AMENDED ROAD LEVY LAW CUTS SHARE OF TOWNS

Dallas, Or., July 2.—County Judge Hawkins uncovered a provision in the 1925 session laws this week that packs a wallop which apparently is not generally known throughout the state. This is an amendment to the law regarding the levying of a general road fund tax in each county and the manner of distributing it between the general road fund and the cities or districts in the county.

Under the old law 70 per cent of the general road fund levy went to the city wherein it was raised (or road district) for use on roads or streets, and 30 per cent went to the general road fund to be applied at the discretion of the county court for road purposes. The new law, chapter 328 of the 1925 session laws, amends chapter 4670 of the old law.

It provides for a 50-50 division of the funds between the general road fund and the district or city road fund. It further provides, in regard to cities, that this money must be spent in improving county roads within the city and streets leading to market roads or

POWER COMPANY TAKES PLANT AT FALLS CITY OVER

SHORT ROAD TO BEACHES OPENED

Dallas, Or., July 2.—The new grade over the Butler hill will be opened for traffic over the weekend of the Fourth, according to County Engineer Howe, in order to facilitate coast traffic. The Butler hill, on the new market road, is the closest route for Dallas and all adjacent points to the Tillamook beaches.

It opens the McMinnville-Tillamook highway at Wallace bridge, a short distance above Willamina and cut off about 9 miles over any other available route.

Some construction work is underway between the Butler hill and Buell but this is not difficult.

POWER COMPANY TAKES PLANT AT FALLS CITY OVER

Falls City, Or., July 2.—The Mountain States Power company took over the Falls City light plant at midnight Monday night. They have hired A. G. Montgomery as their electrician and will continue running the same plant until new improvements have been made, and it will probably be six weeks before 24-hours current can be obtained, as new wiring has to be made and meters installed, and the stretching of wires bringing current into Falls City.

BERRIES IN SIDNEY DISTRICT HARD HIT

Sidney, July 2.—The berry crop here was hard hit by the few hot days of last week. Loganberries were in their prime and the extreme heat blistered the fruit so that it is unfit for market, even green berries were damaged to such an extent that it is feared picking in the locality is at an end for this year. F. C. Nichols reports that his loss will run well
