4 HOMES SOLD BY ROCKEFELLER TO SON; CASH PAID

New York, July 13—(AP)—Sale of John D. Rockefeller's four homes to his son John D. Rockefeller, Jr., is announced, but vigorous denial is made that the purchase is to avoid heavy inheritance taxes which would be levied if the son were to come into possession of the homes after the father's death.

The properties involved are the 300 acre estate at Pocantico Hills, Tarrytown, N. Y., town house in New York City, country estate at Lakewood, N. J., and winter home at Ormand Beach, Fla.

At the office of Ivy L. Lee, counsellor of public relations for the Rockefeller family, it was stated yesterday:

"The price paid in round figures for the four pieces of property was more than $3,000,000. The property was not sold to evade the inheritance tax or the gift tax, as suggested. The money was paid in cash."

Had the properties been willed, Mr. Rockefeller's estate, after his death, would have to pay a forty per cent federal tax, plus state taxes in New York and New Jersey.

STRIKERS LEFT WITHOUT FOOD GROW RESTLESS

Canton, China, July 13.—Great dissension is evident among striking Chinese here because many are left without food or shelter under the present method of distributing relief funds. The present estimate shows 250,000 strikers are in Canton and each one is entitled to shelter and food, valued at 20 cents, daily.

In order to provide for transportation service by water from Canton to Hongkong when the threatened strike becomes effective on river vessels arrangements have been completed by foreign naval units for an emergency service.

No confirmation was obtainable here today by a report that Yunnanese troops had renewed their attacks on Cantonese forces, although firing was heard.

The burial of Chinese soldiers killed during the recent fighting near Shameen, the foreign concession, proceeded yesterday without incident.

PRISONERS LOSE TO PORTLANDERS

For the first time in three years the Oregon state prison baseball nine was blanked when they lost to the Wentworth Irvin nine of Portland by a score of 5 to 0 on the prison grounds yesterday afternoon. Levoff, Wentworth hurler had lots of stuff and perfect control. He struck out 14 of the prisoners and allowed but five scattered hits.

Foster, penitentiary hurler struck out 12 and allowed but four hits. Errors were responsible for the five runs scored.

The score:

	R	H	E
Wentworth Irwin	5	4	0
Penitentiary	0	5	5

Batteries—Levoff and Brown; Foster and Fike.

NEW INCORPORATIONS

Notice of an increase in capital from $5000 to $10,000 was filed by the General Laundry of Portland.

The Salem Senators won their game against the West Linn nine on the Oxford park diamond yesterday afternoon by a score of 9 to 0 in one of the most hectic affairs yet played on the local field. The visitors left the field and forfeited the game after six innings of bickering back and forth.

Umpire Oass started off on the wrong foot in the first inning and continued to stay there until the grand finale when everybody started for cover.

Both sides put up vociferous cries against decisions which interruptd the game at frequent intervals. The umpiring was the worst exhibition yet seen on the local diamond.

Bouton Gets Homer.

The locals started scoring in the first inning when Bouton worked the count to two balls and two strikes. The next ball he hit over the fence but it was foul by a few inches. On the next pitch he hit the ball over the fence and made sure that it was fair by hitting several feet inside the line. Maples and Proctor were both easy outs but Bill Steers got a single into left. Keene flew out to Morgan.

The visitors tied the count at one-all in their half of the second when Jones got a hit to short which was too hot to handle. Rittenhouse got a single and Jones went to second. Davis went out Barham to Keene, both other runners advanced. Shulson got a single and Jones crossed the plate. Shulson went out at second when he tried to stretch his hit on the thrown in. Steers made a nice play on Wills fly ball.

Ashby Is Pounded.

In their half of the third the visitors knocked Ashby off of the mound when they scored four runs. Morgan got a single and went to second when Barham threw wild to Keene in an attempt to catch him off base. Judd got a hit to short. Medley flew out to Keene. Jones got a hit to Maples and Morgan went to third. Jones only beat the throw by a hair by fast running. Rittenhouse got a single and Morgan scored. Judd went to third on the play and scored when Bouton threw wild to Maples. Davis singled and Rittenhouse scored. Barham went in to pitch and threw one ball which Shulson popped up to Maples.

In their half of the third the locals crossed the plate three times. The game might not have been disputed had the umpire made a good decision on a play at first. Bouton got his second hit of the day when he singled. Maples singled and Bouton went to second. Proctor got a hit and both runners advanced. Steers hit to Medley who threw Proctor out at second and then threw out Steers at first. Steers had crossed the bag which caused a terrible explosion on the locals' part. This made two out with men on second and third. Keene hit the ball over the right field fence scoring Maples ahead of him. Bouton had scored on the double play. Barr got a hit. Stone balked and Barr hot-footed it out for second but Stone turned and threw him out at second. This caused another disturbance but the umpire would not allow the balk.

