BOYS WHO FIRED SHOT INJURING GIRL ARE FREED

Oswald Koenig, 14, and Eddie Koenig, 16, brothers, who were together when Oswald Koenig fired the shot on the Wheatland-Homere road which threatened the life of Miss Pearl Moore, going through her neck and into her face, were both released by Sheriff Bower last night after a confidence had been held between the father of Miss Moore and the father of the boys.

Everyone concerned reached the conclusion that the shooting was accidental, even if a case of gross carelessness and Miss Moore's father was willing to forego taking any further steps in the matter. The father of the boys, who lives near Homere, was grief-stricken over the accident and expressed his willingness to do anything that his listed means would permit.

The operation planned to have been performed yesterday to remove the bullet from Miss Moore's right cheek was postponed. It was feared a probe for the bullet now would leave the young woman with an ugly scar and disfigure
