Has Strength Of A Bear

"About 5 months ago my father was very sick with his stomach, which had been troubling him for several years. Three doctors said he had cancer and one said it was all stomachs—all agreed an operation necessary, but on account of his age I was afraid to risk it. I told a friend about it who said his wife had been through the same trouble and had been cured by taking Mayr's Wonderful Remedy. I at once bought a bottle for father and he is now as strong as a bear and can eat more ham and cabbage than all 3 men." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract, and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded at J. C. Pezery's, D. J. Fry's and druggists everywhere.—Adv.