Locals Tie Score.

The fourth inning was a blank to the visitors as they were able to get only one hit. The locals tied the scor in their half when Rinehart got a single and went to second on Davis' error. Edwards sacrificed him to third. Barham sent out a sacrifice fly and Rinehart scored after the catch.

Medley attempted to bunt but was called out for interference with the throw by Barham. It was the visitors' turn to crab, and they did. The next two men were easy out. The Senators were unable to do anything in their half of the fifth. In the sixth the locals scored two runs before the players tired of the game. Barr was called out on strikes. Rinehart walked. Edwards got a fielder's choice while Morgan threw Rinehart out at second. Rinehart slid into second and stopped a pretty double play He took Medley's shoe off and Medley started to poke Rinehart. Rinehart was too fast for him, however, and held his hands and started to retaliate but was stopped by the rest of the players. Barham hit the ball over the right fence scoring Shackman, running for Edwards, ahead of him. The umpire called the homer a foul and Edwards dashed out and informed him where the foul line was situated. Oass then declared the ball fair and the runs counted. The visitors protested vigorously on the decision and Oass was running back and forth trying to decide what he would call it, foul or fair.

Game Is Forfeited.

The visitors protested so hard that the umpire decided to call it a foul and continue the game. Edwards refused to let him call it a foul and the West Linn nine left the field, Umpire Oass finally forfeiting the game to Salem by a scor of 9 to 0. The score stood 7 to 5 in favor of the locals before the game ended so abruptly.

Ashby threw exactly 39 balls, ten balls and 29 strikes. Barham threw 30 balls—16 balls and 24 strikes. Stone, hurler for the visitors threw 89 times—60 strikes and 29 balls. Eighteen of them were pitched in the third. Umpire Oass left suddenly after the game, even forgetting to come after his check.

The locals are nearly $200 in the hole, according to the announcement by the officials which they are attempting to make up by giving a benefit dance next Saturday evening in the Crystal Gardens. The Bliss Novelty orchestra will furnish the music. Edwards is urging the fans to back this dance and help pull the club out of the hole.

Other League Games.

Albany, Or., July 13.—Bunching hits in the eighth inning here today the Hillsboro team of the Interstate league defeated Albany, 2 to 1, in a regularly scheduled game. Doubles by Henderson and Wes Schulmerich and a single by Henderson were responsible for the scoring. Albany scored in the fifth on a single, a stolen base and another single. Summers of Albany batted 1000 per cent, getting two hits, a walk and a sacrifice in four time at bat.

Batteries—Myers and Kreitz; Beamis and King.

Luckenbach lost their game to Camas yesterday in a hard fought battle by a score of 4 to 3. Luckenbach was without the services of Rudy Kallio, Salt Lake hurler of the Pacific Coast league, who has settled his argument with the club and signed to play with them. Kallio was the cause of the Salem downfall in their first loss of the season. By losing the game they lost chances of winning the Interstate league pennant unless they are able to win from Salem in both games that are to be played. If Salem loses two games and Luckenbach wins all of theirs they will still be behind.

FRAMED BOXING CONTEST LANDS BACKERS IN JAIL

Yuma, Ariz., July 13.—(A. P.)—Tony Fuente, Mexican heavyweight boxer, whose ring career has been marked by several collisions with the law, and three others awaited in the county jail here today the outcome of their latest trouble. Fuente, and his opponent, in a fight Friday night, a boxer, who posed as Sailor McCarthy of Lose Angeles and their managers and the promoter were arersted and charged with violation of a state law against staging "framed" boxing bouts. McCarthy, who is believed to be Nick Nowman of Los Angeles, escaped.

Besides Fuente those in jail are Charley Carcia, promoter; Al Lopez, Fuente's manager, and "Pop" Nealis, manager of McCarthy. The trouble started when McCarthy's seconds tossed up the sponge in the second round The spectators who had been booing the fight from the start, were swarming toward the ring when officers interfered and arrested the five. McCarthy escaped by hiding near an ice plant and catching a freight train out of town.

It was a short battle. A little preliminary sparring and Fuente rushed McCarthy to the ropes, striking the Los Angeles man on the back of the head several times. The bell saved McCarthy.

McCarthy's second tossed up the sponge when the bell clanged for the second round.

Receipts of the show were seized by the city council.

FORD FORMALLY ENTERS BIDDING FOR 200 SHIPS

Washington, July 13.—(A. P.) Henry Ford has formally entered the bidding for the 200 vessels offered for sale by the shipping board for scrapping with an offer described by Chairman O'Connor as "way over" that of the Boston Iron and Metal company of Baltimore, the best previous bid submitted.

