

### KUSS WORKING HARD TO DEFEAT SENATORS HERE

Tomorrow afternoon the Salem Senators are to meet the Capital City club in the first game of the season. The game is being played at the local stadium. The Senators are being managed by Kuss. Kuss is a former professional baseball player and has been in the game for many years. He is a hard worker and is determined to get the Senators into the playoffs. The Capital City club is a new team and is expected to be a strong contender. The game is expected to be a close one. Kuss is working hard to defeat the Senators here.

### SISLER IS FIRST TO MAKE 100 HITS

Chicago, June 27.—(A. P.)—George Sisler, pilot of the St. Louis Browns, has become the first major league player to pass the century mark in hitting for 1925. Sisler has collected 103 hits and is leading the league in this category. The Browns are in a strong position in the American League. Sisler is a hard hitter and is expected to continue his hot streak. The Browns are looking for a strong finish to the season. Sisler is the first to make 100 hits.

### RUM RUNNER AND BANKERS LOSE TO LEGION NINE

The moneyhandlers of the United States National bank team lost their game to the American Legion and along with it a chance to stay in the twilight league pennant race. The game was the best played on the local diamond this year, taking an extra inning for the Legion nine to break a scoreless tie at the end of the game. In the sixth inning the Bankers cracked and let in three runs which they were unable to overcome in their half, the final score reading 3 to 0. Both hurlers pitched airtight ball and it was not until the fourth inning that a man on either side could reach third base. Jenkins pitched for the Legion nine. The Bankers were unable to score in their half, the final score reading 3 to 0.

struck out eight of the Bankers. Seven of the Legion team returned to the bench via the strikeout route at the hands of Weeks, Banker twirler. The Legion has not lost a game in the twilight league series as yet and it appears as though they would finish the season with a clean slate.

### A Century Ago

There is an age of progress, and especially in matters of health. Chiropractic, which was unknown a century ago, now gets sick people well—quickly and permanently. It deals with the cause of sickness instead of dealing with the effect.

### DANGERS HEAD BILL AT BLIGH

Head of the new show at the Bligh Theatre this Sunday are the "Five Dancing Demons." Five pretty girls make up the company and will offer top dancing and many other novelties. These dangers come from across the waters, where they have studied for several seasons. Frank Lynee and Ruby Lorays, black and tan artists, have so completely fooled the public that it has been necessary to announce from the stage that they are white. They offer comedy chatter that has been a shop-stopped so far on the circuit.

### EIGHT REAL ESTATE DEALS ARE REPORTED

D. D. Sociolovsky, local realtor, reports the following recent transfers of real property in Salem and its immediate vicinity:

Mrs. S. L. Mann bought the Zimac Chase residence on the corner of Waller and South 13th street. Mr. and Mrs. Amos Byrd bought the garage on E. just off Broadway, from S. R. Bend. J. H. Ellis and son bought two lots on Broadway and are erecting a bungalow court. In this deal cooperated with A. J. Mills. Mr. and Mrs. A. J. Gibbins bought a strictly modern new 5-room bungalow located on North 16th street from William Bond.

Mrs. L. H. Fisher of Silverton sold her concrete garage building on the Pacific highway to Mr. and Mrs. W. E. Muller of Salem. The building has been leased to the Wild Rose Dairy after having been thoroughly remodeled and equipped for that purpose. Mrs. L. H. Fisher has purchased a 5-acre, well improved tract on the Silverton road. This tract was former

## New Ford economy

—now made possible by this Eastern economy oil for Fords

MANY Ford owners complain of the cost of operating their cars. Frequent repairs, low gasoline and oil mileage, costly chatter, excess carbon—all these pile up expense and defeat economy.

Yet the car itself is not to blame. The Ford can be, should be in fact, the most economical of all cars to operate.

Correct lubrication is the most important factor in economical Ford operation. This is because the Ford has a unique lubricating system.

The special Ford system of lubrication

The engine and transmission of your Ford are combined in one housing. Both are lubricated by one oil—the same oil.

Ordinary motor oils are not designed to do both these jobs. They may lubricate the engine perfectly but fail as a lubricant for the transmission. This failure results in jerky chatter—destructive vibration—when you start, stop and reverse your Ford.

You can now eliminate this costly transmission chatter, and, at the same time, lubricate your Ford engine perfectly by using Veedol Forzol. It gives these eight economies in operation.

**The Eight Economies of Veedol Forzol**

- 1—10 to 25% gasoline saving
- 2—10 to 25% saving in oil
- 3—10 to 25% less carbon
- 4—Eliminates costly chatter
- 5—Resists heat and friction
- 6—Increased ability to coast
- 7—Resists fuel dilution
- 8—Reduces repair bills

Drive around to the nearest dealer or authorized Ford Agent who sells Veedol Forzol. The orange and black Veedol Forzol signs are everywhere. Have the old oil drained from your crankcase and refill with Veedol Forzol. Be sure to ask for it by name.

# VEEDOL FORZOL

The Eastern Economy Oil for Fords

It costs less than 1 cent a quart to ship Veedol Forzol to the Pacific Coast. When you buy Veedol Forzol, you pay for quality—not freight.

Other makes of cars should use other Veedol oils. The Veedol Chart specifies the correct Veedol oil for your car. Ask your dealer.
