Forty war mothers including state officers and members of the chapters of Salem and Albany met at luncheon at the Gray Belle at twelve o'clock today honoring Mrs. Margaret McCluer of Kansas City, national War Mother, who since last night has been the guest of the Salem group. The luncheon was informal in nature with no definite program.

Mrs. McCluer called a meeting of the state board immediately following the luncheon. The following state officers were present: Mrs. Florence Garver, Portland, state war mother; Mrs. F. A. Elliott of Salem, vice president; secretary, Mrs. Emma S. Fieble, Portland; treasurer, Mrs. C. Belle Duncan, Portland; auditor, Mrs. Ella Downey of Portland; corresponding secretary, Mrs. John E. A special feature also was the playing of the electric fountain. Mrs. McCluer gave a brief talk in which she outlined the various activities undertaken by the national organization. She told of the new mother home which will be erected near the large veterans' hospital at Denver. She stressed the necessity for preparedness.

Mrs. McCluer will leave on a late train tonight for Sacramento, California, where she will meet the War Mothers on Saturday.

Woman's Club to Lead Story Hour

Despite the fact that summer is usually a time of inactivity on the part of many clubs the Salem Woman's club has undertaken a new work for the vacation months. For one hour each day for six days a week until the end of August the club members will take charge of the story hour at the Fourteenth street playground. Mrs. Wm. Fordyce Farge, president of the club, has arranged to have each of the standing committees of the club in charge for one week. Next week the health committee, of which Mrs. F. A. Elliott is chairman, will lead the story hour from two to three o'clock for the children between six and nine. Members of this committee are Mrs. W. H. Byrd, Mrs. E. E. Fisher, Mrs. Grant H. Bonnell, Mrs. A. L. Wallace, Mrs. Fredrick Hill Thompson. This plan will allow Miss Grace Snook, director of the playground, to devote more time to the older children.

After ten days at the girl reserve conference at Seabeck the Misses Rosalie Van Winkle, Minnie Shrods, Rosalie Buren and Eloise Wright returned to their homes last night. Mr. and Mrs. David Wright motored to Portland to meet them.

Complimenting her daughter, Miss Amelia Babcock, on her birth day anniversary, Mrs. W. P. Babcock entertained at an attractive dinner in the Babcock home last night. A crystal luncheon of blue hydrangeas and pink pinks and blue candles in crystal holders with fluffy bow of blue tulle centered the table. Covers were laid for Miss Babcock, Mr. and Mrs. Homer Smith, Homer, Jr., Mr. and Mrs. Merrill Ohling, Miss Helen Smith, Miss Josephine Shade, Mrs. Sarah Woodruff, Miss Bertha Babcock and the hostess, Mrs. W. Practically all business houses in the city with the exception of confectionery shops and cigar stores were closed for the day, and for the most part their proprietors had gone to Portland. By 8 o'clock this morning Oregon Electric company officials reported that on their line alone 350 people had already left Salem for Portland. Cars were added to all regular trains, and a complete special was made up at 8 o'clock. Two specials will bring the crowd back from Portland, hours of leaving being 11:30 and 12:30 p. m. Automobiles began leaving Salem for Portland as early as 4 o'clock this morning. It has been estimated that 1500 members of the local lodge went to Portland today, in many cases taking wives and members of their families with them. Others not belonging to the Elks lodge, but going for the sake of seeing the sights, brought in the number high into the thousands. Salem entered a delegation of more than 400 men, including the drum corps and the Elks band, in the parade this afternoon. The delegation had practiced marching for the event for several weeks, and had uniforms specially made for the occasion.

CITY DESERTED; STORES CLOSED; TRAINS PACKED

With thousands of people having left the city and gone to Portland to take part in the general festivities connected with the national Elks convention there, the streets of Salem today presented a deserted appearance.

The one way to be certain always of perfect Jam and Jelly

SKILL won't do it—even the most experienced housewife knows those discouraging times when jam and jelly just will not set. But Certo will do it every time. When you add Certo any fruit is bound to jelly. You cannot have a failure.

Certo is the very element in fruit that makes it jelly. This jelly-making element is lacking in some fruits; in all fruits it grows less as they ripen. But with Certo you can make your jams and jellies from these choicest ripe fruits. For Certo itself supplies the jellying element.

And you can make half again as many glasses from the same amount of fruit. For you only need to boil one minute when you use Certo. It saves all the rich fruit juice and the lovely color and flavor that used to be wasted in steam. Order Certo today from your grocer, Douglas-Pectin Corp., Granite Bldg., Rochester, N. Y.

Many Here Poison Themselves Daily

Carelessness of Modern Living Results in Digestive Disorders, Sick Headache, Gas, Biliousness—Dr. H. S. Thacher's Remarkable Prescription Relieves Many

A neglected liver can often cause more trouble than a bottle of poison. When the liver is clogged and inactive, it fails to secrete the juices necessary to digestion and elimination. Worst of all, it fails to purify the blood properly. When this happens annoying symptoms tell you that a state of self-poisoning exists in your body.

Symptoms Lead to Sick Bed

It explains why a sluggish liver is attended by such symptoms as constipation, biliousness, sick head aches, nervousness and gas on a weak stomach, loss of appetite, pains in the back and sides, and a nervous, run down condition—symptoms that lead to the dangerous and expensive sick bed unless corrected in time.

Dr. H. S. Thacher, noted medical practitioner, perfected a wholesome vegetable prescription to

keep the liver healthy. It is giving quick relief and renewed strength, energy and vigor to thousands here. This prescription, known pharmaceutically as Dr. Thacher's Liver and Blood Syrup, doesn't cost much, is pleasant to take and contains only ingredients that are known to physicians for their corrective and health building properties.

Notice Quick Difference

Try this great prescription yourself. Notice the quick difference in the way you look, eat, sleep and feel. You will be completely satisfied; otherwise, there will be no cost.

Dr. Thacher's Liver and Blood Syrup is sold and recommended by Perry's Drug Store, Salem; Conrad Stutzin, Dallas; Geo. W. Steinhilber, Silverton, and all leading druggists.—Adv.
