

# LOCALS

Otto Klett has begun installation of a pump for the well upon which several months have been spent in drilling. It is located in the basement of the building recently built at the corner of south Liberty and Ferry streets. Salt water, for which he was reported to have been seeking, was not reached.

Dance tonite Crystal Gardens. 152

Unofficial information reaching the office of the state adjutant general of the Oregon national guard is to the effect that company F, Salem unit of the guard, will arrive here at about 6 o'clock this evening. No official communication was sent to the office here, beyond the fact that all national guard units, with the exception of a few details left to put the camp in order, would entrain sometime today.

Capital Ice & Cold Storage Co. phone orders early to 230 to insure prompt residence service. After delivery hours call at plant 560 Trade street. "We never close."

J. F. Spang, owner of the Salem boat house, reports that during the past two days, marked by extreme heat at Salem, more people have taken to the river in rowboats and canoes than at any other time in his experience.

Summer house cleaning sale. John J. Rottle, State and Liberty. 155

The Unitarian church of Salem will be closed during the summer next Sunday being the first of the season when a sermon will not be preached by Rev. Martin Persechian, pastor of the church. It is customary for many Unitarian churches to close down during the summer, he states, the ministers attending universities or religious institutes. Rev. Persechian will remain in Salem, however. He has a law practice here.

Opening dance Stayton Community club Sat. nite, June 27th. Open air pavilion Stayton grove. Talmadge orchestra. Join us and keep cool. 152

"The American Hatter," caretaker of hats and clothing, will establish a new headquarters in Salem tomorrow. The new place will be located at 136 south Liberty street, back of the Bank of Commerce. The old location is at 546 State street, where it has been situated for a year and a half.

Vador porch shades at close out prices. Hamilton. 152

A wayside pulpit, sent to the Unitarian church at Salem several weeks ago, will be erected in the near future on the church grounds. It was sent as a gift by the Unitarian church of Milton, Massachusetts, where Rev. Martin Persechian, minister of the local church, is well known, and where they heard of the new church recently built here. It will be erected by the Laymen's league, of which Miles McKay is chairman and John Gobie treasurer. The pulpit will be used to post various mottoes and extracts from scriptures.

Watermelons on ice at all times Salem Fruit market.

Mrs. Ed B. Keene and daughter, Miss La Velle Keene, returned home yesterday after a two weeks visit in California and Nevada.

Call on us for estimates on window shades and linoleum work before placing your order. Hamilton. 152

A ten pound son was born Tuesday morning to Mr. and Mrs. Dorsey D. Reeves of 1825 north Capitol street. The new arrival is to be named Dorsey Dale, junior. Mr. Reeves is connected with the Terminal barber shop.

Visit our factory demonstration on the Haag Vortex electric washer, all this week. Stiff's. 152

The official board of the First Methodist church, holding its annual meeting last night, reelected Prof. Hobson director of the church choir for the coming year. Prof. Roberts as organist and Miss Mary Finley director of religious education. The financial committee was authorized to fill the offices of financial secretary, sexton and church secretary.

Opening dance Stayton Community club Sat. nite, June 27th, open air pavilion Stayton grove. Talmadge orchestra. Join us and keep cool. 152

Acting on the stipulation and agreement of opposing attorneys, Judge L. H. McMahan of the Marion county circuit court today overruled the motion to set aside the complaint filed by Sam A. Koez, secretary of state, against the John Morrell company, who are seeking to compel the state office to register their firm trademark against the resignation of a similar name by the Pendleton Packing and Provision company. Shortly after, the state attorney, who filed a demurrer to the complaint alleging as grounds that the complaint did not state sufficient facts to constitute grounds for suit. The Pendleton Packing

## LANE COUNTY IS CONGRATULATED ON COOPERATIVES

Eugene, Ore., June 26.—Lane county received congratulations from Secretary of Agriculture Jardine this morning for having the greatest number of successful farmers' cooperative enterprises in Oregon, at a one-hour session with leading farmers and business men of Eugene at the chamber of commerce this morning.

Mr. Jardine said that he had received reports of Eugene's cooperative work through his brother, James T. Jardine, director of the Oregon experiment station, who accompanied him on the trip from Roseburg. "Keep up the good work", the secretary said, "cooperative marketing is the only way the farmer can put his business on a profitable basis and hold it. I've been making a study of cooperative work in California and have found the reason they are successful is because they've used business methods. I don't know of any big business today that is being conducted any more successfully than that of California agriculture. It's the surplus that's been breaking agriculture everywhere. California is getting on because they are merchandising products of the soil as Gary is merchandising his steel."

