Salem Group Active at Agate Beach

With the coming of summer and the flocking of Salemites to their summer homes the center of social activities is moved from the capital city to the beaches. A number of Salem's most prominent families have their summer homes at Agate Beach near Newport for a number of years and each year a number of brilliant affairs are given from time to time to furnish variety from a round of hiking, surf bathing, clam bakes and other diversions.

Two particularly delightful affairs were given at Agate Beach during the past week by the Salem summer colony. A musicale tea at the Hal D. Patton attractive beach home was an event of the afternoon of July fourth. The large living room which is done in red and black was lovely with masses of Indian paint brush, mounted dahlias and wild huckleberry. Mrs. Patton was assisted by Miss Nina Troloff. A large number of Salem, Albany and Portland people were bidden to the affair.

The program for the afternoon opened with vocal solo by Leon Jennison with Mrs. Jennison accompanying. Miss Esther Dieffenbach sang also and J. R. Sites accompanied her. Several numbers were given by a quartet composed of Mrs. Jennison, Miss Dieffenbach, Mr. Jennison and Dr. Sites. Miss Marie Patton, cellist, played several solo numbers and a trio composed of Miss Joan Patton and Miss Margaret Bell, violins, and Miss Marie Patton, cellist, delighted the audience also. Dr. Sites played the organ accompaniment. Other numbers were duets by Dr. Sites and Mr. Jennison and a violin solo by Tommy Livesley.

On Saturday evening the Salem group gathered on the beach around a huge bonfire for a marshmallow toast and wicker roasts. A patriotic address was given by Colonel E. Hofer and Dr. J. R. Sites led the community singing. Fred A. Williams was master of ceremonies and Hal D. Patton was the official collector of driftwood and tender of the fire. During the evening Leon O. Jennison read a number of his poems. Fritz Slade and William Bell took charge of the beautiful fire works.

The group included the following from Salem: Mr. and Mrs. Fred A. Williams and family, Mr. and Mrs. Hal D. Patton and family, Mr. and Mrs. Fritz Slade and family, Mr. and Mrs. William Bell and family, Mr. and Mrs. John J. Roberts and family, Colonel E. Hofer, Mr. and Mrs. R. M. Hofer and family, Mr. and Mrs. T. A. Livesley and family, Miss Nina Troloff, Mrs. Amos Strong and grandson, Fred Thielsen, Jr., Mrs. Dan Burns and daughter, Miss Esther Dieffenbach, Dr. and Mrs. John R. Sites, Mr. and Mrs. Leon O. Jennison. The party also included Mr. and Mrs. Percy Young and family of Albany, Mr. and Mrs. W. R. Billyeu of Albany, Mr. and Mrs. Harry Cusick of Albany, Mr. and Mrs. Barney Goldstein of Portland, Jim Sanders of Albany and Oscar Hutton of Portland.

Riding along the beach is always a popular diversion among the horse lovers, and the sport is even more popular this year. The Salemites were interested over the week end in horse races between Miss Mildred Roberts and Tommy Livesley, both of whom had their own horses sent over from Salem.

Mr. and Mrs. William McGilchrist, Sr., Miss Ethel McGilchrist and Mrs. William Douglas (Nabel McGilchrist) and her three children of Berkeley, California, have returned from the McGilchrist summer home at Nye Beach where they spent more than a fortnight. Mr. Douglas came up from California on Friday evening and at Albany Miss Hazel McGilchrist met him and they motored over to join the other members of the family at Nye Beach. Mr. and Mrs. Douglas and Miss Hazel McGilchrist came back on Sunday evening and Mr. and Mrs. Douglas left yesterday for Seattle to spend a week. The remainder of the group returned yesterday and the Douglas children will remain here until their parents return. They plan to visit here for a week before returning to their home in California.

Miss Loan Schuere and Miss Heester Schuere of Detroit, Michigan, who were the guests over the week end of Mr. and Mrs. Clarence Byrd left Monday morning for Seattle to attend the sessions of the American Library association which is convening there. Both Miss Schuere and Miss Heester are librarians in Detroit. Miss Schuere is Mrs. Byrd's cousin. With the Byrds they spent the week end on a camping trip on Thomas creek in the Cascades.

Miss Lena Belle Tartar has returned from a week at Nye Beach and a week's visit with relatives in Corvallis. Miss Tartar will leave shortly after the first of August for Portland where she will study with Yeatman Griffith, an eastern artist, with whom she also studied last summer.

Mrs. J. R. Sites is a guest at "Madison," Colonel and Mrs. E. Hofer's summer home at Agate Beach. Dr. Sites returned yesterday from a week end spent there.

Mrs. C. E. Nelson and her three children will leave this week for their summer home at Neokwin to spend the remainder of the month.

