

BOYS LEAVE FOR NESKOWIN CAMP THURSDAY MORN

Approximately 60 boys will leave Salem, Thursday morning, for the annual Y. M. C. A. encampment to be held this year at Neskowin. The number will include some 25 to be gathered up from various points in Marion county, including Woodburn, Stayton, Silverton and other cities. A few will come from Polk county, including Independence and nearby points.

The camp at Neskowin had been put into complete readiness by this afternoon. A group of four boys, under the direction of B. J. Kimber, departed for the camp site at 9 o'clock Monday and have been putting the camp into condition since their arrival there Monday afternoon. The local boys comprising the advanced detail were Dwight Adams, Ray Miller, John Lillie and Warren Keeney. Working with Kimber they have pitched the sleeping tents, put up a large cook tent, got the provisions ready for use and in general made the camp ready for occupancy.

The following from Salem have signed up to take the trip: Walter Barber, Tom Childs, Norman Winslow, Ed Hiday, Wallace Hug, Ike Kafoury, Ronald Hulbert, Melford Morgan, Homer Smith, Oustee French, Lewis Hershberger, Charles Simpson, Ivan White, Wes Meise, Dwight Adams, Anderson Hyrd, John Bone, Irving Hite, Rodney Meyers, Frank Meyers, F. DeHart, John Lillie, Tom Livesey, Ed Cross, Frank Cross, Jack Hartman, Charles Hageman, Kelley Moore, Walter Barber, Dan Bernard, Clarence Oliver, Ray Miller and Loyal Warner.

Extensive plans have been mapped out by Y. M. C. A. authorities which are calculated to keep the boys busy every moment of the time they are not actually asleep. Hiking, swimming and classes of various kinds will be staged. Every activity will be thoroughly supervised by competent instructors.

Deputy State Forester Greenmiller will instruct the boys in forestry. "Chief" Bent of Chemawa will give them pointers in Indian folk lore. Mr. Bateham, local florist, will tell them points of interest about botany. Ben Kimber will give the campers ideas about pageantry. Bob Boardman will have charge of instruction in first aid and first aid.

The supervision of the camp will be strict, those in charge have declared. Various camp emblems will be awarded to boys earning them, a point system having been devised as a basis for awards. "Ole" Cray, superintendent of schools at Creswell, Or., will be on hand and have charge of the cooking. The camp will continue for two weeks, breaking up on August 6.

CRATER LAKE TRAVEL HEAVIER THIS YEAR

Medford, Or., July 22.—Travel to Crater Lake for the first half of July was 8 per cent heavier than last year, when a new record was established, and the Medford entrance is leading the Klamath entrance by a large majority, according to a report issued today by Superintendent C. G. Thomson. Mr. Thomson also states that 20 per cent of the women going to the lake this year are unescorted, which he considers an unusual feature. To July 17, 5385 cars had entered the park containing 15,392 people. This total is less than the total last year on the same date due to the fact that the park opened three weeks earlier in 1924.

YOUTH HIT BY AUTO DIES

Medford, Or., July 22.—Henry Sanders, Medford high school student, 16 years old, stepson of D. Wolf of this city, died at a local hospital last night as the result of injuries received Saturday night when he was knocked down by a car on Heall Lane driven by F. H. Goodhue of Central Point. Mr. Goodhue, who is heartbroken over the tragedy, surrendered to the authorities and explained that the accident was due to the fact that he had to dim his light for a passing car and the boy was on the wrong side of the road. A coroner's inquest will probably be held.

BOY WHO BROKE NECK SATURDAY STILL LIVES

Portland, Or., July 22.—Jacob Hoffman, 16-year-old Cornelius boy who broke his neck when he dived into a swimming hole in the Tualatin river Saturday, is still alive at a hospital here and may live.

SENATORS NEED SUNDAY GAME TO CLINCH PENNANT

Next Sunday the Salem Senators will meet the Hillsboro team on the local diamond. The championship of the Interstate league hinges on this game to a great extent as Salem cannot afford to lose the game, due to the fact that they must win one more game to get a tie out of the league. If the locals lose Sunday they will have to win over the Shipbuilders the following week to win the pennant. If Luckenbach wins all of their games and the locals win Sunday, the two teams will be tied and it will be necessary to play off the tie. The play-off will more than likely consist of three games.

Edwards is going to Portland to a regular league meeting tonight, where it will be definitely decided on the Oregon City protest filed two weeks ago when the visitors left the field after six innings. The Oregon City manager is making efforts to make the locals replay the game. William Smith, president of the league, also seems in favor of playing the game over. If it is necessary to play the game again it will be played after the regular playing season. Edwards is protesting playing the game again and will make all efforts to have the game stand as it does now.

Bill Steers and Ashby will both be back with the locals for the game next week. Steers was out of the lineup as he was attending his mother's funeral. Ashby was sick in bed for several days and was not in condition to pitch. He is out of bed now and working hard to get back in shape for Sunday's game. Edwards has not definitely decided who will work for the locals but is planning on Ashby at the present time.

