammation. I happened to read an ad of Mayr's Wonderful Remedy and from the first dose my wife has steadily improved." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. J. C. Perry, D. J. Fry and druggists everywhere.—Adv.

### CHERRIANS ARE TO MARCH EARLY

The Cherrian auto caravan that will take local boaters to Portland to participate in the "Merrykiana" parade of the Rose Festival will leave Salem promptly at 8 o'clock Friday morning from the chamber of commerce rooms, with emphasis upon the promptness, declares King Bing J. C. Perry. The caravan will be led by a state traffic officer.

Portland headquarters of the Salem organization will be in the imperial hotel, where accommodations have been reserved for both the men and their ladies. The Cherrians will form their line in the Portland parade on the north side of Taylor street, heading on Chapman street at 12:30 o'clock. The last drill of the organization is scheduled for tonight when members are instructed to meet at the city hall at 7:15 p. m. No float or stunts are planned for this year but it is planned to offer a fine exhibition of drilling and marching.

Because of the absence of the Cherrian band which is to give a concert in Silverton this evening the drill will be led tonight by the American Legion Life and drum corps. Members will take part in the drill tonight in uniform and will march through downtown streets.

### CORNS

Lift Off—No Pain!

Doesn't hurt one bit. Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the foot calluses, without soreness or irritation.—Adv.

### PISTOL IN AUTO CAUSES ARREST

Medford, Ore., June 16.—E. R. Jones of the Log Cabin garage in the Siskiyou mountains, was bound over to the grand jury Monday under the new state law prohibiting the transporting of concealed weapons in automobiles. Jones, with a companion, was arrested for a violation of the traffic laws and a high-powered pistol was found on the seat between them. According to the district attorney's office, Jones admitted the ownership of the gun. The arrest was the first in this country under the new law, which compels the justice of the peace to

bind the defendant to the grand jury. The circuit court cannot parole or suspend sentence, under the law and the governor cannot grant a pardon. It is reported to be the only law on the Oregon statute books denying the governor this privilege. The law provides that arrest for the first offense is a misdemeanor and two arrests constitute a felony.
