CHILDREN STAGE SPLENDID PLAY AT INDEPENDENCE

Independence, Or., July 20.—The play, "Peter on the Hilltop" given Friday evening at the Iris theater was well attended. It was repeated before a very enthusiastic audience at the Oregon Normal school Wednesday morning during chapel period.

Considering that the members of the cast were from 19 to 15 years, it was thought to have been surprisingly well done and some exceptional dramatic talent was shown.

Eva Baile, as Little Peter, sustained his lyrical childlike personality throughout the whole play, awakening in everyone the remembrance of the sincerity and simplicity of that period of a child's life.

Ethel Hirsch as the crabby old man who flirts and succumb to Peter's happy enthusiasm and smiles, brought an immediate response from both audiences.

Through Peter's helpfulness

Margaret Kiddy, as Myra, was changed from the siren of the sea to a beautiful unselfish sea maiden.

The little brown men "of the big green plain" to the tune of their malicious dancing, were charmed into submission by Peter's fearless lover, to the intense delight of the audience.

The reward for Peter's unselfish helpfulness came as the four leaf clover at the end.

Allice Hately's interpretation of the bird showed exceptional talent. Her impingement and joyful flying was accentuated by her anguish when she was mortally wounded by the hunter, Little Frances Knott. It was applauded heartily by both audiences.

CITY LEAGUES BOTH NEARING END OF SERIES

This week will see the finals in both of the twilight leagues, and baseball fans are promised some real hot games. Both leagues are furnishing good ball and with the two leaders fighting it out for the championship it will be one week that will be full of action.

Tonight the Knights of Columbus will meet the United States Bankers. These teams are tied for second place honors at the present time and will play for the right to meet the American Legion, leaders of the twilight league, for the city championship. Next Wednesday evening the winner of tonight's game will cross bats with the Legion in the first of a three-game series for the title. Ralph Mason has been selected as umpire for the games.

Tomorrow evening the Eagles and Papermakers will clash in the second of the three-game series to decide the champion of the

Sundown league. The Papermakers won the first game and they are working hard to annex this battle. If they are returned victors they will be the champions of that league. If the Eagles are able to win it will be a game apiece and a third one will be necessary.

Wednesday evening the Legion will meet the winners of the game between the Canes and the Bankers of tonight's game in the first game of a three-game series to decide the championship. They are fighting hard for the victory as the champions are given a beautiful gold watch fob, shaped like a baseball. Each member of the victorious team is presented with one of these fobs. The prizes are being given by the Anderson sporting goods store from Spaulding.

Friday evening the Legion will play the winner of tonight's game in the second of the three-game series. If a third game is necessary, it will be decided at a meeting to be held at a later date. All of those games are to be played on the Oxford park diamond. The games will be four innings and if it goes the full three games the final count will be seven innings.