SAYS ANOTHER STOLE WIFE

Portland, Or., July 22.—Justin A. Dawley has filed suit for \$15,000 damages against Thomas H. Coffelt alleging that Coffelt stole the affections of Dawley's wife four days after Dawley was married.

The complaint states that Dawley married his bride July 1 at Vancouver, Wash. By July 5, the complaint states, Coffelt had won the affections of Mrs. Dawley that she went to live with him. Coffelt won her, Dawley alleges, by telling her that he (Dawley) already had two wives in the east and by promises to deed property to her if she would leave her husband. On July 10, the complaint says, Dawley won his bride back, but lost her again on July 14.

Breitenbush Hot Springs

Marion County, OREGON
A Health and Pleasure Resort

Open under New Management

Hot mineral water baths; hot mineral mud baths and natural hot mineral vapor baths. Breitenbush is famous for its hot arsenic spring and unusual variation of other mineral content. These waters are exceptionally beneficial to rheumatism, neuritis, constipation, skin and blood diseases. Wonderful scenery; fine fishing; trail hiking and mountain climbing. Good accommodations; excellent meals; reasonable rates. Mill City-Detroit Highway under construction, will not open this season. Take train from Mill City. For further particulars, write

EAGLES EVEN UP TITLE SERIES BY 4 TO 2 VICTORY

The Eagles baseball nine of the Sundown league evened the series last night when they defeated the Papermakers in the second game on the Oxford park diamond by a score of 4 to 2. The game went one extra inning before the contest was decided.

The Eagles started things out in the first when they scored two runs. Three errant hits by Horton, Schultz and Chapman put men on base. Morton was forced out at second. Shelley walked to fill the bases. Schultz scored and Chapman went to third on a passed ball. Edwards hit a fly into right field and Chapman scored after the catch. Shelley was caught between second and third for the third out.

The Papermakers were unable to score in the first but tied the score at two-all in the second. Luckenbach and H. Gross both went to second when B. Gross drew a walk. Blankenship hit to center field but Schultz dropped it and Wilkerson and B. Gross crossed the plate. Mootry got a single and Blankenship was caught at the plate trying to score from first base.

Things remained even until the last of the fifth when the Papermakers got men on bases that should have won the game for them. Mootry first man up got a hit. Simpkins was safe on DeSart's error. Edwards caught Simpkins off first base. Versteeg went out to DeSart to Andemon. Mootry started home on a passed ball but thought that he couldn't make it. Edwards sent the ball down to third base which rolled to the fence. Mootry started home

but the ball bounced back into Horton's hands and Mootry was caught at the plate.

In the sixth the Eagles scored the winning runs. Horton got his second hit of the game. Schultz hit a homer over the right field fence and both scored. The Papermakers went out in order in the half of this inning. The third game to decide the championship will be played at a later date. The Papermakers are given the edge in this game if they play ball.

The lineup follows:
Papermakers—Simpkins, 3b; Versteeg, c; Shackman, 1b; Luckenbach, p; H. Gross, cf; Wilkerson, ss; B. Gross, rf; Blankenship, 2b; Mootry, lf.

Eagles—Horton, 3b; Schultz, cf; Chapman, lf; Shelley, 2b; Edwards, c; DeSart, ss; Hagerdorn, p; Anderson, 1b; Willetts, rf.

Bankers Play Legion

The first of the three-game series to decide the city championship of the Twilight league will be played tonight, weather permitting, between the United States Bankers nine and the American Legion. The Legion has a strong team this year and are slight favorites. The Bankers also have a formidable team and will make the going rather rough if Blumenberg is in the same shape as he was Monday.

The second game of the series will be played Friday evening. If a third game is needed a date will be decided on at a meeting to be held after that game. All of the games are played on the Oxford

NAZIMOVA PROTESTS CUSTOMS FEE DEMAND

New York, July 22.—(AP)—Alla Nazimova, actress, is going to have a conference with customs agents regarding wearing apparel which was held up when she arrived on the Levathan Monday.

Two trunks and a hat box were sent from the boat to appraisers headquarters for further examination as the examiners were not satisfied with the values declared by the actress. She indignantly averred that the prices she had set for them were correct.

The actress was enthusiastic about new plays and a new role she had at Hollywood, but she would not discuss reports that she was contemplating a divorce from Charles Bryant.

STAR MAKES A REAL RECORD

AGAIN Star flings a challenge to all cars in its price class. From Los Angeles to Yosemite—364 miles in HIGH GEAR!

Under strict observation—carrying as passenger an official observer who swears to the truth of these statements—a bonafide stock model Star adds this real Yosemite triumph to its long list of record powered achievements.

364 miles in high gear, all the way, regardless of the almost impossible grades, through traffic, sandy and muddy roads, the Million Dollar Motor has scored a smashing victory—never before accom-

plished carrying passenger, irrespective of size or price.

Highest Yosemite Gas Mileage

By winning all Yosemite high gear power honors, Star followed close on the heels of its gasoline mileage victory in the 9th Annual Los Angeles to Yosemite Economy Contest, when the new Star Coach averaged 27.96 miles per gallon, the highest in its class. Ton mileage (weight) calculations gave first place to another [open type] car representative of a much higher priced class.