Walling Clan Has Reunion

At the national convention of the Business and Professional Women's clubs of the United States to be held the week of July 12 at Portland, Me., delegates will attend from Oregon representing Astoria, Corvallis, Coos Bay, Eugene, Hood River, Klamath Falls, Medford, Portland, Roseburg, Salem and The Dalles.

The great entertaining feature of the convention each year is pranked night, devoted to fun and stunts put on by the various visiting clubs, and the stunt planned by the Oregon delegation is unique in its entertaining features as well as in the thought to advertise the state. Eleven beautiful Pendleton Indian blankets will be presented by the Oregon delegation free to the lucky winners, one representing each city in Oregon in which there is a club branch of the business and professional women's club.

The presentation to the winners will be in the nature of a real Indian powwow, with all the trimmings of costumes, settings and Indian music, at the conclusion of which there will be a formal presentation to the incoming national president, retiring national president, Miss Adella Frichard, and the general chairman of the national convention, each with a beautiful Pendleton Indian blanket. The presentation talks will be delivered by Dr. Mary Purvine of Salem; Mrs. Alice B. Maloey of Marshfield, national vice president, and Mrs. Josephine Forney of Portland.

Portland's representative included Miss Martha Gauch, Mrs. Claude Davis, Mrs. Josephine Forney, From Salem, Dr. Mary Purvine, Mrs. LaKue Ross and Miss Grace Smith will attend the convention.

The national president of the organization, Miss Adella Frichard, is an Oregon woman and a resident of Portland. Miss Louise Hacker of Portland, state president for Oregon, will be unable to attend. It is expected that about 3000 delegates will be assembled in the convention hall at Portland, Me., when the gavel of the president opens the meeting.

The convention committee in charge of Oregon's presentation to the national convention is headed by Miss Martha Gauch, assisted by Miss Alice Agler, Miss Margaret Aune, Miss Abbye Bland, Miss Helen Budd, Miss Bess Colwell, Miss Edith Dalley, Mrs. Josephine Forney, Mrs. Ruth Gooch, Miss Rena L. Herrick, Miss Alice M. Kraenick, Miss Bertha MacSchwan, Miss Alice Wilson and Mrs. Lela Wright. These women have arranged the stunt. Local chairmen of convention of the club branches outside of Portland are: Miss A. Grace Johnson, Corvallis; Mrs. Leslie Root, Hood River; Mrs. D. R. Ross, Salem; Mrs. M. B. Gilmore, Eugene; Miss Ruth Johnson, Astoria; Miss Vera McKay, Coos Bay; Miss Rosa B. Parrott, Roseburg; Mrs. Gertrude E. Moore, Klamath Falls; Miss Jane Olson, Medford; Miss Dora N. Sexton, The Dalles.

The clubs of Maine will be the hostesses to the representatives of the clubs of the entire United States in a series of brilliant entertainments and sightseeing trips.

Last year the convention was held at West Baden, Ind. The convention this year promises a great attendance by reason of the rapid growth in membership of the organization throughout the United States, local workers believe.—Oregonian.

Walling Clan Has Reunion

More than eighty five members of the Walling clan, descendants of Jesse Dutton Walling and Gabriel Walling met in the J. D. Walling grove at Lincoln on Sunday, June 25. The group included children, grandchildren and great grandchildren from Salem, Portland, Independence, Amity and other valley towns and as far as San Francisco.

Eight of the fourteen children of Jesse Dutton Walling are still living and seven of these attended the reunion last week. They are Ben F. Walling of Portland, J. D. Walling of Salem, Grant Walling of Amity, John Walling of Salem, Mrs. Ann Walling Pease of Portland, Mrs. Flora Walling Toner of Yaguna and Mrs. Jennie McFarlan of San Francisco. Mrs. Alice Walling Pomeroy of Twin Falls, Idaho, was not able to be present.

The reunion was held on part of the original homestead purchased by Jesse Dutton Walling in 1847. It is owned by his son, J. D. Walling, at this time. A dinner was served at noon under the trees and a short program given during the afternoon.

Jesse Dutton Walling and his wife, Eliza Ann Wise left their home in Iowa on March 1, 1847, for Oregon. With them were their four oldest children. The journey from Iowa to the Willamette valley took exactly seven months and they arrived in Oregon City on September 30. At Christmas, 1847, Mr. Walling purchased the McPherson homestead at Zena in Polk county. This is still in the family. He was killed by a horse on the road between Dallas and Zena when he was only 54 years of age and his widow lived on the farm until 1889. She moved to Portland and lived with her daughter Jennie McPherson and died there in 1893.

The Walling family is one of the largest and oldest of the pioneer families in this part of the valley. The reunion is an annual affair.

