## OIL-O-MATIC

THE MODERN HEATING SYSTEM

A new era of home cleanliness is made possible with Oil-o-Matic. Oil is burned so perfectly that its presence cannot be detected by anyone. No tell-tale smudge on white woodwork. Curtains need be washed only half as often. Wall paper remains unsoiled. Even dusting and cleaning is practically done away with. Stop in and let us tell you all about it.

## WHO BUILT THE LINEN MILL?

The \$600,000 linen mill which is to be built in Salem was made possible to a great extent thru the subscribing for stock by the business men of this community. Cooperation of everyone turned the trick which will mean thousands of dollars to this community—furnish employment for thousands of men and mean the building of hundreds of new homes. But there is one point that is sometimes overlooked by the head buyer of the household—**TO MAKE SALEM GROW YOU MUST SPEND YOUR MONEY IN SALEM**—two or three or four dollars does not seem a great deal of money to send away to some other city to buy some household necessity but if every family within the trading radius of Salem were to send four dollars a month to some mail order house \$200,000 would be drained out of this territory each month. Your merchant is your best friend because if he were not in business there would be no factories, no churches, no schools, no banks and **NO EMPLOYMENT**. Patronize Salem business men for every dollar that you send out of Salem goes for building some other community, paying taxes in some other city and building good roads for some other state.

The business men whose advertisements are listed on this page are making a cooperative effort to make the people of this territory realize that everyone, in every walk of life, must pull together to make this a **BIGGER AND BETTER SALEM**.
