

GREB DEFEATS WALKER; WILLS DOWNS WEINERT

New York, July 3.—The world's middleweight ring crown was still snugly fitted to the head of Harry Greb today after 15 tempestuous rounds of fighting with Mickey Walker, veteran pugilist. Greb was the final bout of four thrilling struggles for charity last night in the ring of the Polo Grounds marked by stunning knockouts.

Harry Wills, veteran negro heavyweight challenger, took only two rounds to dispose of the Newark comeback, Coates Weinert.

Jimmy Slattery, sensational Buffalo, N. Y., middleweight, fell an unexpected victim to a furious attack from the Golden Gate center in the first flying fists of Dave Shade. Floored three times in the third round, Slattery was saved from a ten count when his seconds tossed in the towel.

Jack Sharkey and Joe Lynch, rival veteran bantams, fought a four-round draw.

For 13 rounds of a bruising mill with Walker, Greb fought at close quarters.

Then he cut loose.

Coming out in his corner in the 14th, with a terrific right, he spun the challenger around with a blow to the jaw. Another right found the same mark as Walker went to the ropes, and for the first time since he became champion of the 147 pounders, the Elizabeth (N. J.) boy was staggered and broke.

Greb leaped upon Walker and drove him from rope to rope. The challenger, his face bleeding from steady pounding, strove to protect himself and then, in one final effort, he lashed out with right and left at the astonished Greb.

The rally kept the middleweight champion at bay until the bell, and he went vigorously after a knockout in the 15th, but instead of a willing foe, he found a wounded lion. Six times Greb ripped sledgehammer drives into the Pittsburgh man's stomach until Greb, recovering, went back at his opponent.

The crowd of 65,000 was electrified by a spectacle of two champions belting each other. Thus the final bell found them—Greb majestic in a clever and decisive victory over a foe he outweighed at 159 by seven pounds. Walker, great in an exhibition of fighting pluck which cost him some of his prestige as a champion, welterweight.

The battle had the spectators on their toes throughout with its speed, a dangerous hitter at a distance, was given few opportunities to mix as he quickly took the fight to close quarters, where he used his weight and every trick he knew to outscore Walker with a flying right that never ceased in its windmill journey.

Wills, who has for several years perched patiently on Jack Dempsey's doorstep, has muscles that are still limber and strong. At 213 pounds he had a 23 1/2-pound weight advantage on Weinert. Wills quickly put Weinert on the defensive in the first round, and then finished him after one minute and 45 seconds of the second.

FALLS CITY OUT FOR BEACH ROAD

Falls City, July 3.—In this particular section a struggle is on to open up a road to Toledo and Newport through Dallas and Falls City. This would afford a short cut for all travel to that beach resort from the north side of the state. Saving about one half of the distance from Dallas to Newport and Toledo over going around by Corvallis as at present it has to be done.

The public generally at Falls City, Valsec and along the road have donated generously for this improvement and considerable work has been done on the road.

PEACE TERMS WILL BE OFFERED RIFFIAN LEADER

Paris, July 3.—(A. P.)—The French foreign office today received information that conditions of peace to be offered Abd-el-Krim, the leader of warring Rifflans in Morocco, are being prepared by the Franco-Spanish conference at Madrid. There is little chance here that Abd-el-Krim will accept.

The peace terms will be offered Abd-el-Krim in the name of Spain, although representing both French and Spanish views. The intention is to give the Rifflian leader an opportunity to show whether he wants peace on what the French and Spanish regard as reasonable terms.

The purpose of the Madrid conference is to determine a joint program whereby France and Spain may end the Moroccan warfare.

SEEK REVOCATION OF TEACHER'S CERTIFICATE

Chadwick C. Newhouse, a Lane county school teacher, appeared before State Superintendent J. A. Churchill yesterday to show cause why his certificate to teach in Oregon should not be revoked. He is accused of conduct unbecoming a teacher, and young boys are said to be involved.

Newhouse once taught at Hood River and is said to have lost his certificate for similar reasons. Later he attended Oregon Agricultural college and his certificate was restored. Shortly after the first of the present year he resigned at Eugene because of the charges against him, and was employed at Marion.

The Lane county superintendent demands that his certificate be revoked. The Eugene school board offered testimony in his behalf, but is unwilling to employ him again. State Superintendent Churchill took the case under advisement.

45 BOYS SIGNED UP FOR Y M CAMP

Approximately 45 of the quota of 60 boys to go to YMCA camp at Neskewin this summer have signed up, it was stated yesterday by Secretary B. J. Kimber of the county YMCA. Practically all of those yet to go must be from outside the city, Salem's quota of 30 having been filled. The camp is to be held for a period of two weeks, beginning July 23.

The sunken forest, located under the ocean surface a few miles from the spot selected as a camp site, will be explained in detail by Deputy State Forester Cronemiller, who has been secured to instruct the boys at the camp.

Instruction will be worked in with the regular activities of the camp, which are to consist for the most part of hiking, swimming and athletic contests.

"Chief" Bent of the Chemawa Indian school will give instruction in woodcraft and Indian lore. Mr. Hatcham, local authority on botany, will instruct the boys in woodcraft and botany. Bob Boardman of the local YMCA staff will give instruction in life saving and first aid, assisted by doctors brought from Salem for the purpose. Boardman will also have charge of all camp athletics.

B. J. Kimber will give instruction in pageantry, Bible study and pioneering.

OREGON'S QUOTA IN DEFENSE TEST IS HELD ASSURED

Adjutant General George A. White declared yesterday that Oregon will easily attain its quota of 30,000 defense test one-day volunteers, and that he believed that number already has been exceeded. He further states that he believed Portland alone would almost make the state's quota.

General White gives great credit to the Portland organization where one committee is headed by eight reserve officers and another committee of 200 is headed by Col. C. E. Dentler, with Charles Townsend as secretary.

Baker and Oakland will observe defense tests by municipal celebrations tomorrow. Salem will have no celebration and is depending on enrollments through fraternal orders, clubs, churches, etc., to reach its quota of 100. It is the smallest and probably the newest town in the state, reports in with 84 names. Seaside will have a monster celebration tomorrow and expects more than 10,000 enlistments.

Among organizations that are especially active are mentioned the Knights of Columbus in Portland, 1929 names; Portland post of Veterans of Foreign Wars, 1053 names; and the American Legion post of Salem with 780.
