

# Fourth Month-End HALF PRICE SALE

## Monday--Tuesday--Wednesday

We offer thousands of Pairs of Shoes from our regular stock, including Men's, Women's, Boys' and Children's Shoes at exactly half the marked price. This is our fourth sale. Each one of the past three sales has been larger than the previous one, and thousands of people wait for these sales. We really think this is the most popular sale that has ever originated in Salem.

We do not run these sales for profit. We actually take a substantial loss on each one of them. We find it necessary to clear out the short runs to enable us to conduct a strictly high class Shoe Store, as we carry no cheap Shoes; you may buy shoes cheap from us, but you will never find anything but the best wearing and best fitting shoes on the market in our stock.

This Is An Opportunity To Prove the Above Statement and Buy a High Grade Pair of Shoes For One-Half Their Actual Value