The Detroit manufacturer's tender was handed to the board Washington, July 11.—(A. P.) Mayo, his chief engineer, 24 hours after the board had rejected the recommendation of President Palmer of the fleet corporation for acceptance of the $1,370,000 bid of the Boston Iron & Metal company and ordered further negotiations on the sale. The latter company was one of 20 bidders whose tenders were opened June 30th.

Russians Send Arms

Canton, July 13—(AP)—The local correspondent of the Japanese semi-official news agency says it is reliably reported that a Russian steamer bearing 1,500,000 rounds of amunition, has sailed from Vladivostok for this port.

TWO YOUTHS DROWN AS FIANCEES AWAIT THEM

Seattle, Wash., July 13—While their fiancees waited for their return, Theodore Finke and Harry Loren Meyers of Seattle, drowned in the Stilliaguamish below Granite Falls, 45 miles northeast of here yesterday while attempting to take pictures of the plunging waters.

Meyers, a senior at the University of Washington, sacrificed his life when he plunged into the roaring water in an effort to save his companion who had slipped off a rock. Both were sucked below the surface in an instant and were dead before rescuers could reach them.

Meyers was engaged to Miss Mable Finke, a sister of Theodore, and they were to have been married after his graduation. Finke and Miss Irene McGrath had planned marriage as soon as a home now under construction was completed.

Chicago, July 13—(AP)—The situation in Canton is reported quiet. Hundreds of agitators have proceeded from the city to the coast ports to carry on propaganda.

HELP WANTED
Female

WOMEN WANTED—Wages 55c per day. I offer Salem housewives steady employment, one day each week, preferably Mondays. Only the ambitious need apply. The work is hard, backbreaking, unpleasant. Work no man would do. The environment is a steamy atmosphere, exposing you to colds and grippe. It's harder on health than most any feminine labor. Your hands must be soaked in changes of hot and cold water, and in time will lose all their beauty and loveliness. You must spend hours bending over a washtub rubbing your knuckles raw. You will be required frequently to work when physically unfit for such a task. If ambitious and willing to work, I offer steady employment one day weekly. And whatever ambition you start with. I'll sap from you before evening. I am the washboard, and the 55c wages is the difference between the slight cost of laundry service and hard labor over me. Will you start in Monday.

Would you answer this ridiculous want ad?

Now Isn't This True?

Let's just "suppose." Suppose you never had done a washing yourself at home. Supose you had always sent everything to the laundry, and were more than satisfied with the work. Suppose custom dictated laundry service—and all the other women, too, shunned washday drudgery.

Then suppose you should read of this wonderful opportunity (?) in the want-ad. Would you apply for the job? WOULD YOU. Would you submit to this disagreeable labor for wages of 55c per day, if you weren't accustomed to it? Most emphatically, you know you would not!

Then Why Do It Now?

Please consider. Doesn't this ridiculous want-ad describe exactly what you are doing today? Slaving away at woman's most dreaded labor for wages of 55c per day? Then why go on doing it—just because you've always been in the habit of doing it—just because you saw your mother do it before you.

In your Mother's and Grand-mother's time, laundry service was not so satisfactory or inexpensive. But now we do washings by the pound cheaper than you can do them at home on an electric machine. Modern science has brought entire new laundry methods. This laundry has revolutionized clothes- washing. No harmful, clothes-eating materials are used at this laundry!

There's no reason to wear yourself out longer slaving away over a washtub.

Figure It Out Yourself

Face this question frankly. Few have ever checked up, kept records, or learned how much it costs to do the washing at home. Do this, and you will be surprised!

You never have enough hot water, without extra heating, to PROPERLY do a family washing, especially between now and next winter. Actual test—actual meter readings, and records of fuel consumption—shows it costs 15c to 20c to heat this extra water. Careful records show it costs 10c to 15c for the several materials required for one week's family wash.

Total average cost of water heating and materials, at least 30c per week.

Wet Wash

Try our economical Wet-Wash service. It saves you far more work than an electric machine, and actually at less cost. Everything scientifically washed with purest of materials, and returned slightly damp, just right for ironing. 20 pounds or less, 75c. 4c each additional pound. Four other thrifty services. Just phone

You Earn 55c Wages

Now this same average family wash is within 20 pounds. We now wash 20 pounds for only 75c—returning your clothes sweet and clean, as sterile as a surgeon's gown.

Figure it out. If you submit to this drudgery at home, you, are slaving away for wages of 55c per day.

And it is work your husband would never do. Frankly, how often does your husband rub HIS knuckles raw over a back-breaking, health-wrecking wash-tub? It's no work for a man.

If you MUST save this 55c per week wages you earn by doing the washing at home, why not find some easier, more pleasant, better-paying employment? Send your washings to us, and SAVE THE DIFFERENCE.

Hundreds in Salem send all their clothes to the Capital City Laundry. Won't you join these in freedom. Just phone 165. Our routeman will call for your bundle.