The speaker's 20 listeners gathered in a semi-circle around his chair. As he was presented with a glass of ice cold milk he said: "Do I understand I am among dirt farmers?" Let's see the hands of those who are dirt farmers here."

Only two men displayed hands. Mr. Jardine was then informed that the group consisted chiefly of heads of cooperative enterprises, business men of Eugene, and retired farmers.

company, co-defendants in the suit, filed their demurrer to the complaint yesterday.

Good shoes at lower prices. John J. Rottle. 155

Peas, apricots, strawberries, raspberries, cherries, currants for canning. Salem Fruit market, phone 926.

A decree of divorce was yesterday granted by Judge L. H. McMahan of the circuit court to Eisie Papenfus from her husband, Paul Papenfus. The decree awards custody of a minor child, Alice, to the mother and reasonable support for the child is required from the defendant. Clear title to real property formerly held jointly is given to the defendant.

One dollar special, starts Sat. 10 a. m. Any cut glass article for one dollar. C. A. Luthy, jeweler. 152

Ethel Lenora Kellow was granted full divorce from Frank B. Kelton in a decree of Circuit Judge L. H. McMahan yesterday. The decree awards the custody of Orvil Donald, a minor child, to the plaintiff with \$25 a month for alimony and support of the child.

See the factory demonstration of the Haag Vortex electric washer now, at Stiff's. 152

J. E. Burch of Albany was in Salem on private business this morning.

Ice cream and cold drinks will be sold on Graber's picnic grounds every Sunday and holiday. 153

Mrs. J. H. Beery of Medford was a Salem visitor today.

Mr. and Mrs. J. N. Dickenson and their son, John, Dickenson were in Salem today. Their home is in Independence.

Mike Dale of Toledo was in Salem this morning.

## OREGON TROOPS END TRAINING

Medford, June 26.—The last of the Oregon national guardmen in camp here since June 12 left for home this morning at seven o'clock. The first of the six trains carrying the soldiers departed at five o'clock. A small rear guard force left behind to clean up minor details still remains at Camp Jackson.

Last night Adjutant General White, in the farewell event of the encampment, presented the city with a brigade flag.

General White left today for Camp Barry, Cal., where he will inspect the artillery branch of the Oregon national guard in training there.

According to General White, "the encampment was highly successful, without a single case of serious illness, no arrests for disorderly conduct, and while the weather was hot, it is a condition," he said, "that prevailed over the entire northwest."

General White also stated that in all probability the encampment would be held here again next year.

The outstanding feature of the encampment from an entertainment standpoint, was the motor caravan conducted by local citizens to Crater Lake national park and Klamath Falls last Saturday, 2000 soldiers being taken on the trip without a mishap.

## HEAT WAVE BROKEN THROUGHOUT STATE 92 MAXIMUM HERE

(Continued from Page One)

weather observer, said he expected the maximum here today to be about 90. He said, however, that the hot spell would continue for two or three days. The reading for 19:30 a. m. compared with 99 for the same time yesterday.

Roseburg Cooler.

Roseburg, Or., June 26.—Roseburg entered upon another hot day, with the indications, however, that the temperature would not reach the high point of yesterday. At the morning observation at 5 a. m., the local weather bureau reported a temperature of 55 degrees, which increased to 78 degrees at 10 a. m., as compared with 99 degrees at the same time yesterday. A light breeze blowing from the north is expected to keep the temperature at least below the century mark.

Pendleton, Or., June 26.—The official government thermometer in Pendleton registered 105 degrees during the late afternoon yesterday. Warm weather prevailed again today, the maximum temperature during the forenoon being 92. Farmers say but little damage has thus far been done to the growing wheat, but they would welcome cooler weather as the present situation is critical.

99 Peak at Bend.

Bend, Or., June 26.—The temperature reached 99 early yesterday afternoon, according to the government weather observer. This was within one degree of the maximum ever reached in Bend. During the night the lowest temperature recorded was 61, a higher minimum than any time before this season.

84 at Eugene.

Eugene, Or., June 26.—Cool breezes during the night and today cooled the thermometer and at 1 p. m. this afternoon the mercury registered 84 degrees. The relative humidity also rose several points and at 1 p. m. a mark of 43 was reported at the headquarters of the Cascade national forest service here.