Eat the Right Breakfast Hot Days

Quick Quaker cooks in 3 to 5 minutes
Supplies the energy you need

SOME people make a practice of passing vigor foods in summer. That's a mistake. Above all things, you must eat foods that give strength. For hot days drag energy away. For breakfast, have oats and milk. Quick Quaker cooks in 3 to 5 minutes. And that makes it easy. No hot kitchens. No fuming, no frying, no stewing. Start on oats tomorrow. Note how good you'll feel. Mark the way that dragged-out feeling goes. You'll smile at hot days. You'll work better, think better. Just try it!—See the difference.

How other women never lose a day's charm

Just try this NEW way that solves woman's oldest hygienic problem so amazingly

SOME women are fresh and charming every day. Never is a day lost. Their secret is simple... just correct personal hygiene. Follow it... see what a great difference it makes to you. Modern science has supplanted the old-time sanitary pad with a better, safer way. Wear filmy frocks and gayest gowns, dance, motor, come in contact with others with never a worry. Live every day of your life, unhandicapped. This new way is Kotex... a method scientifically right. It absorbs 5 times the moisture of the ordinary cotton pad. And that means great protection. It is as easily disposed of as a piece of tissue—that ends an old-time embarrassment. It is decolorized. And that prevents danger of offense. You get it at any department store or drug store, just by saying "Kotex." And that banishes the embarrassment of asking for a "sanitary pad." 8 in every 10 women in the better walks of life have adopted it. Which proves its benefits. It will mean much to you in health, in daintiness and protection. It proves old ways a needless folly.

KOTEX DEODORIZED

1 Protection: 5 times as absorbent as cotton pads. Absorbs 15 times its own weight in moisture—and scientifically deodorized. 2 No laundry. Discard as easily as a piece of tissue. 3 Easy to buy, anywhere. You ask for them by name. Many stores keep them ready-wrapped—help yourself, pay the clerk, that is all.

Palmolive complexions do not come from other sorts of "olive oil" soaps

WE have led millions of women to expect fine complexions from olive and palm oils, as used in Palmolive Soap.

They have gained added beauty and fresh, clear skins. But some credit those results to olive and palm oils alone. And any "olive and palm" soap may claim to be a soap like Palmolive. They are mistaken. Olive and palm oils have been used for ages. Cleopatra used them—Roman beauties used them. Castile soap—the real castile—attained its fame on olive oil alone. But olive and palm oils in those forms never brought great results. Palmolive Soap has brought new beauty to millions. It has thus become the leading toilet soap of the world. It is made in five countries to supply the world demand. And one is France—the home of fine cosmetics. Just because Palmolive, based on 60 years of soap study, gives to these oils a new effect on the skin. It has multiplied beautiful complexions. Now many times as many women keep their youth and charm. There are soaps at 25 cents and over, which approach Palmolive in results. We know of two. But Palmolive sells at 10 cents—no more than ordinary soaps. Enormous production brings you this modest cost. Now countless "olive and palm" soaps are offered for like purpose. Some have artificial colors, some are over-fatted. They will cleanse, if you want mere cleansers. But don't expect such soaps to bring Palmolive results to the skin. That is impossible. Note the unnatural "too green" color of Palmolive imitators. What does that suggest? Men don't paint nature to improve it. Olive and palm oils—nothing else—give Palmolive its delicate, natural color. Olive and palm oils—no other fats whatsoever—are used in Palmolive. No "super-fating," no "super-anything"—the only secret to Palmolive is its blending. And that is judged one of the world's priceless beauty secrets. Wash, launder, cleanse with any soap you wish—but when beauty is at stake, take care. Use Palmolive, a soap you know is safe to use. Palmolive is nature's formula to "Keep That Schoolgirl Complexion."

Soap from Trees

The only oils in Palmolive Soap are the soothing beauty oils from the olive tree, the African palm and the coconut palm—and no other fats whatsoever. That is why Palmolive Soap is the natural color that it is—for palm and olive oils, nothing else, give Palmolive its green color! The only secret to Palmolive is its exclusive blend—and that is one of the world's priceless beauty secrets.

Note carefully the name and wrapper. Palmolive is never sold unwrapped.

BABY TROUBLED WITH PIMPLES

Was Fretful and Cried at Night. Cuticura Heals.

"My baby three months old was troubled with a breaking out of red blotches and pimples on her neck and stomach. The pimples were small and red and a few of them itched. Her clothing irritated the affected parts, and she was fretful and cried nights. I tried different remedies without success. My mother recommended Cuticura Soap and Ointment so I sent for a free sample. It helped her so I purchased more, and after using one cake of Cuticura Soap and about a box of Cuticura Ointment she was healed." (Signed) Mrs. Adam Holman, 246 So. Ivy St., Medford, Ore.
