Rev. Parrott Endorsed by Dr. Charles S. Price and Others

DR. PRICE'S LETTER

I have known the Rev. E. B. Parrott, Baptist Evangelist, for the past two years, and have followed his ministry very closely. He is a safe, sane, scriptural preacher and teacher of the four square Gospel of our blessed Lord, and he will prove a great blessing to any church co-operating in his meetings.

Brother Parrott has a forceful, magnetic personality, and a pleasing loving manner of delivery, and has been greatly used of God in the salvation of souls and the healing of bodies. I unqualifiedly recommend him to the fellowship and communion of God's children everywhere, with the assurance that his ministry will be greatly blessed.

Yours in the name of Jesus.

CHARLES S. PRICE, Evangelist.

THE FOURTH PRESBYTERIAN CHURCH

The Community Church, First and Gibbs Streets, Portland Ore. Rev. E. B. Parrott.

My Dear Brother—I want you to know that you and your good wife were an object lesson to us in your daily ministrations of the campaign just closed. Never have I known such meetings where, in the songs, sermons and prayers, Jesus was made so real, so near, so wonderful in seeing power.

JESUS IS HERE—Could be saved and felt at every service. To Mrs. McFarlane and myself your joint ministry has been a great inspiration to us and we are so grateful to our Heavenly Father for the privilege and blessing.

Gratefully yours,

J. N. McFARLANE, D. D.

Deaden Bath-room Noise this Way

Use Celotex in the construction of the walls, as a plaster basis. This material is a very effective sound deadener. Too it has good insulating qualities, when used in the outer walls of a frame house, making it warmer in winter and cooler in summer.

Let us show you further how Celotex can save you money in Home building.
