

Senators Lose First Of Crucial Series to Luckenbach Tossers

W.	L.	Pct.
Salem	10	.770
Luckenbach	8	.680
Hillsboro	7	.529
Camas	6	.492
Papernaker	5	.385
Albany	3	.214

The Salem Senators lost the first of the crucial series on the Oxford park diamond yesterday afternoon by a score of 12 to 9. The game started out like a tight affair but after the fifth inning took on the appearance of a track meet. Salem must win one game if they are to be in a tie with the shipbuilders. If the Luckenbach nine wins all of their remaining contests and Salem loses both of the shipbuilders will cop the pennant. Salem is scheduled to meet Hillsboro on the local diamond next week, and ought to win. Should Salem win over Luckenbach in the next game they will win the pennant.

Bouton started the game with a home run in the first inning. The first ball came over a little bit low but the next one came straight as an arrow and Bouton hit it over the right field fence. The locals got several other men on bases in this inning but were unable to dent the plate.

Locals Take Lead.
In their half of the fourth the locals annexed three more runs on three hits. Reinhart started the inning with a two-base hit over third base. Edwards popped up to shortstop. Barham got a single and Reinhart went to third. Bouton got his second hit in 20 many times at bat and Reinhart scored. Barham going to second. Coleman, who made five spectacular catches that cut off Salem rallies every time made a wonderful one-handed catch of Maples' liner to center. Proctor went to second on Clark's error and Barham scored. Keene walked to fill the bases. Barr walked and Bouton was forced across the plate. "Speed" Carroll, manager of the visitors, rebled Coleman of a hit. In the fifth the visitors came from behind and scored seven runs on four hits and two walks. Groce fanned, making five consecutive strikeouts for Barham. Carroll and Zweifel walked. McKenna

single and Carroll scored. Stranahan was safe on a field's choice when Proctor tried to get Zweifel at the plate. McKenna went to third on the play. Helmke got a single and McKenna scored. Stranahan went to third. Coleman went out Proctor to Keene and Helmke scored. Clynes got a hit and went to second on the throw in. Clarke hit a home run over the right field fence scoring Clynes ahead of him. Groce going to bat for the second time in this inning went out, Bouton to Keene.

Visitors Force Ahead.
In the seventh the visitors annexed two more runs on four hits. Goleman hit the ball over the rightfield fence. Clynes flew out to Reinhart. Clark got his third hit and went to third on Groce's double. Proctor then went in to pitch for Salem. Carroll got a slow, lucky hit and Clark scored. Carroll went to second on a passed ball. Zweifel struck out and McKenna went out Maples to Keene. In the eighth the score stood 12 to 4 when the shipbuilders scored three runs. Stranahan went out on a nice catch, by Maples, who raced way back into left field in the foul territory to catch his fly. Helmke got a hit and went to second on a passed ball. Goleman walked. Clynes hit the ball over the right field fence scoring Goleman and Helmke ahead of him.

The locals came to life in their half of the eighth and scored two runs. Shackman, who went into right field when Coleman took Proctor's place at second, came to bat for the first time this season and started things out with a sizzling double. Bouton hit his second home run of the game over the right field fence. Maples got a hit but Proctor and Keene were easy out. The visitors got two men on base in the ninth inning but were unable to bring them across the plate.

Again in the ninth the locals started a rally that looked like they might yet win the game but it was short lived. Barr, first man up got a hit. Coleman was safe on Carroll's error. Reinhart got a hit. Edwards was safe on a fielder's choice when Coleman went out at third. Shackman coming to bat for the second time hit the ball over the left field fence and Reinhart and Edwards crossed the plate. Bouton com-

pleted a perfect day at bat when he got a single. Maples went out, Stranahan to Carroll.
Bouton and Shackman featured at bat for the locals. Bouton batted 1000 per cent with five times at bat. Shackman hit a double and a homer in two times at bat. Barham also got two hits in three times at bat. Coleman, Clynes and Clark hit homers for the visitors. The summary follows:

Salem		A. B. R. H. P. O. A. E.				
Bouton ss	4	3	4	0	1	1
Maple 2b	6	0	1	1	1	1
Proctor 2b-p.	4	0	0	1	5	0
Keene 1b	4	0	0	10	0	0
Barr lf	3	0	1	0	0	0
Coleman 2b-rf.	5	0	0	2	2	0
Reinhart cf	5	2	2	2	0	3
Edwards c	5	1	0	10	1	0
Barham p	3	1	2	0	1	0
Shackman rf	2	2	2	0	1	0
	41	9	15	27	12	2

Luckenbach

charge of defeat to Barham; time of game, 2:20.
Umpire—Ed Rankin.

