BETHEL TO HAVE NEW SCHOOL FOR FALL OPENING

Bethel, Or., July 17—Work will begin here in the near future on construction of a new \$4000 district school, to accommodate 30 or 35 pupils, and to be opened for use with the regular fall term next September. It will consist of one large room, with a modern stage and a lunch room.

The old school building, which was made by remodeling the old Dunkard church here, is declared to be too old for continued school service. The board which has charge of the new building is composed of E. E. Matten, chairman; A. L. Schula and H. H. Boles. W. R. Baker is clerk of the board.

CURE FOR MANY DISEASES SEEN

London, July 17.—(A.P.)—Other diseases than cancer may yield their secrets to scientific workers armed with the technical methods evolved by Dr. William E. Coper and his helper colleague, Dr. J. E. Barnard. This suggestion is put forward today by the Lancet, authoritative British medical journal, in presenting papers by two scientists on their recently announced discoveries regarding the causes of cancer.

QUEEN MARY OPENS MATERNITY HOSPITAL

London, July 17.—(A.P.)—Queen Mary added several devotees to her list of admirers yesterday when she opened an extension of the Salvation Army's maternity hospital in the East End of London. In one ward were a number of unmarried mothers, who though aware of the queen's visit, did not expect her to take notice of their presence. The unexpected honor, however, presented a special desire to see them.

HEALTH CLINIC AT BROOKS SET JULY 21-2

Brooks, July 17.—The Marion county health examination for children of pre-school age and for babies, will be held in the Methodist church at Brooks on Tuesday and Wednesday, July 21 and 22. Whether older children will also be examined at this time will depend on the response to this opportunity. If the time does not permit, a later date may be arranged. Time assignment should be phoned to Mrs. Walter Fuller for Tuesday and to Mrs. Fred Batchelor for Wednesday.

WILLS HOPES DEMPSEY BOUT GOES THROUGH

Paris, July 17.—(AP)—When shown New York dispatches today stating that Jack Dempsey had signed for a match with him, Harry Wills, American negro heavyweight, who is in Europe for a brief vacation said: "I hope the story is true, but I have heard nothing myself directly. Everything is in the hands of Paddy Mullins, who is fully empowered to sign for me, but I have had no word from him yet."

STABBED IN THE BACK BY NEURITIS

Painful Knife-like Thrusts Banished Forever—Quick, Permanent Relief Follows This Newly Discovered Treatment

Sharp, darting, torturing pains through neck, arms, shoulders and limbs—these are the symptoms of Neuritis. Some mistake it for rheumatism. Often it is called neuralgia. Don't take dope or coal tar products. They only give false relief. Often they affect the heart dangerously. The surest and safest way to rid yourself of these agonizing pains is to get a bottle of Eopa Neuritis Tablets, the recent discovery of a prominent physician. These tablets are harmless—no bromides—no narcotics or coal tar.

Not One Live Fly Or Mosquito In Homes Where Black Flag Is Used. It Kills!

Get those flies, mosquitoes, and roaches! Don't let one escape. Kill them all with BLACK FLAG—the surest death to pests ever discovered. BLACK FLAG does not stain—it kills! It contains a secret vegetable ingredient that bugs breathe and die. But it is absolutely harmless to humans and animals. Not only flies, mosquitoes and roaches, but BLACK FLAG also kills ants, moths, dog fleas, bedbugs, plant lice, chicken lice. Not a single bug escapes BLACK FLAG. That is what makes it great! Ordinary insecticides kill, at best, only 6 out of every 10 bugs. The four which get away breed hundreds which return. BLACK FLAG kills 10 out of every 10 bugs. Use either the powder or liquid. Both are equally deadly to pests, with three exceptions—never use any liquid on furs; use the powder to make them mothproof. Always use the powder to kill dog fleas and lice. Thousands use both powder and liquid—preferring the liquid to kill flies, mosquitoes and moths—and the powder to kill roaches, ants, bedbugs, dog fleas and plant lice. BLACK FLAG costs less. Powder, 15c up. Liquid, 25c up. Sprayer, 45c. Introductory package containing can of liquid and sprayer for only 65c. At drug, grocery, hardware and department stores. Buy BLACK FLAG today.