Medford is Cooler.

Medford, Or., June 26.—Although the minimum last night was the same as the night before, 66 above, and the mercury reading early this morning was practically the same as yesterday, the local weather bureau predicts that the thermometer will not come within 5 degrees of the maximum of yesterday which was 105. For a week now the mercury has not fallen below the 100 mark maximum, which establishes a new record for continued heat in the Rogue river valley.

Klamath Falls, Or., June 26.—A light wind brought some relief to Klamath Falls today, with the thermometer registering 86 at 11 o'clock this morning. At the same hour yesterday it registered 90 degrees. Indications were that the mercury would not go above 95 during the day.

Ivan Lawrence, resident of Cottage Grove, was in Salem on private business yesterday.

Miss Annie Fry was in Salem yesterday.

R. E. Campbell of Los Angeles, in Salem in the employ of the United States government, and studying insects and their effects, was a guest of the Salem Lions club at their luncheon at the Marion hotel this noon.

Collision Hurts Man.

Chicago, June 26.—(A. P.)—Several persons were injured in a collision of two swathed trains on the South Side line of the Chicago Rapid Transit company today. One of the trains caught fire.

Died.

ROWLEY—Mrs. Dora Rowley died at a local hospital on June 25 at the age of 50 years. She is survived by her husband, W. Rowley of Salem. The body is at Webb's funeral parlors. Funeral announcement later.

ENGLES—H. P. Engles died at a local hospital on June 24 at the age of 85 years. The body was shipped to Portland by Webb's funeral parlors for funeral services and interment.

## BOYS SCHOOL AT WOODBURN TO BE READY BY OCT. 15

The new state boys' training school, being established on a 273-acre plot of ground located one and one-half miles north of Woodburn, will be occupied by October 15, L. M. Gilbert, superintendent of the boys' training school, stated in a speech before the Salem Lions club at its weekly luncheon this noon. Construction of buildings and equipment are to cost approximately \$225,000, Mr. Gilbert said. The total amount appropriated by the state legislature is \$250,000.

It will be occupied by about half the number now kept at the present site of the training school. There are now 226 boys under state supervision at the school. The more hopeful class of boys will be selected, Gilbert said, and placed on the new site in units of 20 each. Good results are now obtained from 85 per cent of the boys cared for at the school, but with the new arrangement it is hoped to increase the proportion, as well as giving them better training along lines that will enable them to earn money.

Gilbert gave a detailed account of the efforts put forth to obtain the new branch of the training school, stating that Ben Olcott, then governor of Oregon, was favorable to the project until June, 1921. "Why, you can't explain," said Gilbert, "but along about that time I fell heir to the glassy eye of Olcott's disaster. The result was a general disruption of plans, he indicated. The special legislature of 1920, with Olcott's encouragement, had unanimously favored the proposition.

Speaking of methods of training for boys under state care, Gilbert advocated "discipline of encouragement. The idea of punishing one boy who is caught as an example to 10 others not caught is wrong, all wrong," he declared.

## CLUB TO BALLOT ON PARKING PLAN

Members of the Salem chamber of commerce will be given the opportunity to express their opinion with regard to the proposed change in the local traffic code to provide for head-on parking at their regular noon luncheon Monday when ballots will be provided to each and a vote taken. Members will be asked to register their preference between head-on and head-in parking.

An old-time spelling match will provide the entertainment for the luncheon with Professor W. I. Staley as judge. Two teams will be chosen and will contest for the honors.

The luncheon Monday will be the last before the regular summer vacation. Luncheons will not be held during July and August.

## NEW PARKING PROPOSAL TO GET HEARING

(Continued from page one)

the committee, was not as willing to frankly discuss the matter or present his views for public inspection. "We got some publicity on that question before and I don't want any more of it," was his curt reply to the reporter's question. "I haven't anything to say," he declared emphatically. Purina, however, has argued consistently for the measure, his colleagues declare.

"If the people want it, I am for it," was the declaration of Mayor Geisy, "and I am willing that it should have a fair trial." Asked for his own conclusions he replied, "I haven't any personal conviction on the matter because it has never been given a trial, but I am willing that it should have. I voted for a head-on parking bill when I was a member of the council in 1920, but that bill was vetoed by Mayor Wilson."

As the matter stands now two members of the ordinance committee favor the new system and one is opposed, but all favor reporting