Other League Games.
The West: Liga baseball team of the Interstate league came to life yesterday and defeated the strong Hillsboro team on the Hillsboro diamond by a score of 5 to 3. Hillsboro out hit the visitors but were unable to connect in the pinches.

The score—		R. H. E.	
West Liga	5	6	7
Hillsboro	3	10	3

Batteries—Stone and Willis; Stoutenberg, Meyers and Kreitz.

Camas forfeited their game to the Albany team yesterday by a score of 9 to 0. Only five of the Camas players showed up for the game. This shows the Camas nine down the ladder a point. They have been showing exceptional strength here lately, winning over the Luckenbach nine last Sunday.

Young Hafey who was recalled by the Cardinals from the Syracuse club when Blades was injured, smashed out four hits in five times at bat and scored two runs.

OREGON DEBT IS TERMED HIGHEST

The per capita indebtedness of Oregon for the year 1923 was larger than that of any other state according to a statement prepared by the office of Governor Pierce.

This was \$49.82 per capita. The main indebtedness is represented by highway bonds. This, however, is not a lien on the property of the state, and while listed as indebtedness in the state treasurer's office, the bonds will be liquidated through motor vehicle license fees and taxes on gasoline. The table below shows for 1923 the total revenue of each state, the per capita revenue and the net per capita indebtedness:

To the Husbands of Summer Brides

A vital message on a major domestic problem you must face. Much of your future happiness depends on how you solve it.

Ask the Physician About This

Your wife's health means everything. Consult any physician of long experience. Ask him what one cause wrecks the health of women more than any other. Ask him what one thing has caused more colds and grippe than any other—often resulting in pneumonia, sometimes death. Ask him what has so aged women, in past generations, before their time.

There is just one answer, he will tell you, to all these ills—the drudgery of doing the family washing at home. Nothing so saps a woman's health and vitality—nothing so destroys personality and vigor—nothing so shatters cheery dispositions.

Did you ever hear of a physician prescribing a heavy family washing for a run-down, worn-out patient?

Look at Those Lovely Hands

Those soft hands you love to touch and hold—look at them. Do you want them ruined, hardened, turned ugly? Look at the hands of the average woman past 40 who has always slaved away at the family washing. Note what has happened to them. Will you let a similar fate befall those lovely soft hands of your bride? Surely you owe her something better.

Wife, or Slave

And that little girl you are taking to love and cherish and protect—do you expect her to be your wife, or your slave? That, perhaps, sounds harsh. But

could any slavery be more dreaded—more healthwrecking—more destructive to youth and beauty—than being chained to a family washtub?

Frankly, how would YOU like to do it? How many men of your acquaintance rub out clothes over a back-breaking wash-board? No! It's no work for a man. So surely you'll never expect it—nor permit it—of your wife.

Costs Less at Our Laundry

No longer is such drudgery necessary because of cost. For now we do family washings by the pound—cheaper than you can do them at home on an electric machine. And the machine, if you get it, saves only the actual rubbing—nothing more. It only PARTIALLY washes clothes—does part of what you get in our very low-priced Wet-Wash service. The machine can't draw the water and heat it—lug it to the washrr. It can't give your wife her time—she must stay right with it constantly. It can't save her from reaching down into dirty, hot water, fishing out clothes and putting them through the wringer. It can't empty out the buckets of dirty filthy water, and fill the washer again with rinse water. It can't drag heavy baskets of soggy clothes to the line, hang them up, and take them down again. It can't save the steamed-up house or basement, exposing to colds and grippe.

So why not save your wife ALL this work and drudgery—why not give her the time it takes—by sending everything to this laundry?

BUSICK'S STANDARDIZED CASH STORES

SALEM CORVALLIS ALBANY WOODBURN

BREATH

The old saying goes: "There's nothing new under the sun." That may or may not be true, but this is sure: Thousands of people are convinced that trading at Busick's standardized stores affords them new possibilities of saving a very substantial little sum of money every month; and the knowledge that the food you buy is pure, clean and wholesome.
